Russell C. Block

Revelation Down To Earth Making Sense Of The Apocalypse Of John:

Revelation Down to Earth Edwin Walhout, 2000 Dr Edwin Walhout's lifelong interest in the book of Revelation comes to a mature climax in this volume which shows convincingly how and why this elusive Christian scripture provides a comprehensive world and life view for understanding the world in which we live Arguing that the orientation of Revelation is present not future a perspective that brings balance to much current writing on the topic Walhout explains John's enigmatic visions in Revelation in pastoral down to earth terms He carefully describes for readers what the apostle John saw and he relates these compelling visions to Jesus the gospel and the church today According to Walhout John was deeply concerned for the churches under his care even though he was writing to them in exile and he transcribed his visions in order to encourage them in their current persecution and trials Through these strange yet powerful symbolic images the churches were meant to grasp how God was working through Jesus by means of the gospel and the power of Christ's Spirit and how they in turn might cope in troubled times From this perspective the challenging visions of Revelation discussed here as septets the Seven Churches the Seven Seals the Seven Trumpets the Seven Bowls take on fresh and highly relevant meaning The implications of Revelation for the future can be seen but only as the result of what is happening in the present John's first century present and also our own Walhout's study shows the book of Revelation to contain a magnificent theology of history with Jesus Christ directing humanity irresistibly toward its ultimate goal the new Jerusalem where sin is no more

The Pith of the Apocalypse Paul A. Rainbow, 2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism of it on the other *The Pith of the Apocalypse* derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and understanding *A Commentary on Revelation, Form #17.055* Brooky Stockton, 2020-02-06 Explanation of the main theme of Revelation which is government corruption and the obligation of Christians to prevent it Sovereignty Education and Defense Ministry SEDM is expressly authorized to be republish this document on Google Book and Google Play and elsewhere by the author at the following location on the author's website DMCA Copyright Section 10 <https://nikeinsights.famguardian.org/footer/dmccopyright> For reasons why NONE of our materials may legally be censored and violate NO Google policies see <https://sedm.org> why our materials cannot legally be

censored Revelation (Teach the Text Commentary Series) J. Scott Duvall, 2014-10-14 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively. The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text. Revelation Mwaniki Karura, 2024-10-24 This commentary helps the reader of the book of Revelation to navigate through the challenges that have so far complicated interpretation of the book. It walks the reader into the four vision halls: Patmos, symbolic heaven, symbolic wilderness, and the symbolic high mountain. Like a trained tour guide, it illuminates the nature and purpose of every symbol and simulation of the things that are and the things that are to come. It identifies strategic acts embedded in the visionary simulations as the major communicative devices that the divine author used to evoke the intended reader responses. **HEAVEN** Michael G. Maness, 2004-12-01 In heaven we shall know everlasting rest and the full measure of our inheritance. Though no eye has seen what God has prepared for us from Revelation 21-22, we can understand a little of what heaven will feel like. We shall know a new freedom, economy, purity, peace, and so much more. Those will be the simple experiences. The greater experiences will be in everlasting love, most especially in an everlasting marriage and an enduring intimate community. Likewise, we shall know a growing and everlasting security within our grand heritage within God's promises and in the work of Christ. Yet the greatest experience of all is also the hardest to understand because it is the farthest removed from our earthly experience. The greatest experience of all will be that for the rest of our everlasting loving lives, we will share in the very life and glory of our dynamic and loving God, our loving Father and Abba. The greatest experience in heaven will be the very life and light that we share with God Himself, so very personal and loving to the uttermost. **Joy in Our Weakness** Marva J. Dawn, 2002-07-08 Neither a commentary on the book of Revelation nor a devotional work, though it offers aspects of both, *Joy in Our Weakness* is instead a theological and practical guide that ushers readers into the very presence of Christ and His Lordship over the powers of evil. Marva Dawn writes compassionately for those who suffer; for this book was born out of her own struggles with physical limitations and chronic illness, and it is intended to help the whole Church learn how to find Joy in every circumstance of life, especially in trials and sufferings. After outlining some important foundational principles in three introductory chapters, Dawn guides readers through the whole book of Revelation, pointing out the errors of those who try to calendarize the end of the world and instead delineating how The Revelation reveals Christ's Lordship, exposes the workings of the powers, and sustains those who suffer until evil is ultimately defeated. Now thoroughly revised for a wider readership, *Joy in Our Weakness* highlights The Revelation's original purpose to comfort afflicted suffering believers and spells out a biblically grounded theology of weakness, offering a rare gift to the Church today. A wealth of insight and encouragement truly awaits the readers of these pages. Introducing the New Testament Mark Allan Powell, 2009-10-01 This beautifully

written and engaging survey offers an up to date New Testament introduction for undergraduate students and general readers Powell presents disputed and controversial issues fairly neither dictating conclusions nor privileging skepticism over faith based perspectives The book is written in a lively and engaging style and includes helpful sidebars maps tables charts glossary diagrams and suggestions for further reading In addition this full color book includes beautiful artwork illustrating the reception of the New Testament through various times and cultures A companion Web site through Baker Academic s Textbook eSources features a video introduction from the author and a wealth of additional resources for students and instructors Resources for students include introductory videos chapter summaries chapter objectives study questions flash cards extra sidebars and charts self quizzes and bibliographies Resources for professors include discussion prompts pedagogical suggestions PowerPoint outlines and a test quiz bank
