words of Revelation May this book be a springboard to still greater light for you *Decolonizing Ecotheology* S. Lily Mendoza, George Zachariah, 2022-02-18 *Decolonizing Ecotheology Indigenous and Subaltern Challenges* is a pioneering attempt to contest the politics of conquest commodification and homogenization in mainstream ecotheology informed by the voices of Indigenous and subaltern communities from around the world The book marshals a robust polyphony of reportage wonder analysis and acumen seeking to open the door to a different prospect for a planet under grave duress and a different self assessment for our own species in the mix At the heart of that prospect is an embrace of soils and waters as commons and a privileging of subaltern experience and marginalized witness as the bellwethers of greatest import Of course decolonization finds its ultimate test in the actual return of land and waters to precontact Indigenous who yet have feet on the ground or paddles in the waves and who conjure dignity and vision in the manifold of their relations in spite of ceaseless onslaught and dismissal Their courage is the haunt these pages hallow like an Abel never entirely erased from the history May the moaning stop and the re creation begin *Do Not Hurt God's Heart* Andi Sulistiadi, Anthesianz, 2025-05-20 So today let this be your reminder You are loved with a love beyond comprehension Jesus has done everything necessary to bring you back into the arms of the Father Let s not break His heart with stubborn rebellion but instead bring Him joy with surrendered lives Sometimes life pulls us in a thousand directions We get busy We get distracted We carry silent burdens that no one sees We smile on the outside but on the inside we re tired unsure or even lost Deep down many of us long for something more Not more money Not more applause But more purpose More peace More clarity We long to know that we are walking in step with something greater than ourselves that our life actually matters in the light of eternity And that s where God steps in not as a distant figure in the clouds but as a loving Father who cares deeply about your heart your journey and your transformation Maybe you ve made mistakes Maybe you ve tried to do it all on your own That s okay Grace is not earned it s received God is not looking for perfection He s looking for surrender Today you are invited to come back into alignment with God s will to say Lord I want my life to look more like Yours *ReEngaging ELCA Social Teaching on The Church in Society* James M. Childs Jr., 2024-08-13 Renowned ELCA ethicist James Childs contextualizes the origins of this foundational social statement and helps contemporary Lutherans think creatively about how we all are called to be the church in and for the world around us Grounded in scripture and Lutheran theology Childs explores the history of Lutheran public witness in the United States and then deftly connects it with our present Lutherans are called to seek justice for people living in poverty for creation and as peacemakers What does this look like in practice How do we engage in the dialogue that is love seeking justice Who is doing this work How might we be called as individuals and institutions to speak powerfully the truth of Christ for others Where might the Holy Spirit be leading this this church and its members to grow With thoughtful discussions at the end of each chapter and a list of suggestions for further reading *ReEngaging ELCA Social Teaching on The Church in Society* is an accessible resource for engaging congregations study groups and classrooms

REASON FOR HOPE Patrick J Vaughan, 2014-12-03 I was stirred to write this because I believe in my heart that there are many who are losing hope With all the uncertainties and calamities going on in the world and our own personal lives I can understand this to some reason But the main reason people are losing hope is that we are focused on the wrong things We are looking at the wrong direction listening to the wrong people and getting all the wrong answers and promises from those who lie and deceive Below is the first few paragraphs to my book which will give more insight Hope deferred makes the heart sick Proverbs 13 12 I have this word Hope burning in my spirit in this season I believe that there are many out there although they may appear all right on the surface are disappointed in their dreams are fearful and worried do not see a future and are very troubled in both heart and mind The lack of hope or seemingly not having hope at all is very disturbing and will bring you to great depression which will kill any ambition I am here to say and to tell you and assure you that all is not lost I want to assure you that hope is real and we all have a reason for hope no matter how dark your circumstances are and no matter how bleak your future appears Our verse above tells us that hope deferred makes the heart sick Deferred means to be delayed or to be postponed temporarily I hope that you have grasped our first point Our first point being that what you are hoping for is not gone or lost and not within your grasp and your future It is just delayed and just temporarily postponed If deferred hope makes the hearts sick what does the lack of or the perception of no hope do to a person Do not believe the lie that there is never any hope There is always hope That thing that you are expecting and dreaming about will eventually and assuredly happen and come to pass Even if your at the end of your rope hang on push in and press forward there is always hope
