Revelations Child:

Revelation Elisabeth Schüssler Fiorenza, 1991 Elisabeth Schussler Fiorenza charts a new and provocative course in the interpretation of the book of Revelation She recognizes not only the ideological distortions but also the sociopolitical location of the Apocalypse In this way she opens to the reader the world of vision of this powerful New Testament book This book has three major sections 1 an introduction that centers on social location and rhetorical analysis 2 the commentary and 3 a theo ethical rhetorical reading of the visionary world of the book of Revelation under the headings of empire tribulation resistance and competing voices

The Quest for the Christ Child in the Later Middle Ages Mary Dzon, 2017-01-25 Beginning in the twelfth century clergy and laity alike started wondering with intensity about the historical and developmental details of Jesus early life Was the Christ Child like other children whose characteristics and capabilities depended on their age Was he sweet and tender or formidable and powerful Not finding sufficient information in the Gospels which are almost completely silent about Jesus childhood medieval Christians turned to centuries old apocryphal texts for answers In *The Quest for the Christ Child in the Later Middle Ages* Mary Dzon demonstrates how these apocryphal legends fostered a vibrant and creative medieval piety Popular tales about the Christ Child entertained the laity and at the same time were reviled by some members of the intellectual elite of the church In either case such legends so persistent left their mark on theological devotional and literary texts The Cistercian abbot Aelred of Rievaulx urged his monastic readers to imitate the Christ Child's development through spiritual growth Francis of Assisi encouraged his followers to emulate the Christ Child's poverty and rusticity Thomas Aquinas for his part believed that apocryphal stories about the Christ Child would encourage youths to be presumptuous while Birgitta of Sweden provided pious alternatives in her many Marian revelations Through close readings of such writings Dzon explores the continued transmission and appeal of apocryphal legends throughout the Middle Ages and demonstrates the significant impact that the Christ Child had in shaping the medieval religious imagination

Revelations of Divine Love Julian (of Norwich), 2015 Julian of Norwich is one of the subtlest writers and profoundest thinkers of the Middle Ages and the earliest woman writer in English Her Revelations describe a loving and merciful God and a positive vision of humanity This sensitive new translation conveys the poise and serenity of her style and includes the two versions of her text

Revelations of Chance Roderick Main, 2007-03-08 Explores the plausibility and value of viewing synchronicity as a form of spiritual experience

Child Sexual Abuse and the Catholic Church Marie Keenan, 2013-07-18 A meticulously researched inside look at child sexual abuse by clergy this exhaustive hard hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders Linking the personal and the institutional researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology but also within larger systemic factors such as the very institution of priesthood itself the Catholic take on sexuality clerical culture power relations governance structures of the Catholic Church

the process of formation for priesthood and religious life and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations including child sexual abuse Keenan draws on the priests own words not to excuse their horrific crimes but to offer the first in depth account of a tragic multi faceted phenomenon What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new more critical theology Only through radical institutional reform Keenan argues can a more representative and accountable Church emerge Child Sexual Abuse and the Catholic Church is a unique reference for scholars of the Church and therapists who work with both victims and offenders as well as a forward thinking blueprint for reform Revelation H. A. Ironside,2004-06-01 This classic commentary series from one of the most creative and articulate expositors of the twentieth century is being reissued for a new generation *Revelations of the End* Dr. Robert "Andy" Gowins,2025-02-05 *Revelations of the End* A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days
