Revenge On Christmas Day Fact And Fiction In Bucharest:

Revenge on Christmas Day Peter Roberts, 2005 How much of this book is true How much is imagination Can imagination reveal the truth The answer depends on the skill of the author who must imagine the unrecorded workings of the minds of real people Based on his knowledge of their characters and the historic events in which they participated he creates parallel universes that are imaginary but possible Do these stories ring true Judge for yourself after reading the verbatim report of the trial of Romanian leaders Nicolae and Elena Ceausescu on December 25 1989 They were executed the same day When that decision was made says the author a former Canadian ambassador to Romania half the Romanian army volunteered to serve in the firing party That may be an exaggeration but not an absurd one The hatred for this notorious couple was so intense and so pervasive in Romania that many normally peaceful people would gladly have strangled them with their bare hands
