Revising US Military Strategy Jeffrey Record,1985 **Revising U.S. Military Strategy** Jeffrey Record,1984-01-01

Professional Journal of the United States Army ,1985 **Military Review** ,1997 *Afterglow Or Adjustment?*

Mark Randal Brawley,1999 Is the United States overstretched in its international commitments This book examines differing responses to overstretch in modern history focusing mostly on military and economic policies in the U S and Britain over the past century **New Books** National Defense University. Library,1984 **Parameters** ,1988 **Quarterly Review of**

Military Literature ,1993 **Strategic Asia 2008-09: Challenges and Choices** National Bureau of Asian Research (U.S.),2008 The eighth volume in NBR s Strategic Asia series assesses the major strategic choices on Asia facing the new U S president and administration as well as the broader policy community Through a combination of country regional and topical studies the book analyzes the impact of U S policy and geopolitical developments on Asia s transformation over the past eight years **Defence Planning and Uncertainty** Stephan Frühling,2014-04-24 How can countries decide what kind of military forces they need if threats are uncertain and history is full of strategic surprises This is a question that is more pertinent than ever as countries across the Asia Pacific are faced with the military and economic rise of China Uncertainty is inherent in defence planning but different types of uncertainty mean that countries need to approach decisions about military force structure in different ways This book examines four different basic frameworks for defence planning and demonstrates how states can make decisions coherently about the structure and posture of their defence forces despite strategic uncertainty It draws on case studies from the United States Australian and New Zealand each of which developed key concepts for their particular circumstances and risk perception in Asia Success as well as failure in developing coherent defence planning frameworks holds lessons for the United States and other countries as they consider how best to structure their military forces for the uncertain challenges of the future
