

The background of the cover is a close-up photograph of two women. The woman in the foreground is in profile, looking towards the right, with her face partially in shadow. The woman behind her is also in profile, looking in the same direction. The lighting is warm and golden, suggesting an indoor setting with soft light. The overall mood is contemplative and mysterious.

Revisionist A Novel:

The Revisionist Helen Schulman,1998 A stunning portrayal of the indelible shadow of the Holocaust on our century told the tragi comic story of a man s obsessive search for historical truth both universal and personal The Revisionist Tobias Roberts,2021-12-07 The Revisionist is a novel of many voices brilliantly arranged Its themes are mysterious its tone compassionate its conclusions beguiling In Tobias Roberts s first novel we are presented with a series of clinical historical and literary documents outlining the lives and tragedies of the psychiatrist Isaac Himmelfarb and his wife Sarah whose marriage is strained by the grief of a miscarriage At the same time Sarah s recently deceased father Doctor Zachary Weiss has bequeathed her still other papers which detail his psychoanalytic sessions with a patient of his named Pierce It seems this man Pierce claimed to have developed the ability to revise reality by means of his dreams This is an ability that the curious Doctor Weiss cannot help but put to the test and that a heartbroken Sarah cannot help but hope is real **The Epitome of Evil** M. Butter,2009-04-27 This study explores the literary representations of Adolf Hitler in American fiction and makes the case that his figure has slowly developed from a means of left wing critique into a device of right wing affirmation

Marginality in the Contemporary British Novel Nicola Allen,2011-10-27 The Marginal as a concept has become an integral part of the British novel as it stands at the turn of the century Both popular and literary fiction since the mid 1970s has seen an increasing emphasis on the marginal subject This study offers readings of a wide range of contemporary British novels that represent characters or communities at the margin of society Nicola Allen analyses three conceptual categories representing the marginal subject in the contemporary British novel the character of the misfit or outsider the emergence of the grotesque and the rediscovery of previously marginalized narratives such as myth and fantasy This innovative and original monograph focuses on the contention that the contemporary novel of marginality conveys a belief in the socially transformative powers of narrative and suggests that narrative has played a central role in bringing marginal politics and marginal issues to the fore in contemporary Britain Pynchon's Against the Day Jeffrey Severs,Christopher

Leise,2011-02-24 Thomas Pynchon s longest novel to date Against the Day 2006 excited diverse and energetic opinions when it appeared on bookstore shelves nine years after the critically acclaimed Mason its commentary on science belief and faith and its views on politics and economics the contributors contend that Against the Day is not only a major addition to Pynchon s already impressive body of work but also a defining moment in the emergence of twenty first century American literature

Holocaust Literature: Lerner to Zychlinsky, index S. Lillian Kremer,2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The

Top 20 Reference Titles of the Year American Libraries May 2004 The Nineteenth Century Revisited Ina Bergmann, 2020-12-29 The Nineteenth Century Revisited The New Historical Fiction explores the renaissance of the American historical novel at the turn of the twenty first century The study examines the revision of nineteenth century historical events in cultural products against the background of recent theoretical trends in American studies It combines insights of literary studies with scholarship on popular culture The focus of representation is the long nineteenth century a period from the early republic to World War I as a key epoch of the nation building project of the United States The study explores the constructedness of historical tradition and the cultural resonance of historical events within the discourse on the contemporary novel and the theory formation surrounding it At the center of the discussion are the unprecedented literary output and critical as well as popular success of historical fiction in the USA since 1995 An additional postcolonial and transatlantic perspective is provided by the incorporation of texts by British and Australian authors and especially by the inclusion of insights from neo Victorian studies The book provides a critical comment on current and topical developments in American literature culture and historiography The Anglo-Irish Novel and the Big House Vera Kreilkamp, 1998-10-01 This book is a comprehensive study of the ascendancy novel from Maria Edgeworth's Castle Rackrent 1800 through contemporary reinventions of the form Kreilkamp argues that Irish fiction needs to be rescued from the critical assumptions underlying attacks on the historical mythologies of Yeats and the Literary Revival Exploring the uniquely Irish dimensions of colonial and post colonial societies Kreilkamp charts the self critical formulations of a gentry culture facing its extinction more often and more successfully with comic irony than nostalgia Kreilkamp positions the Big House novels within current debates in postcolonial criticism and theory She argues that these fictional representations of a beleaguered society provide a complex nuanced gaze into a hybrid colonial group that distanced itself from the self aggrandizements of the revivalists As she examines the gothic revisionist and postmodern permutations of an enduring national form she illustrates the ways ascendancy women transformed conventions of an English domestic genre into political fiction Her attention to Edgeworth's Irish works the fiction of the neglected Victorian novelist Charles Lever and the gothic forms of the Big House by Sheridan Le Fanu and Charles Maturin provide a historical context for later reformulations of the genre by Somerville and Ross Elizabeth Bowen Molly Keane William Trevor Jennifer Johnston Aidan Higgins and John Banville The Cambridge Companion to the Graphic Novel Stephen E. Tabachnick, 2017-07-03 Since the graphic novel rose to prominence half a century ago it has become one of the fastest growing literary artistic genres generating interest from readers globally The Cambridge Companion to the Graphic Novel examines the evolution of comic books into graphic novels and the distinct development of this art form both in America and around the world This Companion also explores the diverse subgenres often associated with it such as journalism fiction historical fiction autobiography biography science fiction and fantasy Leading scholars offer insights into graphic novel adaptations of prose works and the adaptation of graphic novels to films analyses of outstanding

graphic novels like *Maus* and *The Walking Man* an overview which distinguishes the international graphic novel from its American counterpart and analyses of how the form works and what it teaches making this book a key resource for scholars graduate students and undergraduate students alike

Variations of the Hero's Journey in Contemporary British, French and Australian Picture Books about the Great War Martin C. Kerby, Denise Burkhard, Alison Bedford, Marion Gymnich, Margaret M. Baguley, 2025-09-30 This book is grounded in the belief that every nation had its own Great War and that children's picture books are an important barometer of each country's national approach To explore the depiction of the Great War in modern Australian British and French children's picture books where this historical event is reimagined in different ways as a futile conflict as a painful victory and as part of one country's founding mythology this book uses the concept of the hero's journey as an underlying framework It claims that this monomythic pattern as developed by Joseph Campbell and modified by Christopher Vogler not only informs all picture books selected for this project but can also be used to highlight the extent to which modern children's picture book authors and illustrators conform to their respective nation's cultural memory It further maintains that the specific historical context of the Great War in these children's picture books can be used to identify a variant of the hero's journey the ordinary soldier's journey This analysis of children's picture books about the Great War through the lens of Campbell's hero's journey will be of interest to both students and researchers in the fields of children's literature literary theory history cultural studies and education
