Reviving Liberty Radical Christian Humanism In Miltons Great Poems:

The Humanism of Milton's Paradise Lost David Reid,1993 The great divide in commentary on Paradise Lost is between historical and critical analysis In his discussion of the poem David Reid combines both approaches at once placing it historically in terms of neoclassical humanism and reflecting on it critically as a late twentieth century humanist As a historian Reid argues that Paradise Lost shares in the cultural effort of neoclassical humanism and yet in its picture of volition the poem stands apart from it Milton s understanding of freedom error and guilt owing more to his Protestant than to his humanist concerns And as a critic Reid argues that surprisingly Milton s religious understanding speaks more directly to our humanism than his splendid articulation of neoclassical humanist themes BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Milton's Poetry of Independence George H. McLoone,1999 John Milton s vocation was that of a great poet but he stood on the field of ecclesiastical and political controversy throughout his writing career Milton s Poetry of Independence examines patterns of ecclesiological and affective imagery in five poems by Milton The book shows how Milton s ecclesiastical nonconformity his Puritan Independency had important uses in his poetic art

Uncircumscribed Mind Charles W. Durham,Kristin A. Pruitt,2008 Includes sixteen essays that represent how challenging stimulating and far ranging are the efforts to read Milton critically and deeply This collection deals with the issue of evil world of Milton s masque and the many worlds of his epic Paradise Lost

Milton and Religious Controversy John N. King,2000-06-22 Religious satire and polemic constitute an elusive presence in Paradise Lost John N King shows how Milton s poem takes on new meaning when understood as part of a strategy of protest against ecclesiastical formalism and clericalism The experience of Adam and Eve before the Fall recalls many Puritan devotional habits After the Fall they are prone to idolatrous ritual and ceremony that anticipate the religious error of Milton s own age Vituperative sermons broadsides and pamphlets notably Milton s own tracts afford a valuable context for recovering the poem s engagement with the violent history of the Civil Wars Commonwealth and Restoration while contemporary visual satires help to clarify Miltonic practice Eighteenth century critics who attacked breaches of decorum and sublimity in Paradise Lost alternately deplored and ignored a literary and polemical tradition deployed by Milton s contemporaries This important study first published in 2000 sheds light on Milton s epic and its literary and religious contexts

Closet Drama Catherine Burroughs,2018-09-03 Closet Drama History Theory Form introduces the emerging field of Closet Drama Studies by featuring twelve original essays from distinguished scholars who offer fresh and illuminating perspectives on closet drama as a genre Examining an unusual mix of historical narratives performances and texts from the Renaissance to the present this collection unleashes a provocative array of theoretical concerns about the phenomenon of the closet play a dramatic text written for reading rather than acting

Historical Dictionary of the Puritans Charles Pastoor,Galen K. Johnson,2007-06-12 Members of the Church of England until the mid 16th century the Puritans thought the Church had become too political and needed to be purified While

many Puritans believed the Church was capable of reform a large number decided that separating from the Church was their only remaining course of action Thus the mass migration of Puritans known as Pilgrims to America took place Although Puritanism died in England around 1689 and in America in 1758 Puritan beliefs such as self reliance frugality industry and energy remain standards of the American ideal The Historical Dictionary of Puritans tells the story of Puritanism from its origins until its eventual demise This is done through a chronology an introduction a bibliography and several hundred cross referenced dictionary entries on important people places and events Theatrical Milton Brendan Prawdzik,2017-04-18

Theatrical Milton brings coherence to the presence of theatre in John Milton through the concept of theatricality In this book theatricality identifies a discursive field entailing the rhetorical strategies and effects of framing a given human action including speech and writing as an act of theatre Political and theological cultures in seventeenth century England developed a treasury of representational resources in order to stage to satirize and above all to de legitimate rhetors of politics religion and print At the core of Milton s works is a contradictory relation to theatre that has neither been explained nor properly explored This book changes the terms of scholarly discussion and discovers how the social structures of theatre afforded Milton resources for poetic and polemical representation and uncovers the precise contours of Milton s interest in theatre and drama **John Milton** John T. Shawcross,2014-10-17 The facts of John Milton s life are well documented but what of the person Milton the man whose poetic and prose works have been deeply influential and are still the subject of opposing readings John Shawcross s different biography depicts the man against a psychological backdrop that brings into relief who he was in his works and from his works While the theories of Freud Lacan Kohut and others underlie this pursuit of Milton s self Jung and some of his followers provide the basic understanding by which Shawcross places Milton in the panorama of history His explorations of the psychological underpinnings of Milton s decision to become a poet of the homoerotic dimensions of his personality and of his relationships with father and mother demonstrate the extent to which psychobiography proves itself invaluable as a means to appreciate this complex writer and his complex writings This biography combines the traditional chronological narrative with a technique akin to that of fiction a mixture of times and a triggering of remembrances from various time frames without time differentiations Such an approach offers a view of Milton not only in being but in process of being Shawcross s examination of two current concerns gender attitudes and political ideologies ranges Milton s work against the self he exhibits Specialists and nonspecialists alike will find in this magisterial biography a wealth of new insight into one of the greatest of English poets John Milton's Paradise Lost Margaret Kean,2005 Designed for students new to Milton s work this sourcebook outlines the seventeenth century contexts of its composition and examines a range of the key critical responses from across literary history The guide also usefully reprints frequently studied passages of the poem suggests further reading and provides cross references between the textual contextual and critical material Die Reformation der Rechte John Witte Jr.,2015-04-25 Johannes Calvin entwickelte ein

neues Verständnis von Rechten und Freiheiten von Kirche und Staat das das Rechtssystem der frühen protestantischen Staaten formte Seine Lehren die sich schnell in Westeuropa ausbreiteten wurden immer wieder durch große Krisen herausgefordert die französischen Religionskriege die niederländische Revolte die englische Revolution die amerikanische Kolonisation und Revolution In solchen Krisen waren es Anhänger Calvins die sein Denken aktualisierten und der neuen Situation anpassten Eine Reihe grundlegender westlicher Auffassungen von Religion und politischen Rechten sozialem und konfessionellem Pluralismus Föderalismus und Gesellschaftsvertrag haben im frühmodernen Calvinismus ihren Ursprung
