Revolution And Counter Revolution In Spain:

Revolution and Counter-Revolution in Spain Felix Morrow, 2021-01-13 Felix Morrow's book written in the white heat of the struggle remains a Marxist classic on the Spanish Civil war. It is one of the clearest accounts produced of the movement of the Spanish masses describing the events in Catalonia and the role of all those involved. This book contains the text of Revolution and counter revolution together with the earlier Civil war in Spain and Ted Grant's 1973 article which provides an overview of the Spanish revolution. This book provides an excellent companion to the writings of Leon Trotsky on this question and deserves to be studied by all class conscious activists.
