

REVOLUTION IN MEXICO'S HEARTLAND

Politics, War, and
State Building in Puebla,
1913–1920

DAVID G. LAFRANCE

Revolution In Mexicos Heartland Politics War And State Building In Puebla 1913 19

Andrew Paxman

Revolution In Mexico's Heartland Politics War And State Building In Puebla 1913 19:

Revolution in Mexico's Heartland David Gerald LaFrance, 2003 Revolution in Mexico's Heartland is a carefully researched and richly detailed case study of the most violent phase of the Mexican Revolution in the key state of Puebla This book explains the tension between the forces that represented the modernizing centralized state and those who revolted and chose local autonomy Because of its industry resources transportation and large population during the Revolution Puebla provides an excellent measuring stick for the rest of the nation during this conflict David G LaFrance examines politics warfare and state building within the context of autonomy as well as the military political and economic changes that occurred in the name of the Revolution

Maximino Avila Camacho and the One-Party State Alejandro Quintana, 2010-03-15 Maximino Avila Camacho and the One Party State The Taming of Caudillismo and Caciquismo in Post Revolutionary Mexico is a political biography of General Maximino Avila Camacho 1891 1945 one of the most powerful regional politicians in Mexico from 1935 to 1945 He was a member of an officially sponsored party known today as the Institutional Revolutionary Party PRI which claimed to represent the goals of the Mexican Revolution 1910 1921 and which managed to win most federal and regional elections from 1929 until its first presidential defeat in 2000 Maximino as he is commonly known became a powerful politician at the time when the official party effectively transformed the Mexican political system from one based on the personal power of regional strongmen and political bosses relying on clientelistic networks popularly known as caudillos and caciques to a modern one based on a centralized civilian administration supported by institutions The story of Maximino the powerful cacique of the state of Puebla demonstrates that the emergence of the one party dominated Mexican state did not destroy caudillos and caciques but simply controlled them Specifically it shows how the official party incorporated these leaders and their authoritarian practices into the state's political machinery The result was 71 years of one party political domination based on a political culture that emphasized patronage favoritism corruption coercion and co optation By tracing Maximino's career from revolutionary soldier to powerful political leader we learn how and why the goals that had originally inspired the party of the revolution primarily democracy and social justice were sacrificed in order to empower it

Emiliano Zapata Albert Rolls, 2011-07-22 This thorough narrative examines Emiliano Zapata's life his role in Mexico's revolutionary movement and his true motivations and beliefs Emiliano Zapata is regarded as among the most important figures of the Mexican Revolution This book provides more than just a biography of a great leader it enables readers to understand who Zapata was and the interests and ideologies he supported emphasizing his ideals and distinguishing him from those who have used his name for their own purposes Emiliano Zapata A Biography is organized chronologically detailing Zapata's youth and early adulthood in the years preceding the

Mexican Revolution his role in getting his home state involved in the Revolution and his ascent to power in Morelos revolutionary movement The author elucidates Zapata's continual struggle to bring meaningful change to the lives of Mexico's poorest people how his commitment to revolutionary reform came to define his existence and how his ideals led to his own violent death as they had to the deaths of so many of his adversaries A fascinating read for high school students as well as general readers this biography tells an unforgettable story of one of Mexico's heroic figures Wars of Latin America, 1899-1941 René De La Pedraja, 2015-11-16 The years 1899 through 1941 are remarkable even by Latin America's uniquely turbulent standards During this time border disputes and domestic insurrections forcefully shaped the history of this area as many countries made the rocky transition from agrarian to industrial societies This volume provides a concise survey of Latin American wars between 1899 and 1941 It compares and contrasts the wars and considers them in light of military theory It also demonstrates how instrumental wars have been in directing the history of Latin America and how the United States has often influenced these wars in a decisive manner Wars examined include border disputes in Peru Bolivia Ecuador Panama and Costa Rica and domestic insurrections in Colombia Cuba Mexico and Nicaragua Numerous photographs and maps illustrate the text and make it easy to follow every military campaign The vivid narrative captures the human drama of the wars and brings to life the violent clashes of powerful personalities in unusually hostile terrain Jungles mountains and deserts ravaged armies no less dramatically than combat and the emotions the wars released make many episodes unforgettable

Instructors considering this book for use in a course may request an examination copy here **Jenkins of Mexico** Andrew Paxman, 2017-04-03 William O Jenkins rose from humble origins in Tennessee to build a business empire in Mexico a country energized by industrialization and revolutionary change In Jenkins of Mexico Andrew Paxman presents the first biography of this larger than life personality En busca del señor Jenkins Andrew Paxman, 2016-11-14 La gran biografía William Jenkins precursor de la actual plutocracia mexicana Criticado como explotador de obreros asesino de campesinos y titiritero de políticos William Jenkins fue el gringo que a los mexicanos más les gustaba odiar William O Jenkins fue un niño granjero de Estados Unidos que se convirtió en el empresario más rico y más controvertido de México Producto de la poca de los barones ladrones como Carnegie y Rockefeller Jenkins asistió becado a la Universidad de Vanderbilt pero pronto la abandonó para fugarse con una joven sureña En 1901 cruzó la frontera hacia el sur atraído por las promesas de la industria porfiriana Jenkins dedicó a seis décadas a la acumulación de una enorme fortuna Durante la Revolución hizo prósperos predatorios a porfiristas vulnerables también experimentó un roce con un pelotón de fusilamiento carrancista y un secuestro por zapatistas que estuvo a punto de provocar una intervención norteamericana Después administró el ingenio azucarero más productivo del país y patrocinó el ascenso político de los villas Camacho Durante la poca de Oro fue un amo de la industria cinematográfica controlando un monopolio de cines y una buena parte de la producción nacional A lo largo de estas páginas el rigor historiográfico da cabida a la gran intuición del investigador con la que Andrew Paxman descubre a un personaje que influyó de manera decisiva en la

historia moderna de México En busca del Señor Jenkins es un relato contradictorio donde confluyen el espíritu emprendedor y las prácticas monopolísticas un individualismo temerario y los tratos oscuros con políticos el amor a una mujer y el amor a los negocios El itinerario vital de Jenkins le permite al autor seguir la transformación de la sociedad semifeudal mexicana en un poder económico emergente revelando al mismo tiempo diversas tendencias del capitalismo en esta región las relaciones entre las lites y la gringofobia que son evidentes hasta nuestros días *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences* ,2004 Book Review Index ,2006 Every 3rd issue is a quarterly cumulation **New Mexico Historical Review** Lansing Bartlett Bloom,Paul A. F. Walter,2008
