medievalism The range of critical and disciplinary approaches employed including history literary studies cultural studies food studies gender studies and film studies highlights the inherently interdisciplinary nature of outlaw narratives The overall volume offers an example of the ways in which examining a subject through interdisciplinary cross geographic and cross temporal lenses can yield fresh insights places canonic and well known works in conversation with lesser known texts to showcase the dynamic nature and cultural influence and impact of premodern outlaw tales and presents an introductory foray into the intersection of literary and food studies in premodern contexts which will be of value and interest to specialists and a general audience alike *Old English Ballads and Folk Songs* William Dallam Armes,1904 **How the Heather**

**Looks** Joan Bodger,2010-02-16 Over forty years ago Joan Bodger her husband and two children went to Britain on a very special family quest They were seeking the world that they knew and loved through children s books In Winnie the Pooh Country Mrs Milne showed them the way to that enchanted place on the top of the Forest where a little boy and his Bear will always be playing In Edinburgh they stood outside Robert Louis Stevenson s childhood home tilting their heads to talk to a lamplighter who was doing his job In the Lake District they visited Jemima Puddle Duck s farm and Joan sought out crusty Arthur Ransome to talk to him about Swallows and Amazons They spent several days messing about in boats on the River Thames looking for Toad Hall and other places described by Kenneth Grahame in The Wind in the Willows Mud and flood kept them from attaining the slopes of Pook s Hill on Rudyard Kipling s farm but they scaled the heights of Tintagel As in all good fairy tales there were unanswered questions Did they really find Camelot Robin Hood as always remains elusive One thing is certain Joan Bodger brings alive again the magic of the stories we love to remember She persuades us that like Emily Dickinson even if we have never seen a moor we can imagine how the heather looks First published in 1965 by Viking in New York How the Heather Looks has become a prized favorite among knowledgeable lovers of children s literature Precious well thumbed copies have been lent out with caution and reluctance while new admirers have gone searching in vain for copies to buy second hand This handsome reprint with a new Afterword by Joan Bodger makes a unique and delightful classic available once more From the Hardcover edition **Retelling Stories, Framing Culture** John Stephens,Robyn

McCallum,2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to Wind in the Willows The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society s central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that

persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings Index included
