**Robin's Story and the Tragedy of the Edenton Seven** Betsy Hester,2024-03-13 In 1989 the Little Rascals Day Care in Edenton North Carolina was suddenly thrust into the national spotlight One day the owner s husband disciplined a boy at naptime and soon an angry mother suggested that it was more than just a slap Rumors quickly morphed into charges of unimaginable crimes against dozens of little children Panic consumed the town as the police therapists and parents relentlessly pressured the children who attended the day care to name their teachers responsible for multiple allegations of abuse The Edenton Seven were caught up in the accusations including nineteen year old teacher Robin Boles Byrum She spent nearly a year in jail under an enormous bond meant to pressure her to tell the truth while she had a new baby at home

Eerily reminiscent of the hysteria that gripped Salem Massachusetts during the witch trials of the seventeenth century the Little Rascals case ultimately became the longest and most expensive criminal trial in North Carolina history Three decades later Betsy Hester met Robin Byrum Couto and together they joined forces to tell the truth In this book Betsy shares insights from legal and medical experts and reveals the facts from twenty one boxes and bound testimonies from the courtroom long since buried away Intertwined with the case history is Robin s never before told story of her harrowing journey through the court system Finally this book serves as a modern day warning about the danger of mass hysteria and the consequences of a judicial system that blindly refused to hear and seek the truth      **Judicial Management of Mass Tort Bankruptcy Cases**
