Willis,1997-08-07 This fourth title in a unique series that combines reference and analytical qualities in chronicling the
horror and science fiction genres Horror and Science Fiction Films IV brings the earlier three volumes in the series up to
date concentrating on the period from 1984 1994 as well as updating entries from the previous volumes and adding newly
discovered titles from 1900 1983 Entries in the main list include credits cast synopsis and annotation The introduction lists
1995 releases in the genres and 1996 releases through the summer cites the more memorable films in the genres for both
the current period and 1900 1984 and serves as an index to key titles in the main list including long lost titles such as the
obscure silent *Were Tiger* and the 1931 *The Phantom* Willis includes many films from around the world that are not found in
any other English language film reference work One appendix provides thumbnail descriptions of problem and peripheral
films another updates entries in the first three books with alternate titles and a third appendix serves as an index to the
approximately 7 000 films listed in the first three volumes in the series as well as in the current volume thus bringing the
total number of films covered in this series to roughly 11 000 titles **Television/radio Age** ,1986 **Subject Guide to**
