Robyn's Gran Jinty, 2012-12-14 Have you ever sat down with your coffee to enjoy a new book to discover it was too flowery or too hard a read for you Well this is definitely not that book this book is full of wee poems written in Scottish slang as the Scots tongue and poetry is close to my heart and would like everyone to enjoy some writings of my home land I am sure you will easily understand without a translator and very easy to read The childrens poems mostly have little moral endings to teach simple lessons like being careful crossing the road keeping your teeth clean and doing as you are asked You will enjoy the exploits of many mischievous woodland beasts along with stories of gnomes and elves Your children will slip off peacefully to sleep and dream their own magical fantasies This book will make you laugh and cry but hopefully most of you will enjoy these easy to read poems Robyn's Gran

Robyn's 'Hood Tom Nelson, 2009-06 Life has not been kind to Robyn Johnson About to turn sixteen Robyn lives in a group home for girls in the city of Nottingham which is rapidly becoming an urban nightmare When Robyn is witness to yet another crime something snaps in her and she takes matters into her own hands to outstanding results The surprising part is Robyn likes not only the deed but also its profitable outcome Is that so wrong The stakes heighten when Robyn catches wind of a larger plot to destroy the city she loves as her classmate Marcus an unaware apprentice reporter tails her as both suitor and newsman Based on the classic tale

Robin Hood this novel tells the story of Robyn and her band of Merry Men a trio of teenage misfits who assist as she robs from the bad and gives to the good in an effort to save the hood I thought I didn't like to read but this book was hard to put down I couldn't believe how much Robyn's life was like my own Teisha Williams high school student Many of my students read Robyn's Hood and loved it so did I As both a reader and an educator I highly recommend it Leslie Lipton teacher Originally from Jackson Mississippi Tom Nelson is a successful screenwriter with produced credits in series television movies of the week and feature films For the last eight years Tom has also taught high school to at risk teenagers in Los Angeles California He is particularly interested in reluctant readers those who would rather jump off a bridge than pick up a book Robyn's Hood is for them

Robyn's Life Journey Robyn Robyn, 2012-08-31 Life is simple yet complicated Join Robyn as she begins life in Australia wonders about cannibals at the coffee plantation she visits moves into a career in advertising marriage and motherhood and then embarks on a quest for enlightenment Life stages that we can all relate to well except for the cannibals in Papua New Guinea Yes it is safe to say that these days even the quest for enlightenment is becoming commonplace Robyn had a very comfortable lifestyle with a man she loved yet she knew something was missing and she could no longer ignore her desire to know God The only problem for Robyn was that she didn't realize that was her goal She only knew that her yearning for something beyond materialism had finally become overwhelming and couldn't be ignored any longer And that is where the real fun begins Visions of past lives and even of saints left Robyn questioning her sanity Luckily she had good friends who helped to point out the signposts that were leading her along It is said that there are as many paths as there are people and that is never more true than when we try comparing our life with another's Even if we follow the same teacher we will all have a unique experience of the teachings Robyn's asked for and found some profound teachers Each had something important to pass on to her One of her teachers came in the guise of an obnoxious travelling companion another as a baby and another as a boot camp instructor Other moments came through more traditional spiritual practises of meditation and mysticism Robyn's story shows us to value all the moments in our lives for they all have significance Such is life it is so simple Yet complicated

Summerwode J Tullos Hennig, 2020-03-17 It is 1194 and the devil is indeed loose In Sherwood Forest Ransomed from captivity a Christian king rides through royal forest intent upon reclaiming his realm Yet the Shire Wode already has a king the Pagan outlaw known as Robyn Hood The Old Religion is regaining its strength through the emergence of the Ceugant the mystical trine of Winterking Summerlord and Maiden But amongst those who think to win the Maiden's notice there will be treachery of both heart and hand A Queen once gave a promise that the honour of Tickhill should be restored to its lord and the outlaws all given pardon Yet the price of such grace might well be more than any can afford The Templars have sent one of their own into the Shire Wode to untangle the enigma that bides in the ancient forest ways Yet that emissary is one with the enigma in ways they and he cannot begin to fathom And still it is the deepest and darkest of magics that could well rive apart the Ceugant Forever
