Rock Moon Rock Harmonies and Other Poems Doug Dahl,1995-06-01 Harmony Garden J. D. Schmidt,2013-12-16
This is the first complete study of China's most popular eighteenth century poet in any Western language. The work consists of a detailed biography, a study of Yuan's revolutionary reinterpretation of Chinese literary theory and an analysis of his many contributions to the more original genres of Qing dynasty 1644-1911 poetry such as narrative, historical, didactic, eccentric and nature verse. The study is concluded by a generous and representative sampling of Yuan's poetry in translation, the first to do justice to the wide variety and richness of his oeuvre. Although many shorter poems are selected, this is the first translation to include his outstanding longer poetry. Harmony Garden will completely revise current attitudes in the West concerning classical Chinese literature during the eighteenth century, a period that was long viewed as one of decline but now appears to equal the golden ages of antiquity. *A Continuous Harmony* Wendell Berry,2012-04-12 This book is broad and leisurely and important. Something like the river itself on which Wendell Berry lives. It is full of wide and flowing thoughts and one thing leads to another in the manner that nature intended or used to. The language ranges from the grave and beautiful to the sharp and specific depending on the need to express the vast variety of subjects he presents. The Nation. The title of this book is taken from an account by Thomas F. Hornbein on his travels in the Himalayas. It seemed to me. Hornbein wrote that here man lived in continuous harmony with the land as much as briefly a part of it as all its other occupants. Wendell Berry's second collection of essays *A Continuous Harmony* was first published in 1972 and includes the seminal *Think Little* which was printed in *The Last Whole Earth Catalogue* and reprinted around the globe and the splendid centerpiece *Discipline and Hope*, an insightful and articulate essay making a case for what he calls a new middle.
