Pop Goes the Decade Ralph G. Giordano, 2017-06-05 Covering significant historical and cultural moments public figures and celebrities art and entertainment and technology that influenced life during the decade this book documents the 1950s through the lens of popular culture On the surface the 1950s was a time of post war prosperity and abundance However in spite of a relaxation of immigration policies the good life in the 50s was mainly confined to white non ethnic Americans A new Cold War with the Soviet Union intended to contain the threat of Communism and the resulting red scare tinged the experience of all U S citizens during the decade This book examines the key trends people and movements of the 1950s and inspects them within a larger cultural and social context By highlighting controversies in the decade readers will gain a better understanding of the social values and thinking of the time The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension between established norms of conformity and those figures that used pop culture as a broad avenue for change either intentionally or by accident **Media Today** Joseph

Turow, 2013-10-15 Media Today uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world Through the convergence lens they learn to think critically about the role of media today and what these changes mean for their lives presently and in the future The book's media systems approach helps students to look carefully at how media is created distributed and exhibited in the new world that the digital revolution has created In this way Media Today goes beyond the traditional mass communication textbook's focus on consuming media to give students an in **The Oxford Handbook of Religion and the Arts** Frank Burch Brown, 2018 This volume offers 37 original essays from leading scholars on the crucial topics issues methods and resources for studying and teaching religion and the arts

The Arts in the 1970s Bart Moore-Gilbert, 2013-02-01 Were the 1970s really the devil's decade Images of strikes galloping inflation rising unemployment and bitter social divisions evoke a period of unparalleled economic decline political confrontation and social fragmentation But how significant were the pessimism and self doubt of the 1970s and what was the legacy of its cultural conflicts Covering the entire spectrum of the arts drama television film poetry the novel popular music
