string of tragic plane crashes Otis Redding was only twenty six yet already the avatar of a new kind of soul music The beating heart of Memphis based Stax Records he had risen to fame belting out gospel flecked blues in stage performances that seemed to ignite not only a room but an entire generation If Berry Gordy's black owned kingdom in Motown showed the way in soul music Redding made his own way going where not even his two role models who had preceded him out of Macon Georgia Little Richard and James Brown had gone Now in this transformative work New York Times Notable Book author Mark Ribowsky contextualizes his subject's short career within the larger cultural and social movements of the era tracing the crooner's rise from preacher's son to a preacher of three minute soul sermons And what a quick rise it was At the tender age of twenty one Redding needed only a single unscheduled performance to earn a record deal his voice so utterly unique Atlantic that it catapulted him on a path to stardom and turned a Memphis theater turned studio into a music mecca Soon he was playing at sold out venues across the world from Finsbury Park in London to his ultimate conquest the 1967 Monterrey Pop Festival in California where he finally won over the flower power crowd Still Redding was not always the affable big hearted man's man the PR material painted him to be Based on numerous new interviews and prodigious research Dreams to Remember reintroduces an incredibly talented yet impulsive man one who once even risked his career by shooting a man in the leg But that temperament masked a deep vulnerability that was only exacerbated by an industry that refused him a Grammy until he was in his grave even as he shaped the other Stax soul men around him like Wilson Pickett Sam and Dave and Booker T and The MG's As a result this requiem is one of great conquest but also grand tragedy a soul king of truth a mortal man with an immortal voice and a pain in his heart Now he and the forces that shaped his incomparable sound are reclaimed giving us a panoramic of an American original who would come to define an entire era yet only wanted what all men deserve a modicum of respect and a place to watch the ships roll in and away again **Billboard** ,1982-05-15 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,1982-12-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,1974-11-30 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **RUNAWAY - The Del Shannon Story** Brian C.
