Lee Cooper, Rebecca A. Condon, 2004-04-30 The function of print resources as instructional guides and descriptors of popular music pedagogy are addressed in this concise volume Increasingly public school teachers and college level faculty members are introducing and utilizing music related educational approaches in their classrooms This book lists reports dealing with popular music resources as classroom teaching materials and will stimulate further thought among students and teachers It focuses on the growing spectrum of published scholarship available to instructors in specific teaching fields art geography social studies urban studies and so on as well as on the multitude of general resources including biographical directories and encyclopedias

of artist profiles Building on two recent publications Teaching with Popular Music Resources A Bibliography of Interdisciplinary Instructional Approaches Popular Music and Society XXII no 2 Summer 1998 and American Culture Interpreted through Popular Music Interdisciplinary Teaching Approaches Bowling Green State University Popular Press 2000 this volume focuses on the growing spectrum of published scholarship that is available to instructors in specific teaching fields art geography social studies urban studies and so on as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles Cataloging Sound Recordings Deanne Holzberlein, Dolly Jones, 1988 At last a manual that takes the chore out of cataloging sound recordings The author clarifies the AACR2 rules Anglo American Cataloging Rules 2nd edition and literally steps through the thought process used in cataloging a sound recording beginning with what to use as the source for the title through the physical description and series information All the examples of catalog cards presented ranging from the full gamut of 20th century music to spoken records and compact discs show the full level of descriptive cataloging The appendixes make this a practical worker's manual they include order and content of cataloging notes order of parts in a uniform title a glossary of musical terms and acronyms a list of basic reference books and thematic indexes a complete set of catalog cards and the Library of Congress rule interpretations for sound recordings The detailed indexes enhance this important book's utility **"The" Rock Who's who** Brock Helander, 1982 **Popular Music** Roman Iwaschkin, 2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope **Blues, Funk, Rhythm and Blues, Soul, Hip Hop, and Rap** Eddie S. Meadows, 2010-06-10 Despite the influence of African American music and study as a worldwide phenomenon no comprehensive and fully annotated reference tool currently exists that covers the wide range of genres This much needed bibliography fills an important gap in this research area and will prove an indispensable resource for librarians and scholars studying African American music and culture Music Reference and Research Materials Vincent Harris Duckles, Ida Reed, Michael A. Keller, 1997 This text has been the standard guide to source literature of music and contains critically annotated listings of over 3 500 key sources This comprehensive guide to reference sources is organized into chapters by category of source The text's organization introduces students to a vast array of sources to include Dictionaries and Encyclopedias Histories and Chronologies Sources of Systematic and Historical Musicology Bibliographies of Music Music Literature and Music Business Reference Works on Individual Composers and Their Music Catalogs of Libraries and Musical Instrument Collections Discographies Yearbooks Directories Electronic Resources *Checklist of Writings on American Music, 1640-1992* Guy A. Marco, 1996 Cumulative index to all three volumes of Literature of American Music in Books and Folk Music Collections **The Rockin' '50s** Brock Helander, 1998 Presents discographies and biographical information on rock musicians who were popular during the 1950s including Elvis Presley Jerry Lee Lewis Bo Diddley and The Platters

Literature of American Music III, 1983-1992 Guy A. Marco, 1996 Literature of American Music III 1983 1992 is the second supplement to the original Literature of American Music in Books and Folk Music Collections Taken together the three volumes provide a comprehensive inventory of the 5 100 books representing the core literature on American music This volume cites and critically annotates monographs on American music published from 1983 to 1992 but does not include literature in folk music collections More than 1 300 entries cover all aspects of American music including folk blues jazz rock music of major cities festivals the music industry instruments music education and music for TV and film Entries are arranged according to Library of Congress classification numbers which allows librarians to check their own holdings Each citation provides full imprint data ISBN facts about earlier editions series notes references to reviews in standard media descriptions of favorable and unfavorable features and special notes of reference elements such as indexes and bibliographies Includes title and subject indexes Author indexing is included in the Checklist of Writings on American Music 1640 1992 *Reference and Subscription Books Reviews* ,1990 The Literature of American Music in Books and Folk Music Collections, Supplement David Horn,Richard Jackson,1988-06 As the supplement of the first volume published in 1977 this volume contains annotations for books published from mid 1975 to the end of 1980 In addition unannotated listing covering 1981 85 imprints are included *Walford's Guide to Reference Material* Albert John Walford,Anthony P. Harvey,Laurence John Taylor,H. Drubba,1980 **Music Cataloging Bulletin** ,1989 **The New Grove Dictionary of Music and Musicians: Appendixes** Stanley Sadie,John Tyrrell,2001 This reference classic has approximately doubled in size since its last publication 20 years ago and the expansion involves more than the thorough revision and addition of articles about music of the past More articles about 20th century composers and composer performers have been added as well as topical articles about the gender related multicultural and interdisciplinary ways that music is now being studied Add to these changes that New Grove is also available online making it a source that would have made its many faceted creator Sir George Grove proud Outstanding reference sources American Libraries May 2002 **Popular Singers of the Twentieth Century** Robert H. Cowden,1999-07-30 This guide to the biographical literature available on popular 20th century singers covers nearly 1000 artists Much of the literature cited is also cross referenced to major biographical dictionaries encyclopedias and relevant periodicals Entries not only list known publications associated with popular singers but also incorporate elements of analytical and descriptive bibliography The artists included in this volume increasingly cross musical boundaries The popular singer category therefore encompasses Broadway Hollywood cabaret and operetta performers as well as recording artists Scholars of popular music and popular music enthusiasts will appreciate the extensive research this work embodies Divided among three sections citations are arranged alphabetically and include information about literature published through 1997 An appendix of additional artists and an index complete the volume
