Joel Schwartz

Rockefeller New York A Tour By Henry Hope Reed:

Rockefeller, New York Henry Hope Reed, 1988 Genealogies Cataloged by the Library of Congress Since 1986 Library of Congress, 1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress **Titan** Ron Chernow, 2007-12-18 National Book Critics Circle Award Finalist From the acclaimed award winning author of Alexander Hamilton here is the essential endlessly engrossing biography of John D Rockefeller Sr the Jekyll and Hyde of American capitalism In the course of his nearly 98 years Rockefeller was known as both a rapacious robber baron whose Standard Oil Company rode roughshod over an industry and a philanthropist who donated money lavishly to universities and medical centers He was the terror of his competitors the bogeyman of reformers the delight of caricaturists and an utter enigma Drawing on unprecedented access to Rockefeller's private papers Chernow reconstructs his subjects troubled origins his father was a swindler and a bigamist and his single minded pursuit of wealth But he also uncovers the profound religiosity that drove him to give all I could his devotion to his father and the wry sense of humor that made him the country's most colorful codger Titan is a magnificent biography balanced revelatory elegantly written **Титан. Жизнь Джона**

Рокфеллера Рон Черноу, 2020-10-26 **Art Deco New York** David Lowe, 2004 Art Deco New York takes readers on a historically rich and visually spectacular journey through New York in the early decades of the 20th century when the style known as art deco with its emphasis on machine tooled elegance and sleekness of line replaced the voluptuous beaux arts style that preceded it It was an era when floating art deco palaces like the Normandie and the Queen Mary and elegant speedy trains like Henry Dreyfuss redesigned Twentieth Century Limited transformed the way people perceived travel There are dazzling photographs many never before published of such art deco icons as Schultze and Weaver's soaring Waldorf Astoria Joseph Urban's Zeigfeld Theater and Central Park Casino and the sky piercing spire of William Van Alen's Chrysler Building This book takes a wise witty and intimate look at a style that came to New York via Paris in the 1920s and almost overnight became a quintessential symbol of modernity The public's already strong interest in art deco will be enhanced by two major art deco exhibits to be mounted 2004 and 2005 Author is a leading authority on art deco A perfect book for lovers of New York and architecture **The New York Approach** Joel Schwartz, 1993 Joel Schwartz's major reinterpretation of urban development in New York City examines Robert Moses's role in shaping the city and demonstrates for the first time that Moses's personal and ruthless crusade to redevelop New York's neighborhoods was actually sustained by his alliance with liberal city groups After World War II New York City forged ahead with urban renewal made possible by Title I of the Housing Act of 1949 While Title I was meant to help big cities replace slums with middle class housing New York instead used the program to replace housing for the poor with high rent apartments medical centers and university campuses When Title I became synonymous with callous relocation and Negro removal New Yorkers blamed Robert Moses the legendary

construction czar While many concluded that Moses's high handed ways were behind much that went wrong with their city few could explain how he operated in a town famous for its feisty neighborhoods liberal politics and pioneer interracialism From exhaustive research in previously unexamined archives Schwartz demonstrates the extent to which Moses was abetted by liberal city leaders He describes how insiders deals for choice Title I sites emerged from the old ambitions of neighborhood civic groups and public housing advocates and argues that urban liberals had long been prepared to sacrifice working class neighborhoods for the city efficient He explodes the myth of neighborhood resistance to Moses in Greenwich Village the Upper West Side and Morningside Heights and instead finds steady collaboration of local civic leaders Joel Schwartz's complex disturbing portrait of Robert Moses and the civic leaders who sustained his power will surprise and enlighten readers interested in the evolution and development of New York and of today's post industrial cities

Beaux-arts Architecture in New York Edmund Vincent Gillon, Henry Hope Reed, 1988-01-01 Discusses the Beaux Arts style in architecture and shows and describes examples among the hotels banks apartment buildings museums offices and monuments of Manhattan New York-New Jersey ,1966 **Mr. Flagler's St. Augustine** Thomas Graham, 2022-04-12

Arguably no man did more to make over a city or a state than Henry Morrison Flagler Almost single handedly he transformed the east coast of Florida from a remote frontier into the winter playground of America's elite Mr Flagler's St Augustine tells the story of how one of the wealthiest men in America spared no expense in transforming the country's Oldest City into the Newport of the South He built railroads into remote areas where men feared to tread and erected palatial hotels on swampland He funded hospitals and churches and improved streets and parks The rich and famous flock **Classical New York** Elizabeth Macaulay-Lewis, Matthew McGowan, 2018-09-04 Essays on the historical Greco Roman influence on the evolving architectural landscape of New York City During its rise from capital of an upstart nation to global metropolis the visual language of Greek and Roman antiquity played a formative role in the development of New York's art and architecture This compilation of essays offers a survey of diverse reinterpretations of classical forms in some of the city's most iconic buildings public monuments and civic spaces Classical New York examines the influence of Greco Roman thought and design from the Greek Revival of the late eighteenth and early nineteenth centuries through the late nineteenth century American Renaissance and Beaux Arts period and into the twentieth century's Art Deco At every juncture New Yorkers looked to the classical past for knowledge and inspiration in seeking out new ways to cultivate a civic identity and to structure their public and private spaces Specialists from a range of disciplines archaeology architectural history art history classics and history focus on how classical art and architecture are repurposed to help shape many of New York City's most evocative buildings and works of art Federal Hall evoked the Parthenon as an architectural and democratic model the Pantheon served as a model for the creation of libraries at New York University and Columbia University Pennsylvania Station derived its form from the Baths of Caracalla and Atlas and Prometheus of Rockefeller Center recast ancient myths in a new light during the

Great Depression This examination of post Revolutionary art politics and philosophy enriches the conversation about how we shape space be it civic religious academic theatrical or domestic and how we make use of that space and the objects in it

The Big Onion Guide to New York City Seth I. Kamil, Eric Wakin, 2012-04-01 A guide to a variety of witty informative walking tours in New York City Whether you re a tourist or a native New Yorker you will appreciate this witty informative walking guide to New York City as authors Seth Kamil and Eric Wakin peel back the layers of New York s most popular neighborhoods Here in one volume are their award winning tours In their Immigrant New York tour you can take a walk on the Bowery the most infamous street in the city and learn how the city s finest roadway became America s Skid Row In Before Stonewall you ll discover the many facets of gay and lesbian history and trace the development of Greenwich Village as a cultural mecca From SoHo to the Upper West Side from Harlem to Brooklyn there s something in The Big Onion Guide for everyone The authors show how it was nothing new when Mayor Giuliani was unable to ban sales by immigrant mobile food vendors The Guide takes us to the place where the Dutch tried to ban street side sales by Scottish peddlers 350 years ago and where the great Fiorello La Guardia banned most of the pushcart salesmen at midcentury But Kamil and Wakin are not nostalgists or preservationists Instead their historical tours connect today s city with the snapshots of yesterday blending social and cultural history with the evolution of different ethnic and cultural communities The Big Onion Guide includes ten walking tours plus a 5 borough driving tour peppered with informative sidebars illustrations and photos from the collection at the New York Historical Society Visit the Big Onion Guide to New York City site at www.nyupress.org/bigonion

New York Magazine ,1968-07-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

New York Architecture Amanda Johnson, 2003 This newest title in the Universe architecture series is a popular survey and iconic history of New York City architecture A must have for architects students and New Yorkers the book includes an in depth study of twenty five of New York s most important buildings Organized chronologically the projects cover the major architectural periods in New York as affected by changes in the city s population economy politics and historic events The book examines such classic landmarks as Grand Central Station the Flatiron Building and Gracie Mansion such renowned skyscrapers as the Woolworth Building the Chrysler Building and the Empire State Building and recent architectural masterpieces such as the LVMH building completed a year ago

I Love New York Guide Marilyn J. Appleberg, 1988 Features a wealth of information on New York s buildings and landmarks public events noted sights and less known points of interest

The Architecture of Delano & Aldrich Peter Pennoyer, Anne Walker, 2003 The firm of Delano Aldrich occupied a central place in the United States in the first half of the twentieth century substantially shaping the

architectural climate of the period **The Encyclopedia of New York City** Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis *Crabgrass Frontier* Kenneth T. Jackson, 1987-04-16 This first full scale history of the development of the American suburb examines how the good life in America came to be equated with the a home of one's own surrounded by a grassy yard and located far from the urban workplace Integrating social history with economic and architectural analysis and taking into account such factors as the availability of cheap land inexpensive building methods and rapid transportation Kenneth Jackson chronicles the phenomenal growth of the American suburb from the middle of the 19th century to the present day He treats communities in every section of the U S and compares American residential patterns with those of Japan and Europe In conclusion Jackson offers a controversial prediction that the future of residential deconcentration will be very different from its past in both the U S and Europe *New York 1930* Robert A. M. Stern, Gregory Gilmartin, Thomas Mellins, 1987 Highly esteemed by architects and New York history enthusiasts *New York 1930* focuses on the development of many of the landmark structures and the built environment of New York including the parks highways and entertainment districts **On the Rise** Paul Goldberger, 1985 *New York Magazine*, 1984-07-16 *New York Magazine* was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Unveiling the Power of Verbal Art: An Psychological Sojourn through **Rockefeller New York A Tour By Henry Hope Reed**

In a world inundated with screens and the cacophony of instantaneous conversation, the profound power and psychological resonance of verbal beauty often fade in to obscurity, eclipsed by the regular barrage of noise and distractions. Yet, situated within the lyrical pages of **Rockefeller New York A Tour By Henry Hope Reed**, a interesting perform of literary brilliance that pulses with organic feelings, lies an unforgettable journey waiting to be embarked upon. Published by a virtuoso wordsmith, this mesmerizing opus courses visitors on a psychological odyssey, delicately exposing the latent potential and profound influence stuck within the elaborate web of language. Within the heart-wrenching expanse of the evocative analysis, we shall embark upon an introspective exploration of the book is key styles, dissect its fascinating writing type, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
