The Rock-'n'-Roll Guide to Grammar and Style Michael J. Zerbe,2019-04-16 Believe it or not you can use your favorite Rock n Roll song titles to show you clearly and concisely how English grammar and style work and it s fun Inspired

by a lifelong love of music and language this book captures the brilliant bond between music and language using song titles as an innovative and memorable way to teach grammar and style The book does not critique grammar and style use in Rock n Roll song titles Instead it celebrates this use and demonstrates different kinds of sentences parts of speech verb tenses stylistic figures of speech and more The book starts with short but complete sentences song title subject verb combinations of songs you know such as Love hurts and Voices carry The patterns of English grammar and style then become strikingly visible when you see them in the titles of Rock n Roll songs you love all the way from the 1950s to today Chicken Soup for the Teenage Soul The Real Deal School Jack Canfield, Mark Victor Hansen, 2012-09-25 School It s frustrating it s boring it s embarrassing But it s also thought provoking challenging and full of possible friends And until you turn 18 like it or not it s just about your whole life So what s the deal Chicken Soup for the Soul knows that school is more than classes and tests It s also a social scene filled with cliques clubs and life changing decisions or so it seems this week It s where you meet your best friends and run into your worst enemies And it s an opportunity to figure out what you want to do whether it s kick a soccer ball play the trombone or act in a play Sometimes it s overwhelming and confusing but don t worry it s like that for everyone That s what the stories in this book are all about They re from real teens and they re about the bizarre embarrassing and sometimes triumphant things that really happened to them And they re here to give you some perspective on everything that goes down at your school and outside of it too Put that together with weird facts cool graphics fun advice and quizzes designed to help you figure out who you are and what you re up to and you ve got the real deal on school full of all the laughter tears and daily drama that life is all about *New-York Observer* ,1910 *Normal Instructor and Teachers World* ,1922
