Miller,2007 Rockin the Rockpile is a complete

and comprehensive history of the Buffalo Bills AFL era from the first meetings of the Foolish Club to the eventual merger with the senior NFL and it brings to life the stories of a bygone time that fans regard as Buffalo's golden age of sport. Rockin' the Rockpile resonates with the words of the men who lived it. More than 60 former players, coaches and administrative staff including Ralph Wilson shared their thoughts and memories for this book. As this book was intended as a collective memoir of the Buffalo Bills AFL era, those interviews constitute the foundation upon which this book was written. It offers the average fan a glimpse into the locker room, film room, whirlpool, coach's office, press box as well as the huddle to see and hear just what the players and coaches were thinking or saying during a significant game or play. The Buffalo Bills of the 1960s represent a special time in the collective conscience of Buffalonians, a time when their team was twice champion of the renegade American Football League and when Jack Kemp, Billy Shaw, Cookie Gilchrist, Mike Stratton, Tom Sestak, Elbert Dubenion, Ron McDole and O.J. Simpson captured the imagination of an entire community. They were the antithesis of the high-scoring, pass-happy AFL. When high-powered offenses were the main attraction, the Bills competed and won with a ball control offense and a stingy defense. For three consecutive years, Buffalo's defensive unit was the best in the league and was one of the best throughout the AFL's history. Western New Yorkers loved this team and its successful approach. The Buffalo Bills mirrored the community they represented.

Know it All, Find it Fast for Youth Librarians and Teachers Christine A. Donnelly, 2012

A brand new version of the best-selling enquiry desk reference text *Know it All Find it Fast* specifically designed for those working with children and young people in schools, public libraries and at home. Including an invaluable overview of the education system and the school curriculum as well as a comprehensive listing of useful resources by topic, this A-Z covers school subjects from science and maths to reading and literacy and more general themes such as children's health, wellbeing and hobbies. Each topic is broken down into useful sections that will help to guide your response. Typical questions outline common queries such as 'Have you got any information about volcanoes?' Considerations provides useful hints and tips. i.e. Geography now encompasses not only physical and human geography but also environmental geography, social geography, geology and geopolitics. Where to look lists relevant printed, digital and online resources with useful annotations explaining their scope and strengths. Readership: This is the must-have quick reference tool arming librarians and teachers with the knowledge to deal with any queries thrown at them from children and young people as well as their parents and caregivers. It will also be a handy reference for parents and anyone working with children and young people in other organizations such as homework clubs and youth workers.
