Silverman,2019-04-03 The first book to explore the life and extraordinary work of the legendary moviemaker who directed Singin in the Rain On the Town and Funny Face from the author of David Lean Silverman has captured one of the world s truly great filmmakers Billy Wilder Stanley Donen is the man who forever changed the Hollywood musical moving it away from the Busby Berkeley extravagance to a felt integration of the songs and dances He is also the man who helped shape the sophisticated romance exemplified by Indiscreet and Charade The author with Donen s cooperation has brilliantly revealed Donen s fifty year career first in the theater next in Hollywood and then abroad We see Donen s collaborations with Fred Astaire Cary Grant Gene Kelly and Frank Sinatra And we see his work with Rodgers and Hart Alan Lerner Comden and Green Roger Edens Arthur Freed Michael Kidd and Bob Fosse We watch Donen growing up in the South in the 1930s seeking refuge at movies watching Fred Astaire dance on the screen and forever changed by it And then at sixteen fleeing to New York where he lands his first job in the chorus of the groundbreaking musical Pal Joey directed by George Abbott starring Gene Kelly and appearing next in Best Foot Forward We follow Donen west to MGM first he was a chorus boy then assistant choreographer next embellishing Anchors Aweigh dreaming up the almost technically impossible notion of having its star Gene Kelly dance with a cartoon character Jerry the Mouse and in the next decade making one great musical after another We hear Donen s recollections of life and work on the sets of Singin in the Rain Royal Wedding Funny Face Seven Brides for Seven Brothers On the Town The Pajama Game

Indiscreet Charade Two for the Road Arabesque Bedazzled and other movies he directed We see him through the eyes of more than one hundred of his contemporaries whom in addition to Donen himself Silverman has interviewed at length from Kay Thompson and Billy Wilder to Deborah Kerr Audrey Hepburn Debbie Reynolds Gregory Peck and Cyd Charisse Dancing on the Ceiling gives close up a great director and a lost Hollywood on whose silver screen wit and charm abounded *The Instrumentalist* ,2004 *Unfinished Show Business* , In this fresh approach to musical theatre history Bruce Kirle challenges the commonly understood trajectory of the genre Drawing on the notion that the world of the author stays fixed while the world of the audience is ever changing Kirle suggests that musicals are open fluid products of the particular cultural moment in which they are performed Incomplete as printed texts and scores musicals take on unpredictable lives of their own in the complex transformation from page to stage Using lenses borrowed from performance studies cultural studies queer studies and ethnoracial studies *Unfinished Show Business Broadway Musicals as Works in Process* argues that musicals are as interesting for the provocative issues they raise about shifting attitudes toward American identity as for their show stopping song and dance numbers and conveniently happy endings Kirle illustrates how performers such as Ed Wynn Fanny Brice and the Marx Brothers used their charismatic personalities and quirkiness to provide insights into the struggle of marginalized ethnoracial groups to assimilate Using examples from favorites including Oklahoma Fiddler on the Roof A Chorus Line and Les Mis rables Kirle demonstrates Broadway s ability to bridge seemingly insoluble tensions in society from economic and political anxiety surrounding World War II to generational conflict and youth counterculture to corporate America and the me generation Enlivened by a gallery of some of Broadway s most memorable moments and some amusing obscure ones as well this study will appeal to students scholars and lifelong musical theatre enthusiasts [A Ship Without A Sail](#) Gary Marmorstein,2013-07-16 Lorenz Hart together with Richard Rodgers created some of the most beautiful and witty songs ever written Here is the story of the strikingly unromantic life of this songwriting genius His lyrics spin with brilliance and sophistication yet at their core is an unmistakable wistfulness Rodgers and Hart who wrote approximately thirty Broadway musicals and dozens of songs for Hollywood films were an odd couple Rodgers was precise punctual heterosexual handsome and eager to be accepted by society Hart was barely five feet tall alcoholic homosexual and more comfortable in a bar or restaurant than anywhere else His lyrics are all the more remarkable considering that he never sustained a romantic relationship living his entire life with his mother who died only months before his own death at 48 Biographer Marmorstein superbly portrays the life of this exuberant yet troubled artist From publisher description
