COVER     Rodin Monique Laurent, 1990 When Auguste Rodin died in 1917 there was an extraordinary outburst of sentiment throughout the world comparable with the death of great statesmen like de Gaulle or Churchill He had become a national and an international hero Born in Paris in 1840 in relatively humble circumstances he achieved greatness through the exercise over long life of a prodigious talent As an exact contemporary of Claude Monet he inhabited the world of the Impressionists But he followed a different path combining his pursuit of the ideals of classical sculpture with an astonishingly sensuous individualism     **Rodin** Auguste Rodin, 2001 Rodin was considered the most famous sculptor of his time not only in France but throughout Europe America and Australia The expressive liberty and emotional intensity of Rodin s figures had an enormous impact on the culture and the art of the entire twentieth century This compact book illustrates a significant group of works which represent Rodin s entire artistic career sculptures drawings and watercolors as well as contemporary photographs The selection of sculpture is supplemented by outstanding drawings made by Rodin around 1900 at the height of his career The presentation of these exciting works on paper along with the sculptures gives insight into Rodin s working process They also reveal a more intense and less dramatic side of his genius The book includes contributions by Jorg Zutter Antoinette Le Normand Romain Claudie Judrin Jaynie Anderson and Paul Paffen
