**Burnt Toast and Other Disasters** Cal Peternell, 2024-04-16 A gifty funny and practical guide to transforming the most lackluster of ingredients into a delicious meal making bad food good and making good food even better from the author of the New York Times bestselling and IACP Award winning Twelve Recipes Dinner is looking meh. Maybe the stove was left unattended for just a second too long for your original plan maybe the on sale meat at the supermarket isn't looking quite worth the savings after two days in the fridge. Do you waste food and time trying to start from scratch or money ordering takeout. No you face up to the facts step up your game and transform that cooking conundrum into a delicious meal. The best way to do that. Follow the guidance of Cal Peternell a chef coming out of the restaurant kitchen to meet cooks where they are with this funny practical manual for making Bad Food Good. Though many pro chefs may be able to get their sustainably sourced locally grown 100 percent grass fed organic ingredients and gently guide them through careful preparation to a simply sublime dish most of us don't achieve farm to table perfection in every step of the process. From facing down third day leftovers that have lost a little of their luster to the limits of their local supermarket's quality many home cooks start at a disadvantage. With his signature dry wit and years of experience cooking for everyone from high end restaurant patrons to his hungry family Cal Peternell is here to level the playing field with this
