of its football team and its athletic director Basketball coach Denny Crum had taken the Cardinals to two NCAA Final fours in his first four seasons Louisville had not been able to win the great prize but its runs had given rise to great expectations His next four squads burst out of the blocks with lightning speed too When each one wheezed in late February and came to a halt in mid March however great hopes turned into great grumblings Could Crum ever win the big one Eighty three minutes and 27 seconds into the season the fifth starter Scooter McCray went out for good with a torn knee ligament His replacement was brother Rodney a freshman who had arrived in poor condition and with a poor attitude We ll be lucky to win 15 games Crum said He had never won fewer than 20 in any of his eight campaigns but no one argued with this pronouncement Yet with a rookie three sophomores and star Darrell Griffith and his 48 inch vertical leap in the lineup strange zany and enchanting things began to happen Wiley Brown was given a bionic thumb and the prosthesis not only apparently helped his rebounding but also stayed on most of the time Manchild small forward Derek Smith talked of being from Jupiter one night and snatched 15 rebounds with his Goliath sized hands the next Reserve Roger Burkman s demolition derby aggression earned him the pen name Instant Defense while sub PonchoWright s cloud tickling jumpers and jaw dropping dunks got him the Instant Offense title Rodney McCray transformed himself into an indispensable man not overnight but over the course of a few minutes when his sibling went down Above all this quite literally and figuratively was Griffith He led as an athlete by his graciousness and classy demeanor They became a team that put winning above everything Each of them would have welcomed any of the others into a foxhole The discombobulated basketball team set an impossibly high standard of bonding through diversity and adversity and promptly answered that question posed by Crum s peers Yes he could win the big one **The Golden Fleece**

Tom Carhart,2017-09 In the fall of 1965 West Point cadet Tom Carhart and five of his classmates from the U S Military Academy pulled off a feat of extraordinary ingenuity precision and raw guts the theft of the billy goat mascot from their rival the U S Naval Academy at Annapolis just before the biggest football game of the year The U S forces in Vietnam were then at two hundred thousand and growing with casualties spiking and the men in West Point s class of 1966 were well aware that they would serve and quite possibly die in that far off war But West Point s motto Duty Honor Country affirms that its graduates will always obey the decisions of our elected government and the men of 66 were dutiful of the 579 who graduated 30 died in Vietnam and roughly five times that number were wounded Since this would be the men s last Army Navy football game as cadets they wanted to go out with a bang not a whimper Carhart tells the incredible true story of how in stealing that Navy goat the cadets unknowingly reenacted the story of Jason and the Golden Fleece from Greek mythology The caper is interwoven with an insider s narrative about the private lives of six West Point cadets in the early 1960s who against all odds hurled their last hurrah of triumph to America before flying off to fight its wretched war in Vietnam For more information about The Golden Fleece visit carhartthegoldenfleece.com *Jet* ,1983-11-21 The weekly source of African American political and entertainment news *Stuck in Halftime* Bob Buford,2010-06-23 Since the release of Halftime in

1994 more than 150 000 people have purchased that book and begun a journey from success to significance In a way that no one could have predicted Halftime started a widespread movement viewing midlife as an opportunity rather than a crisis It helped men and women between the ages of 35 and 50 realize they may have another thirty years of active vibrant living ahead of them And according to author Buford retirement is not the optimal option But now many of the people who began the journey from success to significance have found themselves sidetracked stuck in the middle of their transition Stuck in Halftime coaches readers how to get past the barriers that stand in their way to maturity and fulfillment It outlines eight myths of halftime and explains the new set of rules for this second half of life s journey Combining practical guidance with personal stories of people who have become unstuck Stuck in Halftime renews the vision and determination of those who heard the still small voice of God calling them to a life of significance

The US Sports Film: A Genre of American Dream Time Danny Gronmaier,2022-12-05 Sports and film are media that create time They are temporal not only in the sense that they are defined and regulated by certain temporalities as a result of processes of social negotiation but also in the sense of modulating and intervening in these processes in the first place They are determined by multiple temporalities referring to and aligning along perceptual corporeality but at the same time they also produce time through and along temporalities of bodily expression and perception Thus as much as we perceive and understand sports and film by means of our culturally coded conceptions of time this comprehension is itself already the product of these media s fabrication and modulation of certain audiovisual imaginations of time This book examines these imaginations with regard to US team sports feature films understanding the former as the latter s constitutive conflict which makes these films graspable as a genre in the first place By addressing temporality as an ever new crystallization of a heroic past and an unattainable future in a saturated yet volatile present this conflict connects substantially to the American Dream as an idea of community building historicity Departing from a non taxonomic approach in genre theory and such philosophical recognition of the American Dream as less an ideological narrative but more a social and socially effective imaginary embedded in an audiovisual discourse of time this book demonstrates the interrelation of sports cinema and American subjectivization along close readings of the poetics of affect of five exemplary sports films FIELD OF DREAMS WE ARE MARSHALL KNUTE ROCKNE ALL AMERICAN JIM
