Excerpt from *Life of Roger Brooke Taney Chief Justice of the United States Supreme Court* The presence of four men in Maryland secured in that State the success of the sympathizers with the Union in 1861 Three of these men were politicians and lawyers John Pendleton Kennedy Reverdy Johnson and Henry Winter Davis The fourth was a jurist Roger Brooke Taney The life of Kennedy was written by Tuckerman and needs not to be written again Those of Johnson and Davis it has been the

privilege of the author of this work to write The life of Taney has been written by Samuel Tyler and was published in 1872 That portly volume is invaluable to every student of Taney s life both because the author was a friend of the chief justice and gathered information which would otherwise have been lost and because the book contains a very valuable autobiography of Taney s early years Yet the book was styled by a contemporary reviewer as a panegyric rather than a biography was written uncritically is nearly fifty years old did not include the information now to be gained from Taney s correspondence with President Jackson and involved no full discussion of the subject s place as a jurist For these reasons it seemed worth while to have this book written the life of a Border State Federalist written by one who was brought up in the town where Taney practiced law for nearly a quarter of a century and who has lived for the whole of his adult life in the city which was Taney s residence during his judicial career About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
