Rolando Hinojosa Reader Essays Historical And Critical:

The Rolando Hinojosa Reader José David Saldívar, 1985 *The Rolando Hinojosa Reader* Jos? David Saldívar, 1985-04-30 This collection of critical essays addresses the complex relationship between contemporary literature theory and Chicano literature a literature that is not part of the traditional literary cannon The contributors including Yolanda Julia Broyles Hector Calderon Margarita Cot Contreras Lauro Flores Patricia de la Fuente Rolando Hinojosa Luis Leal Jos David Saldívar Ramon Saldívar María I Duke dos Santos and Rosaura Sánchez draw upon a diverse array of theories Marxist feminist post structuralist to make fresh critical comments not only on Rolando Hinojosa's work Klail City Death Trip series but also on literary theory today The Rolando Hinojosa Reader : Essays Historical and Critical José David Saldívar, 1985 **Rolando Hinojosa** Klaus Zilles, 2001 The first comprehensive interpretation of the work of a major figure in Chicano literature Klaus Zilles's study of the fourteen novels in Rolando Hinojosa's Klail City Death Trip series will appeal equally to the specialist to the student and to the interested reader of Hinojosa's intriguing and innovative Tejano novels The series is dedicated to revealing the suppressed oral history of Mexican Texas and to making the reader a companion on a quest for this elusive history Published between 1973 and 1998 the Klail City series ranges in historical time from the mid 1700s to the end of the twentieth century attesting to 250 years of Spanish Mexican presence in the Lower Rio Grande Valley of Texas The main body of Hinojosa's series however is set in fictitious Belken County located on the U S Mexico border and charts the lives of Hinojosa's two protagonists Rafe Buenrostro and his cousin Jeh Malacara two men raised in the rigidly segregated world of a South Texas farming community The Klail City series constitutes a truly novel approach to the novel each installment in the cycle differs from the one before it in genre the adult Buenrostro becomes a police detective and appears in several mystery novels in narrative style one novel is written entirely in verse while another takes epistolary form or in language Hinojosa writes in Spanish in English in Chicano idiom and in mixtures of all three Zilles accomplishment is to provide a critical guide to the complicated fictional world that Hinojosa creates By showing the profusion of forms and styles Hinojosa deploys Zilles reveals the true dimensions of Hinojosa's design What makes Zilles so refreshing is his style He writes in a language accessible to the average reader His work is solid informative thoughtful and useful I recommend it highly Juan Bruce Novoa Harvard University *Conversations with Contemporary Chicana and Chicano Writers* Hector Avalos Torres, 2007 Interviews with major Chicana/o authors are the basis for this examination of the commonality of issues in the work of each of them Narratives of Greater Mexico Héctor Calderón, 2004 Once relegated to the borders of literature neither Mexican nor truly American Chicana/o writers have always been in the vanguard of change articulating the multicultural ethnicities shifting identities border realities and even postmodern anxieties and hostilities that already characterize the twenty first century Indeed it is Chicana/o writers very in between ness that makes them authentic spokespersons for an America that is becoming increasingly Mexican Latin American and for a Mexico that is ever more

Americanized In this pioneering study Hector Calderón looks at seven Chicana and Chicano writers whose narratives constitute what he terms an American Mexican literature Drawing on the concept of Greater Mexican culture first articulated by Americo Paredes Calderón explores how the works of Paredes Rudolfo Anaya Tomás Rivera Oscar Zeta Acosta Cherríe Moraga Rolando Hinojosa and Sandra Cisneros derive from Mexican literary traditions and genres that reach all the way back to the colonial era His readings cover a wide span of time 1892-2001 from the invention of the Spanish Southwest in the nineteenth century to the América Mexicana that is currently emerging on both sides of the border In addition to his own readings of the works Calderón also includes the writers' perspectives on their place in American Mexican literature through excerpts from their personal papers and interviews correspondence and e-mail exchanges he conducted with most of them

The Dialectics of Our America José David Saldívar, 1991-10-31 Joining the current debates in American literary history José David Saldívar offers a challenging new perspective on what constitutes not only the canon in American literature but also the notion of America itself His aim is the articulation of a fresh transgeographical conception of American culture one more responsive to the geographical ties and political crosscurrents of the hemisphere than to narrow national ideologies Saldívar pursues this goal through an array of oppositional critical and creative practices He analyzes a range of North American writers of color Rolando Hinojosa Gloria Anzaldúa Arturo Islas Ntozake Shange and others and Latin American authors José Martí Roberto Fernández Retamar Gabriel García Márquez and others whose work forms a radical critique of the dominant culture its politics and its restrictive modes of expression By doing so Saldívar opens the traditional American canon to a dialog with other voices not just the voices of national minorities but those of regional cultures different from the prevalent anglocentric model The Dialectics of Our America in its project to expand the canon and define a pan American literary tradition will make a critical difference in ongoing attempts to reconceptualize American literary history **Encyclopedia**

of Hispanic-American Literature Luz Elena Ramirez, 2015-04-22 Presents a reference on Hispanic American literature providing profiles of Hispanic American writers and their works **Criticism in the Borderlands** Héctor Calderón, José David Saldívar, 1991-05-30 This pathbreaking anthology of Chicano literary criticism with essays on a remarkable range of texts both old and new draws on diverse perspectives in contemporary literary and cultural studies from ethnographic to postmodernist from Marxist to feminist from cultural materialist to new historicist The editors have organized essays around four broad themes the situation of Chicano literary studies within American literary history and debates about the canon representations of the Chicana/o subject genre ideology and history and the aesthetics of Chicano literature The volume as a whole aims at generating new ways of understanding what counts as culture and theory and who counts as a theorist A selected and annotated bibliography of contemporary Chicano literary criticism is also included By recovering neglected authors and texts and introducing readers to an emergent Chicano canon by introducing new perspectives on American literary history ethnicity gender culture and the literary process itself Criticism in the Borderlands is an agenda setting

collection that moves beyond previous scholarship to open up the field of Chicano literary studies and to define anew what is American literature Contributors Norma Alarcón Hector Calderón Angie Chabram Barbara Harlow Rolando Hinojosa Luis Leal Jos E Limón Terese McKenna Elizabeth J Ordóñez Genaro Padilla Alvina E Quintana Renato Rosaldo Jos David Saldívar Sonia Saldívar Hull Rosaura Sánchez Roberto Trujillo

How Myth Became History John Emory Dean, 2016-05-12 The myth of Texas origin often begins at the Alamo This story is based on ideology rather than on truth yet ideology is the foundation for the U S American cultural memory that underwrites official history The Alamo as a narrative of national progress supports the heroic acts that have created the Lone Star State a unified front of U S American liberty in the face of Mexican oppression How Myth Became History explores the formation of national ethnic racial and class identities in the Texas borderlands Examining Mexican Mexican American and Anglo Texan narratives as competing representations of the period spanning the Texas Declaration of Independence to the Mexican Revolution John E Dean traces the creation and development of border subjects and histories Dean uses history historical fiction postcolonial theory and U S Mexico border theory to disrupt official Euro American histories Dean argues that the Texas Mexico borderlands complicate national ethnic and racial differences He makes this clear in his discussion of the Mexican Revolution when many Mexican Americans who saw themselves as Mexicans fought for competing revolutionary factions in Mexico while others who saw themselves as U S Americans tried to distance themselves from Mexico altogether Analyzing literary representations of the border How Myth Became History emphasizes the heterogeneity of border communities and foregrounds narratives that have often been occluded such as Mexican Indio histories The border according to Dean still represents a contested geographical entity that destabilizes ethnic and racial groups Border dynamics provide critical insight into the vexed status of the contemporary Texas Mexico divide and point to broader implications for national and transnational identity

Mexican American Voices Steven Mintz, 2009-05-04 This short comprehensive collection of primary documents provides an indispensable introduction to Mexican American history and culture Includes over 90 carefully chosen selections with a succinct introduction and comprehensive headnotes that identify the major issues raised by the documents Emphasizes key themes in US history from immigration and geographical expansion to urbanization industrialization and civil rights struggles Includes a visual history chapter of images that supplement the documents as well as an extensive bibliography

A Concise Companion to Postwar American Literature and Culture Josephine Hendin, 2008-04-15 This Concise Companion is a guide to the creative output of the United States in the postwar period in its diverse energies shapes and forms Embraces diversity covering Vietnam literature gay and lesbian literature American Jewish fiction Italian American literature Irish American writing emergent ethnic literatures African American writing jazz film drama and more Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period Portrays the postwar United States split by differences of wealth and position by ethnicity and race and by agendas of left and right but united in the intensity of its

creative drive *Southwest Asia* Jayson Gonzales Sae-Saue, 2016-06-17 Chicana o literature is justly acclaimed for the ways it voices opposition to the dominant Anglo culture speaking for communities ignored by mainstream American media Yet the world depicted in these texts is not solely inhabited by Anglos and Chicanos as this groundbreaking new book shows Asian characters are cast in peripheral but nonetheless pivotal roles Southwest Asia investigates why key Chicana o writers including Am rico Paredes Rolando Hinojosa Oscar Acosta Miguel M ndez and Virginia Grise from the 1950s to the present day have persistently referenced Asian people and places in the course of articulating their political ideas Jayson Gonzales Sae Saue takes our conception of Chicana o literature as a transnational movement in a new direction showing that it is not only interested in North South migrations within the Americas but is also deeply engaged with East West interactions across the Pacific He also raises serious concerns about how these texts invariably marginalize their Asian characters suggesting that darker legacies of imperialism and exclusion might lurk beneath their utopian visions of a Chicana o nation Southwest Asia provides a fresh take on the Chicana o literary canon analyzing how these writers have depicted everything from interracial romances to the wars Americans fought in Japan Korea and Vietnam As it examines novels plays poems and short stories the book makes a compelling case that Chicana o writers have long been at the forefront of theorizing U S Asian relations

Brown Gumshoes Ralph E. Rodriguez, 2009-03-06 Winner Modern Language Association Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies 2006 Popular fiction with its capacity for diversion can mask important cultural observations within a framework that is often overlooked in the academic world Works thought to be merely escapist can often be more seriously mined for revelations regarding the worlds they portray especially those of the disenfranchised As detective fiction has slowly earned critical respect more authors from minority groups have chosen it as their medium Chicana o authors previously reluctant to write in an underestimated genre that might further marginalize them have only entered the world of detective fiction in the past two decades In this book the first comprehensive study of Chicano a detective fiction Ralph E Rodriguez examines the recent contributions to the genre by writers such as Rudolfo Anaya Lucha Corpi Rolando Hinojosa Michael Nava and Manuel Ramos Their works reveal the struggles of Chicanas os with feminism homosexuality familia masculinity mysticism the nationalist subject and U S Mexico border relations He maintains that their novels register crucial new discourses of identity politics and cultural citizenship that cannot be understood apart from the historical instability following the demise of the nationalist politics of the Chicana o movement of the 1960s and 1970s In contrast to that time when Chicanas os sought a unified Chicano identity in order to effect social change the 1980s 1990s and 2000s have seen a disengagement from these nationalist politics and a new trend toward a heterogeneous sense of self The detective novel and its traditional focus on questions of knowledge and identity turned out to be the perfect medium in which to examine this new self

Chicano Satire Guillermo Hernandez, 2014-07-24 Geographically close to Mexico but surrounded by Anglo American culture in the United States Chicanos experience many cultural tensions and contradictions

Their lifeways are no longer identical with Mexican norms nor are they fully assimilated to Anglo American patterns. Coping with these tensions knowing how much to let go of how much to keep is a common concern of Chicano writers who frequently use satire as a means of testing norms and deviations from acceptable community standards. In this groundbreaking study Guillermo Hernandez focuses on the uses of satire in the works of three authors Luis Valdez Rolando Hinojosa and Jos Montoya and on the larger context of Chicano culture in which satire operates. Hernandez looks specifically at the figures of the pocho the assimilated Chicano and the pachuco the zoot suiter or urbanized youth. He shows how changes in their literary treatment from simple ridicule to more understanding and respect reflect the culture's changes in attitude toward the process of assimilation. Hernandez also offers many important insights into the process of cultural definition that engaged Chicano writers during the 1960s and 1970s. He shows how the writers imaginatively and syncretically formed new norms for the Chicano experience based on elements from both Mexican and United States culture but congruent with the historical reality of Chicanos. With its emphasis on culture change and creation Chicano Satire will be of interest across a range of human sciences. Latino and Latina Writers Alan West, 2004. A two volume bio bibliographical and critical examination of numerous Cuban Dominican Chicano and Puerto Rican writers. Includes only authors who have published since 1960. Hispanic Immigrant Literature Nicolás Kanellos, 2011-07-01. Immigration has been one of the basic realities of life for Latino communities in the United States since the nineteenth century. It is one of the most important themes in Hispanic literature and it has given rise to a specific type of literature while also defining what it means to be Hispanic in the United States. Immigrant literature uses predominantly the language of the homeland it serves a population united by that language irrespective of national origin and it solidifies and furthers national identity. The literature of immigration reflects the reasons for emigrating records both orally and in writing the trials and tribulations of immigration and facilitates adjustment to the new society while maintaining links with the old society. Based on an archive assembled over the past two decades by author Nicolás Kanellos's Recovering the U S Hispanic Literary Heritage project this comprehensive study is one of the first to define this body of work. Written and recorded by people from Mexico Cuba Puerto Rico the Caribbean and Central and South America the texts presented here reflect the dualities that have characterized the Hispanic immigrant experience in the United States since the mid nineteenth century set always against a longing for homeland.

Migrant Song Teresa McKenna, 2010-07-05. Migration and continuity have shaped both the Chicano people and their oral and written literature. In this pathfinding study of Chicano literature Teresa McKenna specifically explores how these works arise out of social political and psychological conflict and how the development of Chicano literature is inextricably embedded in this fact. McKenna begins by appraising the evolution of Chicano literature from oral forms including the important role of the corrido in the development of Chicano poetry. In subsequent chapters she examines the works of Richard Rodriguez and Rolando Hinojosa. She also devotes a chapter to the development of the Chicana voice in Chicano

literature Her epilogue considers the parallel development of Chicano literary theory and discusses some possible directions for research In McKenna s own words I believe that the future of this literature as that of all literatures by people of color in the United States rests largely on its being effectively introduced into the curricula at all levels as well as its entrance into the critical consciousness of literary theory This book will be an important step in that process *Mexican Ballads, Chicano Poems* José E. Limón, 1992-07-24 Mexican Ballads Chicano Poems combines literary theory with the personal engagement of a prominent Chicano scholar Recalling his experiences as a student in Texas Jos Lim n examines the politically motivated Chicano poetry of the 60s and 70s He bases his analyses on Harold Bloom s theories of literary influence but takes Bloom into the socio political realm Lim n shows how Chicano poetry is nourished by the oral tradition of the Mexican corrido or master ballad which was a vital part of artistic and political life along the Mexican U S border from 1890 to 1930 Lim n s use of Bloom as well as of Marxist critics Raymond Williams and Fredric Jameson brings Chicano literature into the arena of contemporary literary theory By focusing on an important but little studied poetic tradition his book challenges our ideas of the American canon and extends the reach of Hispanists and folklorists as well **Hispanic-American Writers, New Edition** Harold Bloom, 2009 Presents a collection of critical essays analyzing modern Hispanic American writers including Junot Diaz Pat Mora and Rudolfo Anaya

Reviewing **Rolando Hinojosa Reader Essays Historical And Critical**: Unlocking the Spellbinding Force of Linguistics
