

Role Of The Military In Politic

Samuel Edward Finer

Role Of The Military In Politic:

The Man On Horseback Samuel Edward Finer, 1988-04-13 In this work Finer d 1993 he taught government at Manchester U and Oxford U UK proposes a paradigm for the role of the military in politics that is based on the inherent weakness of the military in politics on the one hand and their potential for intervention on the other The book was first published by Pall Mall Press in 1962 this new edition contains an introduction by Jay Stanley sociology Towson U who is on the advisory council and editor for the journal of the Inter University Seminar on Armed Forces and Society Annotation copyrighted by Book News Inc Portland OR

Political Roles and Military Rulers Amos Perlmutter, 2014-04-23 This book represents three decades of Perlmutter's experiences and observations The author studies the relationship between the military and politics in Middle East focusing mainly on Egypt as a case study He concludes by analysing the effect this internal relationship has on military performance

The Man on Horseback Samuel Finer, 2017-07-14 The role of the military in a society raises a number of issues How much separation should there be between a civil government and its army Should the military be totally subordinate to the polity Or should the armed forces be allowed autonomy in order to provide national security Recently the dangers of military dictatorships as have existed in countries like Panama Chile and Argentina have become evident However developing countries often lack the administrative ability and societal unity to keep the state functioning in an orderly and economically feasible manner without military intervention Societies of course have dealt with the realities of these problems throughout their histories and the action they have taken at any particular point in time has depended on numerous factors In the first world of democratic countries the civil military relationship has been thoroughly integrated and indeed by most modern standards this is seen as essential However several influential Western thinkers have developed theories arguing for the separation of the military from any political or social role Samuel Huntington emphasized that professionalism would presuppose that the military should intervene as little as possible in the political sphere Samuel E Finer in contrast emphasizes that a government can be efficient enough way to keep the civil military relationship in check ensuring that the need for intervention by the armed forces in society would be minimal At the time of the book's original publication perhaps as a consequence of a post World War II Cold War atmosphere this was by no means a universally accepted position Some considered the military to be a legitimate threat to a free society Today's post Cold War environment is an appropriate time to reconsider Finer's classic argument *The Man on Horseback* continues to be an important contribution to the study of the military's role in the realm of politics and will be of interest to students of political science government and the military

Political Armies Kees Koonings, Dirk Kruijt, 2002-05 Does the withdrawal of armies from direct rule in most countries herald an end to their role as actors in domestic politics Has political intervention by the military been superseded This comparative examination of the politicized armed forces looks at the consequences of military rule for nation building and economic development the effects of the passing of the Cold War and the rise of globalization on the political role of the

military the role of political armies in the consolidation of civil politics and democratic governance the lessons for policy makers in global governance and post conflict reconstruction The contributors build on successive theories about the role of the military in politics and look to the future The most threatening scenario may be a proliferation of armed actors and the rise of privatized forces of law and order The Man on Horseback Samuel Edward Finer,2002-08-01 The role of the military in a society raises a number of issues How much separation should there be between a civil government and its army Should the military be totally subordinate to the polity Or should the armed forces be allowed autonomy in order to provide national security Recently the dangers of military dictatorships as have existed in countries like Panama Chile and Argentina have become evident However developing countries often lack the administrative ability and societal unity to keep the state functioning in an orderly and economically feasible manner without military intervention Societies of course have dealt with the realities of these problems throughout their histories and the action they have taken at any particular point in time has depended on numerous factors In the first world of democratic countries the civil military relationship has been thoroughly integrated and indeed by most modern standards this is seen as essential However several influential Western thinkers have developed theories arguing for the separation of the military from any political or social role Samuel Huntington emphasized that professionalism would presuppose that the military should intervene as little as possible in the political sphere Samuel E Finer in contrast emphasizes that a government can be efficient enough way to keep the civil military relationship in check ensuring that the need for intervention by the armed forces in society would be minimal At the time of the book s original publication perhaps as a consequence of a post World War II Cold War atmosphere this was by no means a universally accepted position Some considered the military to be a legitimate threat to a free society Today s post Cold War environment is an appropriate time to reconsider Finer s classic argument The Man on Horseback continues to be an important contribution to the study of the military s role in the realm of politics and will be of interest to students of political science government and the military *Military Politics in Nigeria* Theophilus Olatunde Odetola,1978-01-01 *The Military in Thai Politics, 1981-86* Suchit Bunbongkarn,1987 This study documents the military s expansion into civilian affairs such as rural development peace keeping duties and mass mobilization in rural and urban areas In doing so the military has encroached upon the sphere of civilian politicians The military s view is that it is not only the guardian but the builder of democracy

Military Politics of the Contemporary Arab World Philippe Droz-Vincent,2020-10-29 Compares the crucial role of Arab armies in state building a decade after the 2011 Arab Uprisings in Tunisia Egypt Libya Yemen and Syria **The Military and Domestic Politics** Rebecca L. Schiff,2008-08-13 The intervention of the military in national politics and the everyday lives of citizens is a key question in civil military relations This book explains how concordance theory can provide a model for predicting such domestic intervention Models dealing with the relationship between the military and society are usually based on Western nations with power and influence and therefore may not be appropriate for the circumstances of

non Western countries By contrast concordance theory considers national contexts where the balance of military involvement in civilian life depends greatly on historical circumstances institutional nuances and cultural realities Using five case studies India Pakistan Israel Argentina and Post Revolutionary America this book challenges traditional views on the role of the military in society and offers convincing examples for the continual application of concordance theory It also explores the evolution of the theory from the field of military studies to one of corporate concordance This book will be of much interest to advanced students of Civil Military Relations military sociology political science and US politics

The Politics of Military Reform Jürgen Rüländ, Maria-Gabriela Manea, Hans Born, 2012-09-03 This volume seeks to explain why democratization and military reforms stagnate in newly democratizing countries The contributions blend historical ideational cultural and structural explanatory factors to analyze the trajectories of military reform in Indonesia and Nigeria two major regional powers that share many structural commonalities In the tradition of the literature on security sector reform SSR the book not only scrutinizes executive initiatives toward military reform but also provides ample coverage of societal actors Findings show that while military reform is stagnating in both countries societal forces ought to be taken into account more as major driving forces in explaining military reform Several chapters study how legislatures non governmental organizations and the civilian defence epistemic community contribute to the transformation of military institutions The last part of the book tackles another aspect rarely studied in the literature on military reform namely the role of militias in military reform

The Political Resurgence of the Military in Southeast Asia Marcus Mietzner, 2012-11-12 In the late 1990s prominent scholars of civil military relations detected a decline in the political significance of the armed forces across Southeast Asia A decade later however this trend seems to have been reversed The Thai military launched a coup in 2006 the Philippine armed forces expanded their political privileges under the Arroyo presidency and the Burmese junta successfully engineered pseudo democratic elections in 2010 This book discusses the political resurgence of the military in Southeast Asia throughout the 2000s Written by distinguished experts on military affairs the individual chapters explore developments in Burma Thailand the Philippines Vietnam East Timor Indonesia and Singapore They not only assess but also offer explanations for the level of military involvement in politics in each country Consequently the book also makes a significant contribution to the comparative debate about militaries in politics Whilst conditions obviously differ from country to country most authors in this book conclude that the shape of civil military relations is not predetermined by historic economic or cultural factors but is often the result of intra civilian conflicts and divisive or ineffective political leadership

Role Of The Military In Politics Tarbush, 2012-11-12 Published in 1982 Role Of The Military in Politics is a valuable contribution to the field of Middle East Studies

Military Politics, Islam, and the State in Indonesia Marcus Mietzner, 2009 Based on a decade of research in Indonesia this book provides an in depth account of the military's struggle to adapt to the new democratic system after the downfall of Suharto's authoritarian regime in 1998 Unlike other studies of the Indonesian armed forces which focus

exclusively on internal military developments Mietzner's study emphasizes the importance of conflicts among civilians in determining the extent of military involvement in political affairs. Analysing disputes between Indonesia's main Muslim groups, Mietzner argues that their intense rivalry between 1998 and 2004 allowed the military to extend its engagement in politics and protect its institutional interests. The stabilization of the civilian polity after 2004, in contrast, has led to an increasing marginalization of the armed forces from the power centre. Drawing broader conclusions from these events for Indonesia's ongoing process of democratic consolidation, the book shows that the future role of the armed forces in politics will largely depend on the ability of civilian leaders to maintain functioning democratic institutions and procedures.

The Political Impact of African Military Leaders Sabella Ogbobode Abidde, Felix Kumah-Abiwu, 2023-06-28. This edited volume examines the cases of four African military leaders who had enormous impact on the continent and beyond. These military officers and later heads of state: Jerry Rawlings of Ghana, Moammar Gaddafi of Libya, Thomas Sankara of Burkina Faso, and Gamal Abdel Nasser of Egypt, were provocative and polarizing figures, beloved domestically but mostly viewed with suspicion and hostility by foreign governments. This volume studies these leaders as a group, engaging in a critical but systematic examination of their personalities, leadership styles, official performance, legacies, and their continuing impact on the future and political destiny of the continent. Providing a survey of controversial but important African political figures, this volume will be of use to scholars and students in the social sciences, especially those interested in African history, African studies, military science, Black studies, political science, leadership studies, and the politics of developing nations.

The Military in Brazilian Politics, 1821-1970 Raymond Estep, 1971.

Security Challenges and Military Politics in East Asia Jongseok Woo, 2011-02-24. This comparative work examines the political role played by armed forces in South Korea, Indonesia, the Philippines, and Taiwan. The work brings together theory and empirical study, analyzing how security threats have shaped the military's organization, doctrine, and domestic political role at various stages of political development, from the state building period to today's post-democratization era. Using four representative case studies, Woo sets to answer: What determines the armed forces' political influence? How does it affect political development? How do democratically elected leaders establish civilian control over them? The book first looks at how security threats led to military expansion and authoritarianism at the onset of the Cold War. Next, it examines military dictatorial rule, followed by a study of the military's withdrawal process during democratization. Lastly, it focuses on contemporary civil-military dynamics in the four countries, discussing the obstacles faced by civilian authority and what may be the most desirable model for civil-military relations in post-democratization Asian societies. *Security Challenges and Military Politics in East Asia* will be an essential resource for anyone studying Asian political development, civil-military relations, and comparative democratization.

Power Politics and the Indonesian Military Damien Kingsbury, 2005-08-18. Throughout the postwar history of Indonesia, the military has played a key role in the politics of the country and in imposing unity on a fragmentary state. The collapse of the authoritarian New

Order government of President Suharto weakened the state and the armed forces briefly lost their grip on control of the archipelago However under President Megawati the military has again begun to assert itself and re impose its heavy hand on control of the state most notably in the fracturing outer provinces Based on extensive original research this book examines the role of the military in Indonesian politics It looks at the role of the military historically examines the different ways it is involved in politics and considers how the role of the military might develop in what is still an uncertain future

Military Foundations of Panamanian Politics Robert C. Harding, This is a comprehensive examination of the evolution of the politicization of the Panamanian military and the legacy of this transformation in modern Panamanian politics It addresses the fundamental role that the Panamanian military played in influencing and molding the modern day Panamanian political system structurally legally and constitutionally and chronicles the corporate and political growth of the Panamanian military filtering its analysis through civil military theory to achieve its two primary goals

Military Disengagement from Politics Constantine P. Danopoulos, 2024-12-06 First published in 1988 Military Disengagement from Politics explores the reasons and conditions for military withdrawal from politics It gives an in depth analysis of specific grounds and circumstances of a representative list of countries whose military intervened ruled and eventually withdrew allowing for either full scale civilian rule or a more circumscribed set up in which the armed forces retain varying degrees of control in the governing process The book provides a comparative and cross cultural examination of eight countries covering a wide region of the world It offers a carefully chosen array of case studies representing Asia Africa Europe the Middle East and Central and South America This volume is a must read for students and researchers of political science

Role Of The Military In Politic Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Role Of The Military In Politic PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Role Of The Military In Politic PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Role Of The Military In Politic free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Role Of The Military In Politic Books

What is a Role Of The Military In Politic PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Role Of The Military In Politic PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Role Of The Military In Politic PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Role Of The Military In Politic PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Role Of The Military In Politic PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free

alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
