Runaway Me

William L. Andrews, Regina E. Mason

Runaway Me:

Runaway Skye Sinclair, 2008-11-27 Skye's story is one of survival against the odds. Abandoned by her mother at the age of four and placed in a series of horrible institutions, she learnt to fend for herself from an early age. After a horrific rape when she was ten, she ran from the care home and went to live with the gypsies in the New Forest. She always yearned for freedom and was fearless and impulsive. Her curiosity took her all over the world from the abattoirs of France at the age of 15 to the dizzy heights of the Paris fashion world onto the underbelly of Amsterdam where she became a diamond smuggler at the age of 17 and then to the film studios of Hollywood where she worked as a stunt woman on films like *Blues Brothers*. Her life took a very different turn when she moved to the island of Phuket in Thailand, adopted four children from different backgrounds, Angelia Jolie style, and started to sponsor another three. With a group of friends, she helped set up an orphanage for street children in neighbouring Cambodia who were eking out a miserable existence on one of the municipal rubbish dumps in Pnom Penh. At the age of 45, her life revolves around children, both her own four and the Cambodians she has pledged to help. The runaway street child has finally found a reason to stop running.

The Runaway Alix Vail, 2011-03-17 It started out as a simple quest; all she wanted was to find her mother. But as seventeen-year-old Reilly Hayes gets closer to her destination, this quest becomes a mission. Soon the mission becomes more than a search for her mother. Now as Reilly advances on her goal, her mission is not just to find her mother but to survive. A riveting and suspenseful novel, Reilly and her friends fight to survive. Along the way, the past begins to unfold, which leads ultimately to the truth. A heart-pounding and page-turning novel, the author keeps you guessing. A quest to find her mother leads us through a journey to the past, the truth, and the heart. One mission, one destination. Could their destination be final?

The Forgotten Runaway Elisabeth Crowther, 2012-04-10 *The Forgotten Runaway* is about a young teenage girl who loses her loving family and is forced to live with an aunt she never even knew existed. She soon discovers more heartache, sorrow, and pain and decides to run away. She learns to survive and keep to herself on the sunny beaches of South Carolina where she meets Jason. She never thought she would be loved or find love again until she finds herself falling in love and feeling loved again. But there are unexpected twists to the story, and not everything is what it seems.
