Studios had a specially constructed underground trench so that Fairbanks could jog in the nude that Fairbanks himself insisted racist references be removed from his films intertitles and the true cause of Fairbanks's death Fairbanks was the top male star of his generation the maker of some of the greatest films of his era *The Thief of Bagdad* *Robin Hood* *The Mark of Zorro* He was fun witty engaging creative athletic and a force to be reckoned with He shaped our idea of the Hollywood hero and Hollywood has never been the same since His story like his movies is full of passion bravado romance and desire Here at last is his definitive biography based on extensive and brand new research into every aspect of his career and written with fine understanding wit and verve **The Boy Agriculturist** Illinois State Training School for Boys, 1919 The Melody Man Bruce Bastin, 2012-08-01 Joe Davis 1896 1978 the focus of *The Melody Man* enjoyed a fifty year career in the music industry which covered nearly every aspect of the business He hustled sheet music in the 1920s copyrighted compositions by artists as diverse as Fats Waller Carson Robison Otis Blackwell and Rudy Vallee oversaw hundreds of recording sessions and operated several record companies beginning in the 1940s Davis also worked fearlessly to help ensure that black recording artists and song writers gained equal treatment for their work Much more than a biography this book is an investigation of the role played by music publishers during much of the twentieth century Joe Davis was not a music great but he was one of those individuals who enabled greats to emerge A musician manager and publisher his long career reveals much about the nature of the music industry and offers insight into how the industry changed from the 1920s to the 1970s By the summer of 1924 when Davis was handling the race talent for Ajax records he had already worked in the music business for most of a decade and there were more than five decades of musical career ahead of him The fact that his fascinating life has gone so long underappreciated is remedied by the publication of this book Originally published in England in 1990 as *Never Sell a Copyright* Joe Davis and His Role in the New York Music Scene 1916 1978 this book was never released in the United States and only made available in a very limited print run in England The author noted blues scholar and folklorist Bruce Bastin has worked with fellow music scholar Kip Lornell to completely update condense and improve the book for this first ever American edition *Christian Register and Boston Observer* , 1929 *The Unitarian Register* , 1929 Catalog of Copyright Entries , 1941 Time Britton Hadden, Henry Robinson Luce, 1928 Reels for 1973 include Time index 1973 Billboard , 1946-07-13 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *SuperBaby* Jenn Mann, 2010-09-07 The first three years of life are the most important for nurturing a child's full potential that's when they start forming attachments developing a sense of self and learning to trust During this time there are critical windows of opportunity that parents can take advantage of if they know how In a dozen succinct yet information packed chapters award winning columnist and professional therapist Dr Jenn Berman gives parents the knowledge they need Her enlightening
