Mary Verse In Meistergesang:

Mary-verse in Meistergesang Sister Mary Juliana Schroeder, 1942 *Mary-verse in Meistergesang* Mary Juliana Schroeder, 1980 *Prefigurations in Meistergesang* Clarence William Friedman, 1943 *Hans Folz and Print Culture in Late Medieval Germany* Caroline Huey, 2016-04-22 In this study author Caroline Huey analyzes the copious literary output of medieval poet and barber surgeon Hans Folz in all its variety whether Meisterlied Reimpaarspruch or carnival play Heretofore published research to do with Folz's multifaceted and compelling oeuvre has been fragmentary because scholars have restricted themselves by genre in examining themes in Folz's work By integrating the different themes across Folz's output and by integrating consideration previously neglected by earlier critics of Folz's role as barber surgeon Huey offers new insights as to the interaction of these themes and to the character of the poet's work overall She shows that ultimately Folz is concerned with the circulation of knowledge and power correct and incorrect behavior and above all with finding order In each chapter Huey examines a particular theme from Folz's life and or work She looks at how adeptly he commandeers the new technology of printing to further his own ends how his ubiquitous physicality connects his medical body to his Christian body his attitude toward women and the anti Jewish thread in his work *Lyrik (Minnesang - Sangspruch - Meistergesang) und Dramatik* Wolfgang Achnitz, 2012-10-01 Band 4 enth lt Artikel zu allen weltlichen lyrischen Formen der mittelalterlichen Literatur von den Anfängen im 12 Jahrhundert bis zu den Spätformen des Meistergesangs sowie zu den neu entstehenden dramatischen Formen der mittelalterlichen Literatur Rückverweise erschließen die lyrischen und dramatischen Formen innerhalb des geistlichen Schrifttums in Bd 1 und 2 *Stories of the Rose* Anne Winston-Allen, 2010-11-01 In its most basic form the rosary is a series of prayers and meditations designed to bring the worshiper closer to God through the Virgin Mary But as Anne Winston Allen shows there was no single text of the rosary prayer different versions some in German and some in Latin evolved over the course of the late Middle Ages as communities of believers experimented with their own forms She also finds that rosary prayers were influenced by secular even courtly literature that used images of the rose and rose garden in the rosary Mary is the Mystical Rose *The Medieval Latin Hymn* Ruth Ellis Messenger, 2020-09-28 The first mention of Christian Latin hymns by a known author occurs in the writings of St Jerome who states that Hilary Bishop of Poitiers c 310-366 a noted author of commentaries and theological works wrote a *Liber Hymnorum* This collection has never been recovered in its entirety Hilary's priority as a hymn writer is attested by Isidore of Seville d 636 who says Hilary however Bishop of Poitiers in Gaul a man of unusual eloquence was the first prominent hymn writer More important than his prior claim is the motive which actuated him the defense of the Trinitarian doctrine to which he was aroused by his controversy with the Arians A period of four years as an exile in Phrygia for which his theological opponents were responsible made him familiar with the use of hymns in the oriental church to promote the Arian heresy Hilary wrested a sword so to speak from his adversaries and carried to the west the hymn now a weapon of the

orthodox His authentic extant hymns three in number must have been a part of the Liber Hymnorum Ante saecula qui manens O Thou who dost exist before time is a hymn of seventy verses in honor of the Trinity Fefellit saevam verbum factum te caro The Incarnate Word hath deceived thee Death is an Easter hymn and Adae carnis gloriosae In the person of the Heavenly Adam is a hymn on the theme of the temptation of Jesus They are ponderous in style and expression and perhaps too lengthy for congregational use since they were destined to be superseded In addition to these the hymn Hymnum dicat turba fratrum Let your hymn be sung ye faithful has been most persistently associated with Hilary's name The earliest text occurs in a seventh century manuscript It is a metrical version of the life of Jesus in seventy four lines written in the same meter as that of Adae carnis gloriosae
