Interrogating Motherhood Lynda R. Ross, 2016-12-30 It has been four decades since the publication of Adrienne Rich's *Of Woman Born* but her analysis of maternity and the archetypal Mother remains a powerful critique as relevant today as it was at the time of writing It was Rich who first defined the term motherhood as referent to a patriarchal institution that was male defined male controlled and oppressive to women To empower women Rich proposed the use of the word mothering a word intended to be female defined It is between these two ideas that of a patriarchal history and a feminist future that the introductory text *Interrogating Motherhood* begins Ross explores the topic of mothering from the perspective of Western society and encourages students and readers to identify and critique the historical social and political contexts in which mothers are understood By examining popular culture employment public policy poverty other mothers and mental health *Interrogating Motherhood* describes the fluid and shifting nature of the practice of mothering and the complex realities that define contemporary women's lives

Mothers and Daughters Suzanne Degges-White, Christine Borzumato-Gainey, 2014-01-16 In addition to the simple physiological and genetic bond that connects parents to their children there is also a deeply rooted and often conflicting emotional bond that develops between mothers and daughters The culture of motherhood has dramatically re shaped itself over the past few decades as economics and politics have shifted in this nation Single parenting is no longer the cultural taboo it once was perceived to be Daughters and mothers are frequently spending a greater number of years under one roof as both emerging adults face financial challenges in trying to launch from the nest and older adults are living longer and often being cared for by daughters Making sense of these relationships can be challenging and upsetting rewarding and fulfilling all at once Here the authors discuss the roles of mother and daughter and how they have changed and continue to grow and present the stories of women from all walks of life and from different age groups to illustrate what being a mother and being a daughter really means to women in their everyday lives They guide readers to a better understanding of their relationships on a personal level even as they describe the evolving nature of contemporary mother daughter dynamics By providing women with a book that candidly explores the myriad paths and depths to which the mother daughter relationship might wind the authors help readers smooth over the difficulties and power struggles they may be experiencing with their mothers or their daughters or both

Mothers Work Michelle Napierski-Pranci, 2019-09-25 Through a series of focus group interviews and an analysis of the media and popular culture *Mothers Work* examines the institution of motherhood and the arenas in which mothering occurs Michelle Napierski Pranci explores shared and divergent experiences perspectives lives and challenges through the voices of experts on the topic of motherhood the mothers themselves *Mothers Work* analyzes how mothers feel about themselves each other and the culture that situates them against one another

Media and Middle Class Moms Lara J. Descartes, Conrad Kottak, 2010-04-02 Written by nationally recognized anthropologists Conrad Kottak and Lara Descartes this ethnography of largely white middle

class families in a town in the midwest explores the role that the media play in influencing how those families cope with everyday work family issues The book insightfully reports that families struggle with and make work family decisions based largely on the images and ideas they receive from media sources though they strongly deny being so influenced An ideal book for teaching undergraduate family media and methods courses

Perfect Madness Judith Warner, 2006-02-07 A lively and provocative look at the modern culture of motherhood and at the social economic and political forces that shaped current ideas about parenting What is wrong with this picture That s the question Judith Warner asks in this national bestseller after taking a good hard look at the world of modern parenting at anxious women at work and at home and in bed with unhappy husbands When Warner had her first child she was living in Paris where parents routinely left their children home with state subsidized nannies to join friends in the evening for dinner or to go on dates with their husbands When she returned to the States she was stunned by the cultural differences she found toward how people think about effective parenting in particular assumptions about motherhood None of the mothers she met seemed happy instead they worried about the possibility of not having the perfect child panicking as each developmental benchmark approached Combining close readings of mainstream magazines TV shows and pop culture with a thorough command of dominant ideas in recent psychological social and economic theory Perfect Madness addresses our cultural assumptions and examines the forces that have shaped them Working in the tradition of classics like Betty Friedan s *The Feminine Mystique* and Christopher Lasch s *The Culture of Narcissism* and with an awareness of a readership that turned recent hits like *The Bitch in the House* and Allison Pearson s *I Don t Know How She Does It* into bestsellers Warner offers a context in which to understand parenting culture and the way we live as well as ways of imagining alternatives actual concrete changes that might better our lives

Hunt, 2015-04-14 A quiet six year old girl brought to America in 1955 was welcomed into the loving home of family members who adopted her as their own cherished daughter Raised by a gentle

strong father and beautiful elegant mother Rose learned through discipline guidance and unconditional love what it meant to seek God strive for excellence in all things and respect others without compromising oneself Upon this foundation would she build the rest of her life in spite of the storms that would soon test her As a young woman Rose was no stranger to grief at the age of nine she lost her beloved father to illness And so it was that when she met and married her soul mate Gabriel she rejoiced in the profound and abundant blessing that was marriage and family only to face devastating loss once again a few years later when the love of her life was diagnosed with leukemia Upon becoming a widow before she was thirty years old the young mother was charged with raising her three children alone Though she was stricken with grief she set her mind and spirit upon the task she had promised her husband to see through to raise and equip their children with the love integrity and education that he himself so valued and had dreamed of imparting This is the memoir of the young woman who exemplified values by which she would raise her children values that are as relevant today as they were forty years ago In spite of loss grief loneliness frustration and discrimination her convictions and steadfast faith would reap great rewards leading her to rejoice in the fruit of her labor while building a legacy that will continue for generations **Finding Sanctuary** Elsa

Ward,2015-11-03 Her mother was unhappy because Marid used the phone a lot so she put a passcode on it to lock her out Although Marid couldnt call out her friends could call her She expected her mother to limit that but she didnt Instead she waited to punish her until after the Christmas holidays Marid was talking about returning to school when her mother lowered the boom Marid she said Ive decided that you are going to attend a different school Standing there in stunned disbelief Marids heart started breaking in half Shed lose all her close friends and her favorite teachers Although she hadnt gone for more counseling sessions most of all she would lose Myra Stantons protection Myra had always asked how she was doing whenever she saw her in the hallways Her mother had trashed Myra many times to Marid but she didnt believe her the way she used too Marid was beginning to see that her mother was a bully and she was wrong for the way she treated her Angrily she demanded Why did you do this to me You want me to fail and be miserable dont you Emily looked at her daughter and said Really Marid Since when do you know whats best I know whats best better than anyone especially not that interfering bitch Myra Stanton Tearfully Marid said How could you do that Why do you hate me so much Icily her mother replied Hate you Dont flatter yourself Youre nothing but a manipulative bitch You lied about me Youre just like your father the same kind of liar Your rein of telling lies is finished you arent going to get away with your lies so easily in a brand new school without Ms Myra there to protect you are you Marid just stared at her before turning away and going to her room She slammed the door shut expecting her mother to follow and hit her but she didnt care anymore She lay on her bed sobbing into her pillow for hours before she fell asleep *Memories of Belonging: Descendants of Italian Migrants to the United States,*

1884-Present Christa Wirth,2015-02-11 Memories of Belonging is a three generation oral history study of the offspring of southern Italians who migrated to Worcester Massachusetts in 1913 Supplemented with the interviewees private documents

and working from U S and Italian archives Christa Wirth documents a century of transatlantic migration assimilation and later generation self identification Her research reveals how memories of migration everyday life and ethnicity are passed down through the generations altered and contested while constituting family identities The fact that not all descendants of Italian migrants moved into the U S middle class combined with their continued use of hyphenated identities points to a history of lived ethnicity and societal exclusion Moreover this book demonstrates the extent of forgetting that is required in order to construct an ethnic identity Weaving My Way Through Life Natalie Pierce,2013-06-07 This is the story of my life and what I needed to do to survive My daydreams were my escape from life when I was a child When I became an adult I learned there was always something I could do to make things better like getting a job for more money If a project doesnt work one way you can weave around and go another way I feel like Ive been weaving in and out all of my life The most important thing is to never give up A person can do anything if they never give up That is the message that I hope you receive from my book **Raising the Resistance** Farrah Alexander,2020-08-11 A sensible guide for mothers looking to incorporate activism in their parenting to raise empathetic politically aware children Acknowledging the dual role of mother and citizen Scary Mommy writer and mom Farrah Alexander provides empowerment and guidance for the modern progressive mother Mothers are a force to be reckoned with And after the Women s March and midterm elections moms have surely secured their spot in today s feminist movement But for those who aren t ready to make a bid for the presidency the way forward can seem daunting and unclear Whether it s correcting a misinformed family member about gender equality or running for political office this bold and accessible primer presents active parents with different types of activism they can incorporate into their parenting no matter how big or small With practical guidance political commentary and inspiration this feminist manifesto for moms tackles problems from political representation to sexual misconduct It doesn t just validate present day feminist frustration it also offers practical ways to channel it into solutions Most importantly it proves that by planting seeds of empathy and political awareness in their children moms can raise their children to be change makers They can raise the resistance Inside learn Self care techniques for badass momsStrategies for becoming a role model in today s feminist movementDifferent types of activism moms can use to take a stand and more Praise for Raising the Resistance Will inspire every mom to demand action in their own community and empower them with the confidence and tools to do so Shannon Watts author of Fight Like a Mother
