Mason,2016-06-30 The point of my book is to reach those that I know and do not in hoping that there is something I written may get their attention about what is occurring within their life or someone they know and if I haven t written about something that may be happening within a person life the messages written will provoke a thought to what it is going on and that person will take actions in correcting it with God at their side Also I hope that for those with the mindset that the scriptures written in the bible does not relate to today s time and by reading the book a person will realize the only difference is the era and that the God then is still the God now and what He did for those of biblical time He will do the same for this and coming time **Addresses and Messages to the General Court** Massachusetts.
