s small house under the big oak tree had always been a warm and safe place for him but his spirit of adventure made him want more Outside the safe walls of his burrow he dreamed of wide landscapes strange animals and exciting experiences The outside world drew him in with its undiscovered places and wonders Every day he would look at the horizon and think about the sights and sounds he would soon see and hear His longing grew greater with every passing second Milo would often spend hours up in the tree listening to the wise old owl tell stories The owl told the mouse stories about faraway places strange creatures and exciting adventures Milo s heart was set on fire by these stories which gave him a burning desire to learn and find out more He dreamed of going on adventures through beautiful forests up high mountains and across huge seas His mind would come up with amazing stories about animals that could talk fairies and finding secret treasures deep inside old ruins His heart ached with the need to see these things for himself Milo knew that one day he would die He thought that fate would give him the chance to go on a wonderful journey He was really looking forward to that day He spent his evenings sitting on a windowsill and staring at the stars as if they were the key to his dreams When he thought about the adventures he could have in the great unknown his heart would beat faster The mouse s small home became both a source of comfort and a source of worry Even though he liked how warm and safe it made him feel he couldn t help but feel hemmed in The tight walls were getting in their way and the hole that used to be his safe place had turned into a prison He wanted to stretch his hands get some fresh air and feel the grass under his feet Milo s desire to learn about the world got stronger every day which made him more creative and determined He spent hours working on his feelings and instincts so that he would be ready for his next trip He would climb the tree limbs to get better at moving quickly and using his hands He would look at maps and spend a lot of time following the winding roads that led to new and interesting places His travels gave him the energy to do everything he did As the seasons changed Milo could feel that his big trip was coming up The air seemed to buzz with a strange kind of energy and it carried hints of what could happen It was as if the whole universe had worked together to make his dreams come true and set the stage for his amazing journey Milo looked forward to the day when he would no longer live in his tiny house and the whole world would be his playground He knew his chance to go on a big adventure was coming up and he couldn t wait to spread his tiny wings and fly into the great unknown Milo woke up from a warm nap on a beautiful morning as the sun s golden rays shone through the oak tree s leaves As he stretched and rubbed his tired eyes he couldn t believe what he saw Just outside his door a shining golden key was hidden between the velvety petals of a flower that was growing Milo s heart skipped a beat as he ran for the key his small paws shivering with joy He carefully picked it up and felt its weight in his paw The key sparkled and shone and the early light made a gold dance on it Milo s whiskers twitched in wonder as he tried to figure out where this mysterious key came from and what secrets it held He knew that this wasn t just any old key It had a feeling of magic and wonder that caught his attention Milo s mind raced as he thought about all the things he could do once he got through the mysterious gate Milo thought about where the key came

from while his heartbeat in his chest Who did he get it from Why is this happening Was it a gift from a wise old owl or a word from the fairies in the woods Milo s mind was full of questions but he knew one thing for sure he had been chosen for something amazing Marty Mouse Makes Magic Betty Ward Cain,2012-10-27 Marty Mouse wants to be a great magician but his magic doesn t always turn out right When he tries to pull a rabbit out of his hat he gets a skunk He has trouble with his final act of making Squeaky Squirrel disappear He finally has to pull her out the side of the box in order to finish his show Keep practicing your act Marty Marty s name makes the m sound Can you think of other words that begin like Marty s name Marty has a special song and he loves to play letter sound games **The Mouse Machine** J P.
