Hillstrom**

Nancy Graves Recent Works:

Nancy Graves Nancy Graves, David Yager, E. A. Carmean, Robert C. Morgan, 1993 *Nancy Graves: Recent Works*
Nancy Graves, E. A. Carmean, Robert C. Morgan, David Yager, University of Maryland, College Park. Fine Arts Gallery, 1993

The Sculpture of Nancy Graves Nancy Graves, E. A. Carmean, 1987 Nancy Graves is one of the truly remarkable art talents of the current generation. A protean creator, she has produced work of startling originality and beauty as a painter, graphic artist, filmmaker, and sculptor. From Graves's first three-dimensional work, her camels, to her most recent works in bronze, her sculpture has been innovative and influential not only for its aesthetic impact but also because it has stretched the boundaries of sculptural media. Graves's bronzes are composed of a variety of elements, many of which are cast from such natural, organic, and/or everyday objects as pretzels, sardines, leaves, and cooking scissors. These works are then colored through a combination of techniques: polyurethane paint, fired enamel, and patination to an extent that is unmatched in the work of any other modernist sculptor. *The Sculpture of Nancy Graves* is both a monograph and a catalogue raisonné of all her sculpture to date, with virtually every work reproduced in color. It includes fascinating essays by E. A. Carmean Jr., director of the Fort Worth Art Museum; Robert Hughes, art critic of *Time* magazine; Michael Edward Shapiro, curator of 19th and 20th century art at the Saint Louis Art Museum; and Linda L. Cathcart, director of the Contemporary Arts Museum, Houston. *The Sculpture of Nancy Graves* is published in conjunction with a retrospective exhibition of Graves's sculpture organized by the Fort Worth Art Museum. It will open at the Hirshhorn Museum of the Smithsonian Institution in Washington, D.C., and subsequently travel to Fort Worth, the Santa Barbara Museum of Art, and the Brooklyn Museum. **Nancy Graves** Christina Hunter, Christopher Lyon, Linda Nochlin, 2015 This exhibition catalogue marks the 20th anniversary of the death of American artist Nancy Graves (1939-1995), featuring work from the first half of her career from 1969 to 1982. In 1969, Graves became internationally recognized as the first female artist to receive a solo retrospective at the Whitney Museum in New York City. It was at this exhibition that her now iconic series *Camels* was first displayed: a collection of three larger-than-life camels made from animal hides, burlap, wax, and fiberglass. Graves, filled with curiosity about the natural world, continued to work with the image of these majestic and mysterious creatures. In 1970, she fabricated steel camel skeletons for *Inside/Outside*, and in the same year, she captured them in their natural habitat in the Sahara for her rarely exhibited film *Izy Boukir*. Alongside the artist's sculptures and films, this publication also includes her large-scale watercolors and pointillist-style canvases.

Natural Forms and Forces, 1986 Sculpture by Women in the Eighties Amy Golahny, 1985 **Imagery** Bob Nugent, 2007-10-01 In 1985, winemaker Joe Benziger and Sonoma artist Bob Nugent struck on the idea of putting original art on special releases of Imagery Estate wines. The goal was a straightforward commission: the world's modern art luminaries to create works for reproduction onto wine labels. Two decades and 160 labels later, they have assembled a staggering collection of contemporary art from the likes of Sol LeWitt, Terry Winters, Nancy Graves, John Baldessari, Judy Pfaff, and Bob Arneson. This

book highlights 133 works of art the best of the Imagery collection The images are big and lush and accompanied by biographical sketches of the artists careers as well as a short description of their individual ideas and methods The pictorial index shows the works in their label form from 1985 to the most recent vintages These images are evocations of wine s multifaceted ability to inspire us Nancy Graves project & special guests Nancy Graves, Brigitte Franzen, Annette Lagler, Benjamin Dodenhoff, 2013 Perhaps the most surprising works by Nancy Graves 1939 1995 are her life size sculptures of camels and dromedaries Made of wax fiberglass jute and animal skins in the late sixties they also question the principles behind true to nature renditions and Pop Art alike Graves later used NASA weather maps and maps of the moon in her works while also citing paleontology and anthropology art history and artifacts from other cultures She combined Conceptual Art with Land Art and New Figuration advanced research arts and the art film and made important contributions to gender research This publication presents the artist s multifaceted oeuvre and examines its relationship to the works of her contemporaries and role models while undertaking a reevaluation of its significance in terms of art history 0Exhibition Ludwig Forum f r Internationale Kunst Aachen Germany 13 10 2013 16 2 2014 0 Contemporary Women Artists Laurie Collier Hillstrom, Kevin Hillstrom, 1999 Provides biographical and career information on more than 350 of the world s most prominent and influential contemporary 20th century women artists Includes visual art in the following media painting sculpture drawing printmaking collage photography ceramics mixed media electronic media performance art video design and graphic arts Women as Mythmakers Estella Lauter, 1984-07-22 impressive work of scholarship Exceptional Human Experience New York Magazine , 1992-04-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine , 1988-09-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Cincinnati Magazine** , 1989-03 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **American Painting of the 1970s** Albright-Knox Art Gallery, Linda L. Cathcart, 1978 New York Magazine , 1992-04-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its

audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Notable American Women** Susan Ware, 2004 This latest volume brings the project up to date with entries on almost 500 women whose death dates fall between 1976 and 1999 You will find here stars of the golden ages of radio film dance and television scientists and scholars civil rights activists and religious leaders Native American craftspeople and world renowned artists For each subject the volume offers a biographical essay by a distinguished authority that integrates the woman's personal life with her professional achievements set in the context of larger historical developments **New York Magazine**, 1987-01-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Poor Dancer's Almanac** David R.
