The Age of the Inquiry Jill Manthorpe, Nicky Stanley, 2004-06-04 The plethora of inquiry reports published in the fields of health and welfare in the 1990s covered the full range of user groups: individuals and institutions. What similarities or differences were there between these inquiries? How effective were they in bringing about change? Whose interest did they best serve? These are some of the questions *The Age of the Inquiry* explores in detail, bringing together distinguished contributors with personal experience of chairing or providing evidence to inquiries to consider the participants' view of inquiries, the purpose of inquiries, the impact of inquiries on health and social policy, inquiries into child abuse and death, homicides by mental health service users, the abuse of adults with learning disabilities, the abuse of older people. Wide ranging in scope, *The Age of the Inquiry* focuses on service and policy development. It provides an invaluable text for students, teachers and professionals from a wide range of disciplines and professional groups.

Child Protection Systems in the United Kingdom Anne Stafford, Nigel Parton, Sharon Vincent, Connie Smith, 2012 This book identifies and analyses differences between the four UK nations in the way child protection systems are being developed, thought about and put into practice. Covering key areas such as inter-agency working and the role of local safeguarding children boards, it draws out important implications for policy and practice across the UK.
