The Raddle Moon , **Antiphonies** Nate Dorward, 2008 Cultural Writing Literary Criticism ANTIPHONIES is a primer on some of the most exciting work in contemporary Canadian poetry These essays discuss a wide range of work from books already acclaimed as modern classics such as Erin Moure's *O Cidadan* Lisa Robertson's *DEBBIE AN EPIC* and Karen MacCormack's *IMPLEXURES* to the equally remarkable work of Susan Clark Catriona Strang Lissa Wolsak Christine Stewart Deanna Ferguson Lise Downe Nancy Shaw a rawlings Marie Annharte Baker and others The essays are complemented by brief selections of poems and poetics statements **Women in Independent Publishing** Stephanie Anderson, 2024-12-15 Women in Independent Publishing is a collection of interviews with and resources about women actively engaged in small press publishing between the 1950s and the 1980s The interviewees include Hettie Jones Margaret Randall Bernadette Mayer and many others The scope and range of the interviews showcase a variety of types of publishing possible within the small press community These interviews illuminate the unifying and diverging elements between multiple publishing scenes and reveal their particularities and commonalities Women in Independent Publishing is a timely and urgent documentation of literary history and reveals and celebrates the multifaceted roles of women editors and publishers and the communities they built The book includes a critical introduction an afterword by contemporary small press publisher M C Hyland and a robust resources section that provides further paths for reading and literary recovery Open Clothes Steve Benson, 2005 Poetry Six years after the publication of *ROARING SPRING* Steve Benson gives us his 8th book of poetry *OPEN CLOTHES* from Atelos Benson has long been associated with the Language Poets particularly during his period of residence in the San Francisco Bay Area between 1976 and 1992 Since 1996 he has lived in Downeast Maine which is reflected in the earthy questioning of these poems Benson's *REVERSE ORDER* 1989 *BLUE BOOK* 1988 *BLINDSPOTS* 1981 and *AS IS* 1978 can also be ordered through SPD *Seeing in the Dark* Pauline Butling, 2006-01-01 Poet Phyllis Webb initiated new ways of seeing into the cultural dark of Western thought By blurring the axis between light and dark she redefined in positive terms women's subjectivity and sexuality which are traditionally assigned dark negative values *Seeing in the Dark* includes perceptive discussions on a number of Webb's collections specifically *Naked Poems* Wilson's *Bowl Water and Light* and *Hanging Fire* Butling shows how Webb uses strategies of subversion reversal and revision of prevailing traditions and tropes to facilitate seeing in the dark She also provides a fascinating analysis of Webb criticism tracing it over the past thirty years and revealing a shift in critical paradigms A chapter on biography includes intriguing archival material Pauline Butling offers important new ways of reading one of Canada's finest poets *Seeing in the Dark* is essential introductory material for the general reader and provides provocative penetrating analysis for literary scholars The Filled Pen P.K. Page, 2007-12-15 P K Page is best known as one of Canada's finest poets but over the course of her career she has also written a number of essays meditations on her life and work on the nature of art and the imagination and on Canadian works of literature painting

and film that have had special significance for her As lovers of her poetry would hope and expect these essays are beautiful intelligent moving and delightfully quirky The Filled Pen brings together the most important of these essays including two previously unpublished A Writer s Life and Fairy Tales Folk Tales The Language of the Imagination Zailig Pollock Page scholar and professor of English at Trent University has edited and annotated this collection for admirers of Page s work general readers and academics alike The essays which cover a period of approximately forty years reflect Page s enduring concerns as a verbal and visual artist with the power of art and the imagination to transcend the barriers that limit our perceptions of the world and our sympathies with our fellow human beings Page is more interested in posing questions than imposing answers and fascinated as she is by a wide range of ideas from ancient mysticism to modern neurophysiology it is images endlessly evocative and suggestive that matter to her most Her comments on A M Klein from A Sense of Angels one of the most moving and perceptive tributes by one poet to another apply very much to the P K Page we see in The Filled Pen For all his interest in the immediate world for all his acceptance of ideological and psychological theory he seemed to reach beyond both to a larger reality

Collaborative Translation Anthony Cordingley,Céline Frigau Manning,2016-12-15 For centuries the art of translation has been misconstrued as a solitary affair Yet from Antiquity to the Middle Ages groups of translators comprised of specialists of different languages formed in order to transport texts from one language and culture to another Collaborative Translation uncovers the collaborative practices occluded in Renaissance theorizing of translation to which our individualist notions of translation are indebted Leading translation scholars as well as professional translators have been invited here to detail their experiences of collaborative translation as well as the fruits of their research into this neglected form of translation This volume offers in depth analysis of rich sometimes explosive relationships between authors and their translators Their negotiations of cooperation and control assistance and interference are shown here to shape the translation of prominent modern authors such as G nter Grass Vladimir Nabokov and Haruki Murakami The advent of printing the cultural institutions and the legal and political environment that regulate the production of translated texts have each formalized many of the inherently social and communicative practices of translation Yet this publishing regime has been profoundly disrupted by the technologies that are currently revolutionizing collaborative translation techniques This volume details the impact that this technological and environmental evolution is having upon the translator proliferating sites and communities of collaboration transforming traditional relationships with authors and editors revisers stage directors actors and readers

The Unnaming of Aliass Karin Bolender,2020 The Unnaming of Aliass performs a paradoxical quest for wildly untold stories in the company of one special donkey companion a femammal of the species Equus

asinus and significantly a registered American Spotted Ass Beast of burden that she is this inscrutable companion helped carry a ridiculous load of human longings and quandaries into a maze of hot harrowing miles across the US South from Mississippi to Virginia in the summer of 2002 all the while carrying her own onerous and unreckoned burdens and histories Over two decades the original journey evolved from the cracking open of a quasi Western novel that never was by an implosive pun into an ongoing philosophical and assthetic adventure a hybrid roadside and barnyard based living art practice wherein Aliass un names something much harder to grasp than the body of a lovely little ass protagonist setting and traditional Western narratives turn inside out around this name that ain t Through a deeply dug in questioning of its own authorial assumptions The Unnaming of Aliass makes space for untold autobiographies and bright dusty lacunae tracing ineffable tales through the tangled shapes and shadows that interweave in any environment **Provisional Avant-Gardes** Sophie Seita,2019-07-23 What would it mean to be avant garde today Arguing against the notion that the avant garde is dead or confined to historically failed movements this book offers a more dynamic and inclusive theory of avant gardes that accounts for how they work in our present Innovative in approach Provisional Avant Gardes focuses on the medium of the little magazine from early Dada experiments to feminist queer and digital publishing networks to understand avant gardes as provisional and heterogeneous communities Paying particular attention to neglected women writers artists and editors alongside more canonical figures it shows how the study of little magazines can change our views of literary and art history while shedding new light on individual careers By focusing on the avant garde s publishing history and group dynamics Sophie Seita also demonstrates a new methodology for writing about avant garde practice across time one that is applicable to other artistic and non artistic communities and that speaks to contemporary practitioners as much as scholars In the process she addresses fundamental questions about the intersections of aesthetic form and politics and about what we consider to be literature and art *Differences* ,2001 *Premier Atlas of the World* ,1925 *Simulcast* Benjamin Friedlander,2004 This study offers an overview of avant garde American poetry of the latter 20th century a flourishing movement in American letters The four experiments in literary criticism vary in style and viewpoint Taken together they reassess the fundamental relationship between poetry and criticism **New Serial Titles** ,1985 **Corpus Almanac & Canadian Sourcebook** ,1997 **Phoebe** ,1990 Hobbies ,1971 **Stubborn Poetries** Peter Quartermain,2013-06-25 Stubborn Poetries is a study of poets whose work because of its difficulty or simple resistance to conventional explication remains more or less firmly outside the canon Book jacket
