The Cloud of Unknowing Evelyn Underhill, 2007-05-01 Unlike many mystics who celebrate ecstasies visions voices the scent of strange perfumes and the hearing of sweet sounds he believed that the key to a closer relationship with God required private thought and prayer and the elimination of all other distractions He distrusted psychic phenomena believing they were the accidents rather than the substance of the contemplative life and quite possibly the work of the Devil He felt that such hallucinations led only to self deception and brought the believer no closer to God Humorous at times and written in plain English *The Cloud of Unknowing* is intended for the general reader especially the beginner in contemplation unsure about how to overcome initial difficulties British writer of prose and poetry EVELYN UNDERHILL 1875 1941 was a fellow of King s College for Women and King s College and was the first woman to lecture to the clergy in the Church of England Through her radio appearances and her stint as editor of the political magazine *The Spectator* she was a familiar voice in British public life between the wars She authored more than 30 books some under the pseudonym John Cordelier including *Concerning the Inner Life and Radiance A Spiritual Memoir*

The New Big Book of Christian Mysticism Carl McColman, 2023 From beloved spiritual teacher Carl McColman comes a book about big possibility the hope of achieving authentic blissful experiential union with God He reveals the various ways Christian mysticism and contemplation have been in dynamic practice through the centuries proving inspirational for today s seekers regardless of faith tradition

Butler's Lives of the Saints Bernard Bangley, 2005 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries This new adaptation of Butler s multi volume *Lives of the Saints* presents a modernized text for today s reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women Butler s daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures Butler s distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works He gives us saints who are examples of Christian living who provide inspiration for our own lives in every time and circumstance As Butler writes They were once what we are now travelers on earth They had the same weaknesses we have We have difficulties so had the saints Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten

Groover, 2019-12-13 Religion Secularism and the Spiritual Paths of Virginia Woolf offers an expansive interdisciplinary study of spirituality in Virginia Woolf's writing drawing on theology psychology geography history gender and sexuality studies and other critical fields The essays in this collection interrogate conventional approaches to the spiritual and to Woolf's work while contributing to a larger critical reappraisal of modernism religion and secularism While Woolf's atheism and her sharp criticism of religion have become critical commonplaces her sometimes withering critique of religion conflicts with what might well be called a religious sensibility in her work The essays collected here take up a challenge posed by Woolf herself how to understand her persistent use of religious language her representation of deeply mysterious human experiences and her recurrent questions about life's meaning in light of her disparaging attitude toward religion These essays argue that Woolf's writing reframes and reclaims the spiritual in alternate forms she strives to find new language for those numinous experiences that remain after the death of God has been pronounced The Spiritual Journey Anne Bancroft, 1991 The author asks what is meant by enlightenment and through her own experiences explores her belief that it is within the reach of all **Religious Books, 1876-1982**, 1983 **Practical Mysticism** Evelyn Underhill, 2016-08-11 The visionary is a mystic when his vision mediates to him an actuality beyond the reach of his senses The philosophy is a mystic when he passes beyond thought to the pure apprehensive of truth The active man is a mystic when he knows his actions to be a part of a greater activity Blake Plotinus Joan of Arc and John of the Cross there is a link which binds all these together but if he is to make use of it the inquirer must find that link for himself from Chapter I What Is Mysticism A mystic herself Christian philosopher Evelyn Underhill reintroduced British Protestants to the mysteries and wonders of medieval Christian spirituality through her many works exploring and celebrating the sacred Here she lead readers through practical concepts of mysticism that are no mere spiritual playthings but concrete and useful lessons for coping with the hardships and stresses of the modern world First published in Britain in 1914 just as England was thrown into the turmoil of the Great War this serene contemplative little work is as refreshing today as it must have been then a reminder of the joys and benefits of the examined life even amidst a world in chaos OF INTEREST TO students of Christian theology seekers after wisdom AUTHOR BIO British writer of prose and poetry EVELYN UNDERHILL 1875 1941 was a fellow of King's College for Women and King's College and was the first woman to lecture to the clergy in the Church of England Through her radio appearances and her stint as editor of the political magazine The Spectator she was a familiar voice in British public life between the wars She is the author of more than 30 books some under the pseudonym John Cordelier including Concerning the Inner Life and Radiance A Spiritual Memoir
