Radical Answers From The Minor Prophets:

Radical Answers from the Minor Prophets Gary Holloway, 2001 *The Minor Prophets* Thomas Edward McComiskey, 2009 Combining three volumes in one this affordable edition brings noted evangelical scholars together to offer an authoritative evangelical treatment of the minor prophets **Minor Prophets in a Major Key** Chris Woodall, 2018-01-24 All Scripture is God breathed but not every portion of it is embraced by Christians with equal vigor Tribal lists specific sacrificial obligations seemingly endless genealogical records and apparently gratuitous acts of warfare are readily scanned over But could the minor prophets be added to that list Should they be They certainly seem more difficult to locate for many of us than say the books of Moses or the Psalms The writer is clear in his assessment from the start positing that our relative ignorance of these twelve books tucked away at the end of the Old Testament impinges negatively on the Christian believer's walk Covering a period of around four hundred years each book is revealed through two contextual settings the historical and that which was personal to the individual pensmith before a brief overview reveals the main points of that author's writing The bulk of each chapter is concerned with the Major Key of the title Taking a verse or two from each of the minor prophets Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty first century from lessons over two and a half thousand years old Chris Woodall is former Associate Professor of Dogmatics at North West University South Africa This is his fourth book for Wipf and Stock The first three *Covenant the Basis of God's Self Disclosure* 2011 *Kingdom the Expression of God's Rule* 2012 and *Atonement God's Means of Effecting Man's Reconciliation* 2015 are also available from this publisher and other outlets **From the Minor Prophets: Bible Studies** William Flewelling, 2020-11-24 The Bible Studies I chose to do came about through the request from my first congregation out of Seminary I consistently sought to present a serious somewhat scholarly approach to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume I follow the studies on five of the twelve minor prophets Hosea Joel Amos Habakkuk and Malachi each following the pattern of study I had developed **The Minor Prophets** Craig G. Bartholomew, Heath A. Thomas, 2023-09-19 In this unique introduction to the Minor Prophets two biblical scholars survey the twelve books and explore the theological themes of each Filled with helpful exegetical insights this book is an invaluable guide for students pastors and scholars looking for a cohesive exploration of these often overlooked books of the Hebrew Bible *The Minor Prophets* Paul Kleinert, Otto Schmoller, George R. Bliss, Talbot W. Chambers, Charles Elliott, John Forsyth, J. Frederick McCurdy, Joseph Packard, 2024-05-09 Reprint of the original first published in 1875 *Reading the Book of the Twelve Minor Prophets* David G. Firth, Brittany N. The Oxford Handbook of the Minor Prophets Julia M. O'Brien, 2021-01-29 The Oxford Handbook of the Minor Prophets provides a clear and engaging one volume guide to the major interpretative questions currently engaging scholars of the twelve Minor Prophets by collecting 40 essays by both established and emerging scholars who explore a wide range of methodological perspectives Divided into four sections the first group of essays is devoted to historical studies which consider the manuscript evidence for these books and overview debates about how when and by whom they were composed Essays dealing with literary explorations consider the genres and rhetorical style of the material key themes and intertextual connections with other sections of the Jewish and Christian canons A large section on the history of interpretation traces the ways in which past and present confessional communities scholars and artists have understood the Minor Prophets In the final section essays on individual books of the twelve Minor Prophets explore the structure themes and contested issues of each book

Homiletical Commentary on the Minor Prophets James Wolfendale, 1879 A Commentary on the Holy Scriptures: Minor Prophets Johann Peter Lange, 1874 *Directions for Disciples* Anthony Lee Ash, Tony Ash, 2002 *The Twelve Minor Prophets* Carl Friedrich Keil, Franz Delitzsch, 1871 Muslims Ask, Christians Answer Christian W. Troll, 2012 This volume addresses 12 important questions that Muslims ask of Christians and explains their wider background in Muslim religious thought From the perspective of Christian faith and theology and from that of dialogue with Muslims the Christian positions are clarified and sensitive honest proposals are made for responding to the questions Both Christians and Muslims have found Trolls work a precious help for orientation and a solid basis for interreligious encounter and dialogue

The Preacher's Complete Homiletical Commentary on the Old Testament: Minor Prophets, 1892 *Minor Prophets, Part 2* Michael H Floyd, 2000-02-14 In this volume Floyd presents a complete form critical analysis of the last six books in the Minor Prophets Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi By looking carefully at the literary genre and internal structure of each book Floyd uncovers the literary conventions that help shape the composition of these prophetic books in their final form His approach yields fresh views of how the parts of each book fit together to make up the whole particularly with respect to Nahum Haggai

and Malachi and provides a basis for reconsidering how each book is historically related to the time of the prophet for whom it is named This work will be useful to scholars because it advances the discussion regarding the holistic reading of prophetic books and useful to pastors and students because it shows how analysis of literary form can lead to a more profound understanding of the messages of the Minor Prophets *Calvin and the Anabaptist Radicals* Willem Balke,1999-10-13 The book has many fine features Dr Balke has done thorough research on his subject and presented its results in an excellent combination of chronological review and systematic analysis The principal significance of this book however is that it vindicates and in a sense rehabilitates John Calvin over against the Anabaptists and does so without perpetuating the unfair criticism of the Anabaptists which was prevalent for a long time The treatment is fair balanced and firm and of genuine historical value John H Kromminga President Calvin Theological Seminary **The Holy Bible: Isaiah, Jeremiah, Lamentations, Ezekiel, Daniel, and the Minor prophets** ,1825 The Minor Prophets: Zephaniah, Haggai, Zechariah, and Malachi Thomas Edward McComiskey,1992 Features commentaries by J Alec Motyer Zephaniah and Haggai Thomas McComiskey Zechariah and Douglas Stuart Malachi Ideal for pastors and students **The minor prophets** Joseph Samuel Exell,18?? **Once More with Love** ,1996
