Radical Challenge Priesthood Today

Ronald Leinen

Radical Challenge Priesthood Today:

Spiritual Theology of the Priesthood Dermot A. Power, 1998-01-01 Hans Urs von Balthasar's writings have pastoral implications that even now are barely recognised and hardly developed. Here a pastorally experienced theologian who knew von Balthasar personally unfolds this pastoral dimension for the first time. Integrating Christology and Ecclesiology with the profound spirituality that for von Balthasar is inseparable from authentic theology. Fr Power demonstrates the paradoxical grandeur and weakness of the Catholic priesthood. He highlights the roles of the Catholic priest as servant bridegroom shepherd victim teacher prophet celebrant and minister of reconciliation. At a time when many priests feel their identity called into question this book offers new hope for the renewal of the priesthood in the Catholic Church. [A Radical Challenge for Priesthood Today](#) William D. Perri, Perri William, 1996 The priesthood as we know it is dying. So begins William Perri's fascinating and challenging assessment of a revered church institution. He cites the shortage of priests and well publicized sexual and psychological problems as two key indicators of the decline of priesthood as we know it. *African Catholic Priests* Jordan Nyenyembe, 2011 This is a timely book on the contemporary African priesthood. Just as in other parts of the globe the African priesthood currently faces a serious crisis of identity. The unfolding crisis puts stress on the clerics and augments the tension with lay people. The model of the Church as Family of God opted for by the Church in Africa is a new milestone that puts pressure on Catholic priests to define their role in the new context. The identity and image of priests need to be specified as lay ministries render the Church active from the grassroots. Reflection about the ministry of the clergy in Africa is urgent and indeed it is an important aspect of enculturation. Nyenyembe demonstrates an admirable capacity to situate his rich theological reflections in an African context. **Bless Me Father for I Have Sinned** Thomas G. Plante Ph.D., 1999-09-30 A tremendous amount of media attention has been devoted to revealing sexual abuse perpetrated by Roman Catholic priests. These essays outline a clinical and research agenda for professionals dealing with clergy sexual abuse. They should enable research clinical professionals and clergy to identify the relevant issues in the identification diagnosis treatment and prevention of child and adolescent sexual abuse committed by Roman Catholic priests. Leading experts in the field from the United States and Canada have offered their different perspectives on this compelling problem including victim profiles for determining who is at risk. *Being Salt* George R. Sumner, 2007-05-01 A number of books have addressed ordination and the priestly life from a devotional or vocational vantage point but few books have considered ordination from a truly theological perspective. Meanwhile our time is obsessed with the more general question of leadership. *Being Salt* addresses both ordination and leadership by taking as its point of departure the most distinctive yet often overlooked feature of ordination: indelibility: being ordained for life. *Being Salt* offers several answers to the question: What is the church? Sumner wholeheartedly agrees with the Reformation emphasis on the ministry of the whole people of God. Still he argues that we can only understand priesthood if we understand what one is ordained for: Indelibility, lifetime ordination.

provides an entrance to the question of what sets the ordained apart. In sum, *Being Salt* offers an evangelical argument for a Catholic practice and so goes to the heart of what Anglicanism understands itself to be.

Parish Nurses, Health Care Chaplains, and Community Clergy Larry Van De Creek, Sue Mooney, 2012-11-12 Understand the roles of these three unique professions and how collaboration can make each more effective. This is the first book to clarify the roles and interprofessional dynamics of these three professions and describe how they can best work together. Here you will find theological perspectives on each profession, practice models of collaborative programs and new resources to aid your professional growth. In addition, this book gives you a thorough historical overview of parish nursing and an introduction to health care chaplaincy as well as insightful analyses of the relationships of clergy and congregation to health care institutions. *Parish Nurses, Health Care Chaplains, and Community Clergy: Navigating the Maze of Professional Relationships* is a vital addition to your reference shelf. This unique book, written by experts in all three fields, provides the necessary background to be an effective parish nurse, including information on spiritual formation, clinical pastoral education, and more instruction on starting a parish health ministry. Effective ways that the disciplines can work together in congregational health ministries to provide the best possible spiritual care, successful practice models that your ministry can emulate, an examination of the health care institution's role in forming the spiritual care team, resources to use to increase your ministry's effectiveness. *Parish Nurses, Health Care Chaplains, and Community Clergy* is a must for practitioners, educators, and students who will be entering these vital professions.

Developing Faithful Ministers Tim Ling, 2013-01-25 *Developing Faithful Ministers* aims to support the work of all those involved in supervision and training relationships within the Church. The Church, recognising its call to serve God and the nation, seeks to equip and develop its ministers to face the challenge of ministry in a society at the threshold of Christendom that is in a mission context. It is a context where both the general public and the institutional church have significant expectations of those in ministry. Indeed, there is now an expectation of demonstrable capability prior to being licensed to any form of permanent tenure. The demand for more professional, demonstrably capable, missionable and collaborative licensed ministers places particular weight on the efficacy of the initial training relationship. *Developing Faithful Ministers* seeks to support those who find themselves in these relationships by offering both models of good practice and sustained theological reflection on what these drivers mean for developing ministry.

The Reception of Vatican II Matthew L. Lamb, Matthew Levering, 2017-02-09 A sequel to *Vatican II: Renewal within Tradition* (OUP, 2008). *The Reception of Vatican II* shows how the Council has been received and interpreted over the course of the more than fifty years since it concluded. The meaning of the Second Vatican Council has been fiercely contested since before it was even over, and since its completion has seen a battle for the soul of the Church waged through the interpretation of Council documents. Each essay in this volume looks at how one of those documents has been interpreted in the post-Vatican II era and points the way forward for its future reception.

Spirituality in Ministerial Formation Andrew Mayes, 2009-10-01 This is a ground-breaking

study into a crucial area of theological education It traces the origin and evolution of the formation model of training and identifies what difference this paradigm makes to present practice It uncovers significant and surprising functions of prayer in the formational and learning process as discovered in empirical research informed by theological and psychological perspectives on prayer among a sample of newly ordained clergy and tutors The practical implications of the research are identified offering creative ideas for a renewed understanding and praxis of the role of prayer in learning This is essential reading for theological students and teachers alike and calls for a clearer articulation of a spirituality of education as needed by our present culture and context

Priesthood in Religious Life Stephen Bevans, Robin Ryan, 2018-09-27 This is the first book in English on priesthood in religious life to be published in twenty years Its fourteen contributors search for new ways forward in the understanding of the distinct identity and ministry of religious men committed to community the prophetic lifestyle of vows or promises and the particular charisms of their congregations who have also answered the call to priesthood Essays in this collection include reflections from a bishop from the perspective of a lay theologian from an expert in the social sciences and on Pope Francis's teachings on priesthood Included as well are essays that are rooted in particular cultural traditions in spirituality and in canon law

Fear and Anxiety Ronald Leinen, 1999 Fear and Anxiety Finding Peace in the Heart of Jesus shows how Jesus still reaches out today to heal all those who are anxious about difficult situations in their lives In a down to earth style the author explains how Jesus frees people from the fears and anxieties that stunt their spiritual and psychological growth

Doors to the Sacred Joseph Martos, 2001 A work of major importance written for an ecumenical audience Doors to the Sacred is a sweeping and detailed account of the historical and cultural evolution of sacramental rituals and practices Since its initial publication the book has garnered widespread critical acclaim and has become a mainstay not only for students but for all thinking Christians who want to understand the past fully while making their present participation in the sacraments more genuine and intelligent Martos has greatly expanded all of the bibliographic material and has incorporated the latest developments in theological study and inquiry His focus is on the seven ecclesial sacraments of the Catholic Church Baptism Confirmation Eucharist Reconciliation Anointing Marriage and Orders Though based on thorough research and impressive scholarship Doors to the Sacred is written in a lively style that will be welcomed by a general audience Paperback

Brave New Church William J. Bausch, 2001 Father Bill Bausch knows about parish life in the Catholic Church first hand In this his latest offering he charts a direction for the Catholic Church to follow in years to come He begins by focusing on twelve challenges facing the Church today including religious illiteracy anti Catholicism secularism pluralism Church scandal and authority He then considers the transitions and responses that can move the Church forward as it seeks to minister to parishioners of the twenty first century

Land of Hope Wilfred M. McClay, 2020-09-22 A wonderfully written sweeping narrative history of the United States that will help Americans discover the land they call home High School and College Age Students The Original Land of Hope Narrative in E book Edition We

have a glut of text and trade books on American history But what we don't have is a compact inexpensive authoritative and compulsively readable book that will offer to intelligent young Americans a coherent persuasive and inspiring narrative of their own country Such an account will shape and deepen their sense of the land they inhabit and by making them understand that land's roots will equip them for the privileges and responsibilities of citizenship in American society and provide them with a vivid and enduring sense of membership in one of the greatest enterprises in human history the exciting perilous and immensely consequential story of their own country The existing texts simply fail to tell that story with energy and conviction They are more likely to reflect the skeptical outlook of specialized professional academic historians an outlook that supports a fragmented and fractured view of modern American society and that fails to convey to young people the greater arc of that history Or they reflect the outlook of radical critics of American society who seek to debunk the standard American narrative and has an enormous and largely negative effect upon the teaching of American history in American high schools and colleges This state of affairs cannot continue for long without producing serious consequences A great nation needs and deserves a great and coherent narrative as an expression of its own self understanding and it needs to convey that narrative to its young effectively It perhaps goes without saying that such a narrative cannot be a fairy tale or a whitewash of the past it will not be convincing if it is not truthful But there is no necessary contradiction between an honest account and an inspiring one This account seeks to provide both Changing Views of the Human Condition Paul W. Pruyser,1987

We Are All Priests Roger Whittall,2023-12-11 In this book Roger Whittall argues that Luther's teaching on the common priesthood the priesthood of believers was a persistent element of Luther's ecclesiology and closely related to his understanding of the church as the communion of saints Whittall's focus is the common priesthood's activity in the Christian community moving beyond its contested relationship to the church's ordained ministry or the views that limit its appearance to Luther's early polemical writings Rather the common priesthood stands alongside the public ministry They are equal partners in the church's mandate to receive and speak God's word to respond in prayer praise and joyful service of God's world and all its people This wide ranging investigation features later material not often considered in relation to the common priesthood For Luther priesthood was a biblical expression of Christian spiritual life worship and service forming both the personal faith of individual Christians and the corporate nature of the Christian community Whittall also examines Luther's use of key biblical texts to link church and priesthood through the themes of unity and community equality and participation Understood in this way this priesthood still speaks powerfully to the identity and mission of the church today

Powers of the Holy David Aers,Lynn Staley,2010-11-01 Radical Christianity Lonnie D. Kliever,John Haralson Hayes,1968 The Ashgate Research Companion to Popular Culture in Early Modern England Andrew Hadfield,Matthew Dimmock,Abigail Shinn,2016-03-23 The Ashgate Research Companion to Popular Culture in Early Modern England is a comprehensive interdisciplinary examination of current research on popular culture in the early modern era For the first

time a detailed yet wide ranging consideration of the breadth and scope of early modern popular culture in England is collected in one volume highlighting the interplay of low and high modes of cultural production while also questioning the validity of such terminology The authors examine how popular culture impacted upon people s everyday lives during the period helping to define how individuals and groups experienced the world Issues as disparate as popular reading cultures games food and drink time textiles religious belief and superstition and the function of festivals and rituals are discussed This research companion will be an essential resource for scholars and students of early modern history and culture Theology and the New Histories Gary Macy,1999 In this collection of essays members of the College Theology Society explore how Christianity as an historical religion is responding to the challenge of multiple readings of history The many new ways of writing history women s history history written from the perspective of minority groups new sources of history including those that are non Western and deconstructist history pose challenges to the assumptions of traditional theology They also affect our understanding of the history of Christianity and of the development of Christian doctrine

Decoding **Radical Challenge Priesthood Today**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Radical Challenge Priesthood Today**," a mesmerizing literary creation penned by a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
