authentic conversations around topics like masturbation pornography consent rape contraception abortion homophobia and queer affirmation exploring how the author has evolved in these and many other areas and challenging the church to do the same Part memoir and part manifesto this book reframes Christian sexual ethics in profoundly important ways elevating the love and grace of God above Evangelical purity culture It has the power to radically transform conversations around various aspects of our sexuality within the Christian religion and broader society Endorsements Reconstructing Sexual Ethics is a courageous compassionate and deeply needed work With honesty theological depth and a commitment to love and justice Eady Jay dismantles harmful purity culture teachings and charts a healthier grace filled path forward This book gives voice to those who have long wrestled with shame and silence and it offers a vision of sexuality that is life giving liberating and faithful Rev Brandon Robertson author of Queer Christian Reclaiming the Bible our Faith and our Place at the Table Eady Jay goes there She transparently and bravely deconstructs and breaks down the oppressive forces of puritanical culture that she was raised with and that are still embedded in mainstream culture today You may or may not agree with everything she has written but we are all better for it Why Because exploring the relationship between faith and sexuality serves to liberate us from centuries of our joy being suppressed and our sexuality being oppressed She writes with abundant grace keen insights and a clear heart for Christ aiming to reform our relationship with our bodies one another and God I have no doubt that her words will illuminate others on a similar journey Chantal McKinney author of Following Jesus Beyond Church Walls This is a book I have always wanted to write and Eady Jay has done it better Gripping accessible and humble in its wrestling with the Scripture tradition and ordinary life her story welcomes readers across the spectrum of faith and sexuality to find inspiration challenge and even affirming echoes of their own experiences Vulnerability and courage write themselves across every page in the unanswered questions honest explorations and uncertain steps that define a journey we all face in learning how to more fully embody the truth we see about God in our diverse expressions of sexuality Dr Kevin Jenson theologian and author of Sacred not Sinful A New Christian Ethic Reconstructing Sexual Ethics is a refreshingly frank yet deeply pastoral reimagining of Christian sexual ethics It affirms the essential dynamics of queerness gender equity and consent offering clarity and compassion for those seeking a more just and loving vision of sexuality Alongside other voices that deepen intersectionality and expand its scope it is an important and thought provoking resource that I highly recommend Jamie Arpin Ricci founder of The Rainbow Well Eady Jay has given us something remarkable in Reconstructing Sexual Ethics With honesty and courage she speaks directly to those who have deconstructed some or all of their faith weaving together deeply personal stories with a thoughtful and robust theological vision The result is an invitation into a sexual ethic free from the harmful rhetoric of purity culture and grounded instead in freedom dignity and grace Jessica Vanderwyngaard Producer of I Survived I Kissed Dating Goodbye and the Where Do We Go From Here Podcast Radical Honesty Brad Blanton, 1996-04-01 At once shocking entertaining and profound Radical Honesty is revolutionary book that takes a fresh look
