Rafael And The Raiders:

Rafael and the Raiders Hilary Beckett,1972 Both the loss and attempted recovery of his cherished ring bring Rafael into the middle of a gang of international thieves ...**Report and Accompanying Documents of the Committee on Foreign Affairs on the Relation of the United States with Mexico** ... United States. Congress. House. Committee on Foreign Affairs,Gustave Schleicher,1878 *The Filipino Primitive* Sarita Echavez See,2017-11-14 Nowhere can we appreciate so easily the intertwined nature of the triple forces of knowledge accumulation capital colonial and racial than in the imperial museum where the objects of accumulation remain materially visibly preserved Sarita See maintains that it is this material collection of artifacts associated with the racial colonial primitive that forms the foundation of American knowledge production The Filipino Primitive takes Karl Marx s concept of primitive accumulation usually conceived of as an economic process for the acquisition of land and the extraction of labor and argues that we also must understand it as a project of knowledge accumulation Taking us through the Philippine collections at the University of Michigan Natural History Museum and the Frank Murphy Memorial Museum also in Michigan See reveals these exhibits as both allegory and real case of the primitive accumulation subtending imperial American knowledge just as the extraction of Filipino labor contributes to American capitalist colonialism With this understanding of the Filipino foundations of the development of an American accumulative drive toward power and knowledge we can appreciate the value of Filipino American cultural producers like Carlos Bulosan Stephanie Syjuco and Ma Yi Theater Company who have created incisive parodies of an accumulative epistemology even as they articulate powerful alternative anti accumulative social ecologies A TEXAS RANGER: True Story of the Leander H. McNelly's Texas Ranger Company in the Wild Horse Desert Napoleon Augustus Jennings,2018-11-02 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices In the following story of those years of my life which were passed on the broad tablelands of western Texas I have endeavored to set down plainly and truthfully events as they actually occurred Napoleon Augustus Jennings 1856 1919 was a Texas Ranger and writer best remembered for his autobiographical account of the career of Leander H McNelly s Texas Ranger company in the Nueces Strip A Texas Ranger published in 1899 In 1874 Jennings moved to Texas where after some adventures as a cowboy he joined McNelly s Special Force where he served not as a regular member of the company but only as a field clerk *index to the reports of committees of the house of representatives for the first and second of the forty fifty congrees* ,1878 **Pidge, Texas Ranger** Chuck Parsons,2013-03-05 Thomas C Pidge Robinson came to Texas from Virginia at the age of 27 fleeing a feud with a neighbor who opposed Robinson s amorous intentions toward the neighbor s sister He joined the Texas Rangers in 1874 serving with legendary Capt Leander H McNelly s Washington County Volunteer Militia Company A He earned the rank of first lieutenant in this Texas Ranger company Two years later he returned to Virginia to avenge his honor and claim the woman he loved A learned and witty writer who sent back letters poems and reports for publication in

Austin newspapers Pidge also wrote most of Captain McNelly's reports. From the newspaper submissions backed by extensive research to document details and explain allusions western writer Chuck Parsons has fashioned an annotated compendium of primary materials that give insight into not only the life and actions of the famous Texas Rangers but also the popular culture of post Civil War Texas. Robinson rode with McNelly as the Rangers subdued the clashes between the Suttons and the Taylors in DeWitt County. He served on the Rio Grande frontier in actions against Juan Cortina including the famous battle on Palo Alto Prairie. He was with a party of Rangers who invaded Mexico to recover cattle stolen from Texas ranchers. Pidge's lively literate and often humorous letters give first person accounts of these and other actions that provide a unique picture of Ranger service in the field. This Texas A M University Press edition incorporating newly discovered materials also features rare period photographs, illustrations and other helpful maps and images.

Documents Relating to the Foreign Relations of the United States with Other Countries During the Years from 1809 to 1898, 1878. A collected set of congressional documents of the 11th to the 55th Congress, messages of the Presidents of the United States and correspondence of the State Dept. Many of these pamphlets have been catalogued separately under their respective headings.

A Texas Ranger N. A. Jennings, 2017-06-23

In 1874 Napoleon Augustus Jennings moved to Texas to join the Rangers under the command of L. H. McNelly. A year later Jennings was thrown into the conflict between the native Spanish speaking Americans and the English speaking whites who came to settle the area. In an era of cattle thieving and terror we follow Jennings through the southern border of Texas and find a vivid portrait of life in the late 19th century in one of the most lawless and hardest places to live in the United States.

A Texas Ranger Napoleon Augustus Jennings, 2018-04-23. In the following story of those years of my life which were passed on the broad tablelands of western Texas I have endeavored to set down plainly and truthfully events as they actually occurred. Napoleon Augustus Jennings 1856-1919 was a Texas Ranger and writer best remembered for his autobiographical account of the career of Leander H. McNelly's Texas Ranger company in the Nueces Strip. *A Texas Ranger* published in 1899.
