ALBRO MARTIN

Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force

Mark Zachary Taylor

Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force:

Railroads Triumphant Albro Martin, 1992-01-02 When the United States was born the nation was a thin ribbon of settlement along the Atlantic coast limited to the waterways by the expense and slow pace of land transportation Within a hundred years America spanned a continent held together by a vast network of railroads In this panoramic history of American railways Albro Martin shows how the railroad was the most fundamental innovation in American material life For the first time farms industries and towns could leave natural waterways behind and locate anywhere It was our first major industry spurring on the growth of all other industries including coal steel flour milling and commercial farming In an engaging narrative Martin tells how it established such major cities as Chicago influenced urban design and transformed communications This book captures all the dramatic history of the rails from the exciting spread across the continent through late twentieth century decline to the triumphant rebirth of recent years Thoughtful and colorful by turn this insightful history illuminates the impact of the railroad on our lives

Railroads and American Law James W. Ely, Jr., 2001-12-06 No enterprise is so seductive as a railroad for the influence it exerts the power it gives and the hope of gain it offers Poor s Manual of Railroads 1900 At its peak the railroad was the Internet of its day in its transformative impact on American life and law A harbinger and promoter of economic empire it was also the icon of a technological revolution that accelerated national expansion and in the process transformed our legal system James W Ely Jr in the first comprehensive legal history of the rail industry shows that the two institutions the railroad and American law had a profound influence on each other Ely chronicles how America s first big business impelled the creation of a vast array of new laws in a country where long distance internal transport had previously been limited to canals and turnpikes Railroads the first major industry to experience extensive regulation brought about significant legal innovations governing interstate commerce eminent domain private property labor relations and much more Much of this development was originally designed to serve the interests of the railroads themselves but gradually came to contest and control the industry s power and exploitative tendencies As Ely reveals despite its great promise and potential as an engine of prosperity and uniter of far flung regions the railroad was not universally admired Railroads uprooted people threatened local autonomy and posed dangers to employees and the public alike situations with unprecedented legal ramifications Ely explores the complex and sometimes contradictory ways in which those ramifications played out as railroads crossed state lines and knitted together a diverse nation with thousands of miles of iron rail Epic in its scope Railroads and American Law makes a complex subject accessible to a wide range of readers from legal historians to railroad buffs and shows the many ways in which a powerful industry brought change and innovation to America

Presidential Leadership in Feeble Times Mark Zachary Taylor, 2024 Do presidents matter for America s economic performance The Gilded Age presidents of the late nineteenth century seem like weak and forgettable leaders but they hold the key to answering this question precisely because of their supposed impotence In *Presidential Leadership in Feeble Times*

Mark Zachary Taylor tells the story of three decades of Gilded Age economic upheaval with a focus on presidential leadership why did some presidents crash and burn while others prospered Neither education nor experience mattered much Nor did brains personal ethics or party affiliation Instead Taylor finds that a president s effectiveness as an economic leader flows primarily from their vision for the country and their leadership style **Homeward Bound** William B. Holberton,2001-02-01

What happened to the hundreds of thousands of men in the Union and Confederate armies after they lay down their arms According to William Holberton many of these men had miles to travel before they were discharged from service and the passage of these miles included some rather unique situations and experiences As always there was bureaucratic red tape and mishandled orders and in some cases tragic accidents such as the Sultana disaster Beginning with the surrender at Appomattox Court House the author takes the reader through all the aspects and phases of demobilization including the Grand Review in Washington the desertions of soldiers overly eager to return home the differences between Union and Confederate demobilization the repatriation of prisoners of war and the deferred demobilization of many black troops The late William Holberton was a retired priest living in Bethlehem Pennsylvania He spent the years since his retirement researching and writing *Homeward Bound* his first book He had previously published related articles in magazines such as *Civil War Times Illustrated* *Ragging it* H. Loring White,2005 *Ragging It* takes the reader on a lively historical journey back to the days of vaudeville fancy women amusement parks lynch mobs saloons and cabarets a time when the upbeat music of ragtime was a craze that permeated our culture Author H Loring White a former history professor focuses on the vastly contrasting biographies of Theodore Roosevelt and Scott Joplin while showcasing the uniqueness of ragtime the first popular syncopated music of the masses In 1900 times began to move more quickly With citizens no longer isolated on farms ragtime was eagerly accepted by the world s first generation of popular culture which also reveled in cakewalks coon songs and animal dances such as the Grizzly Bear Turkey Trot and Bunny Hug White recounts true stories about show business political events the repression of African Americans the world s fairs and the triumphs of technology Although ragtime disappeared abruptly in just a few years with the emergence of jazz White never lets you forget the vital role that ragtime played in the Progressive Era of American culture With its new and vital interpretation of the Roosevelt era he will take you back to a lively time in history when everyone was Ragging It **Lincoln's Greatest Case: The River, the Bridge, and the Making of**

America Brian McGinty,2015-02-09 The untold story of how one sensational trial propelled a self taught lawyer and a future president into the national spotlight In May of 1856 the steamboat Effie Afton barreled into a pillar of the Rock Island Bridge unalterably changing the course of American transportation history Within a year long simmering tensions between powerful steamboat interests and burgeoning railroads exploded and the nation s attention absorbed by the Dred Scott case was riveted by a new civil trial Dramatically reenacting the Effie Afton case from its unlikely inception complete with a young Abraham Lincoln s soaring oratory to the controversial finale this masterful *Christian Science Monitor* account gives us the

previously untold story of how one sensational trial propelled a self taught lawyer and a future president into the national spotlight *The Market in Birds* Andrea L. Smalley, Henry M. Reeves, 2022-04-05 The book examines wildfowl market hunting in late nineteenth and early twentieth century America and its formative effects on both early conservation policy and cultural valuations of wildlife in modernizing America **Bound by Steel and Stone** J. Bradford Bowers, 2021-07-01 Bound by Steel and Stone analyzes the Colorado Kansas Railway through the economic enterprise in the American West in the decades after the supposed 1890 closing of the frontier In it J Bradford Bowers weaves a tale of reinvention against the backdrop of the newly settled West showing how the railway survived in one form or another for nearly fifty years overcoming competition from other railroads a limited revenue base and even more limited capital financing Offering the Colorado Kansas Railway as an example of how shortline railroads helped to integrate the rural landscape with the larger urban and economic world Bowers reveals the constant adaptations driven by changing economic forces and conditions He puts the railway in context of the wider environmental and political landscapes the growing quarrying and mining business the expansion of agriculture and irrigation Progressive era political reforms and land development In the new frontier of enterprise in the early twentieth century American West the railroad highlights the successes and failures of the men inspired to pursue these new opportunities as well as the story of one woman who held these fragile industries together well into the second half of the twentieth century Bound by Steel and Stone is an insightful addition to the history of industrialization and economic development in Colorado and the American West Paving the Way Michael R. Fein, 2008 Tells the surprising story of how road construction helped to pave the way to the modern American state Shows how the growing transportation needs of a steadily industrializing population changed political order from local to state and ultimately to federal governance **Back Talk from Appalachia** Dwight B. Billings, Gurney Norman, Katherine Ledford, 2013-07-24 Appalachia has long been stereotyped as a region of feuds moonshine stills mine wars environmental destruction joblessness and hopelessness Robert Schenkkan s 1992 Pulitzer Prize winning play *The Kentucky Cycle* once again adopted these stereotypes recasting the American myth as a story of repeated failure and poverty the failure of the American spirit and the poverty of the American soul Dismayed by national critics lack of attention to the negative depictions of mountain people in the play a group of Appalachian scholars rallied against the stereotypical representations of the region s people In *Back Talk from Appalachia* these writers talk back to the American mainstream confronting head on those who view their home region one dimensionally The essays written by historians literary scholars sociologists creative writers and activists provide a variety of responses Some examine the sources of Appalachian mythology in nineteenth and early twentieth century literature Others reveal personal experiences and examples of grassroots activism that confound and contradict accepted images of hillbillies The volume ends with a series of critiques aimed directly at *The Kentucky Cycle* and similar contemporary works that highlight the sociological political and cultural assumptions about Appalachia fueling today

s false stereotypes

Encyclopedia of Populism in America Alexandra Kindell, Elizabeth S. Demers Ph.D., 2014-02-27

This comprehensive two volume encyclopedia documents how Populism which grew out of post Civil War agrarian discontent was the apex of populist impulses in American culture from colonial times to the present The Populist Movement was founded in the late 1800s when farmers and other agrarian workers formed cooperative societies to fight exploitation by big banks and corporations Today Populism encompasses both right wing and left wing movements organizations and icons This valuable encyclopedia examines how ordinary people have voiced their opposition to the prevailing political economic and social constructs of the past as well how the elite or leaders at the time have reacted to that opposition The entries spotlight the people events organizations and ideas that created this first major challenge to the two party system in the United States Additionally attention is paid to important historical actors who are not traditionally considered Populist but were instrumental in paving the way for the movement or vigorously resisted Populism s influence on American culture This encyclopedia also shows that Populism as a specific movement and populism as an idea have served alternately to further equal rights in America and to limit them

Holiness and Pentecostal Movements David Bundy, Geordan

Hammond, David Sang-Ehil Han, 2022-03-04 Since the 1830s Holiness and Pentecostal movements have had a significant influence on many Christian churches and they have been a central force in producing what is known today as World Christianity This book demonstrates the advantages of analyzing them in relation to one another The Salvation Army the Church of the Nazarene the Wesleyan Church and the Free Methodist Church identify strongly with the Holiness Movement The Assemblies of God and the Pentecostal Assemblies of the World identify just as strongly with the Pentecostal Movement Complicating matters denominations such as the Church of God Cleveland the International Holiness Pentecostal Church and the Church of God in Christ have harmonized Holiness and Pentecostalism This book the first in the new series Studies in the Holiness and Pentecostal Movements examines these complex relationships in a multidisciplinary fashion Building on previous scholarship the contributors provide new ways of understanding the relationships influences and circulation of ideas among these movements in the United States the United Kingdom India and Southeast and East Asia In addition to the editors the contributors are Kimberly Ervin Alexander Insik Choi Robert A Danielson Chris E W Green Henry H Knight III Frank D Macchia Luther Oconer Cheryl J Sanders and Daniel Woods

The Chief Justiceship of Melville W. Fuller,

1888-1910 James W. Ely, 2012-11-01 A study of the man who led the Supreme Court as the nineteenth century ended and the twentieth began exploring issues of property government authority and more In this comprehensive interpretation of the Supreme Court during the pivotal tenure of Melville W Fuller James W Ely Jr provides a judicial biography of the man who led the Court from 1888 until 1910 as well as a comprehensive and thoughtful analysis of the jurisprudence dispensed under his leadership Highlighting Fuller s skills as a judicial administrator Ely argues that a commitment to economic liberty the security of private property limited government and states rights guided Fuller and his colleagues in their treatment of

constitutional issues Ely directly challenges the conventional idea that the Fuller Court adopted laissez faire principles in order to serve the needs of business Rather Ely presents the Supreme Court's efforts to safeguard economic rights not as a single minded devotion to corporate interests but as a fulfillment of the property conscious values that shaped the constitution making process in 1787 The resulting study illuminates a range of related legal issues including the Supreme Court's handling of race relations criminal justice governmental authority and private law disputes *Blood, Iron, and Gold* Christian Wolmar, 2010-03-02 The opening of the world's first railroad in Britain and America in 1830 marked the dawn of a new age Within the course of a decade tracks were being laid as far afield as Australia and Cuba and by the outbreak of World War I the United States alone boasted over a quarter of a million miles With unrelenting determination architectural innovation and under gruesome labor conditions a global railroad network was built that forever changed the way people lived From Panama to Punjab from Tasmania to Turin Christian Wolmar shows how cultures were enriched and destroyed by one of the greatest global transport revolutions of our time and celebrates the visionaries and laborers responsible for its creation The Fall of the House of Speyer George W. Liebmann, 2015-08-06 The dramatic story of the last fifty years of the Speyer banking dynasty a Jewish family of German descent is surprisingly little known today yet at the turn of the 20th century Speyer was the third largest investment banking firm in the United States behind only Morgan and Kuhn Loeb It had branches in London Frankfurt and New York and the projects it financed included the Southern Pacific Railroad the London Underground and the infrastructure of the new Cuban republic Later it was the first major banking firm to finance Germany's Weimar Republic as well as providing League of Nations loans to Hungary Greece and Bulgaria Yet the firm was doomed by the nationalist passions aroused by World War I Its English partner was denaturalised and exiled its American partner enjoyed reduced standing because of his connection to Germany and the Frankfurt branch closed with the coming of the Third Reich its German partner fleeing into exile The firm was dissolved in 1939 a surprisingly anticlimactic end to one of the great international banking companies of modern times George W Liebmann here tells the story of the firm and the family shedding new light on the protagonists of a remarkable dynasty who came undone in the dramatic years of the early 20th century **Linking Networks: The Formation of Common Standards and Visions for Infrastructure Development** Hans-Liudger Dienel, 2016-05-06 Presenting recent research on the international integration of infrastructures in Europe this book combines general and methodological chapters and examples from different a variety of sectors such as transport electricity and communication networks Particular focus is on the contrast between the Europe of nation states of the nineteenth century up to 1914 and the emerging integrated Europe after World War II Additional contributions provide perspectives from beyond Europe The wide range of topics gives a good overview of the different challenges posed and the strategies employed in each sector to establish internationally compatible networks procedures and standards This work strengthens comparative research as a complement to the detailed analysis of singular cases that often characterises

previous works in this field Methodologically it therefore contributes to the progress of tools and strategies for comparative historical research Part of the emerging research area dealing with the mechanisms of international collaboration this book brings together recent research from European integration history policy studies political economy and cultural studies Considering the growing intensity of international collaboration and exchange in many parts of social and economic life it is also of topical interest

Trans-European Networks D. Johnson,C. Turner,2015-12-22 Trans European networks TENs are a key theme in the process of integration for the EU as it enters the next millennium The attainment of these networks stretches across many different areas of European policy and economy The development of TENs is about establishing a series of infrastructure networks that complement the broad changes in the European economy facilitated by the development of the Single European Market The book examines the development of TENs in the three key sectors transport energy and telecommunications noting key themes and issues that need to be faced in their attainment Attention is also paid to common problems in their realisation most notably the financing problems The EU s strategy to develop these networks is essentially market led yet as the financing issues indicate a consensus between the states in allowing commercial investment in infrastructure is proving elusive

Historic Residential Suburbs David L. Ames,Linda Flint McClelland,2002

The Atlas of Boston History Nancy S. Seasholes,2019-10-10 Few American cities possess a history as long rich and fascinating as Boston s A site of momentous national political events from the Revolutionary War through the civil rights movement Boston has also been an influential literary and cultural capital From ancient glaciers to landmaking schemes and modern infrastructure projects the city s terrain has been transformed almost constantly over the centuries The Atlas of Boston History traces the city s history and geography from the last ice age to the present with beautifully rendered maps Edited by historian Nancy S Seasholes this landmark volume captures all aspects of Boston s past in a series of fifty seven stunning full color spreads Each section features newly created thematic maps that focus on moments and topics in that history These maps are accompanied by hundreds of historical and contemporary illustrations and explanatory text from historians and other expert contributors They illuminate a wide range of topics including Boston s physical and economic development changing demography and social and cultural life In lavishly produced detail The Atlas of Boston History offers a vivid refreshing perspective on the development of this iconic American city Contributors Robert J Allison Robert Charles Anderson John Avault Joseph Bagley Charles Bahne Laurie Baise J L Bell Rebekah Bryer Aubrey Butts Benjamin L Carp Amy D Finstein Gerald Gamm Richard Garver Katherine Grandjean Michelle Granshaw James Green Dean Grodzins Karl Haglund Ruth Ann M Harris Arthur Krim Stephanie Krueh Kerima M Lewis Noam Maggor Dane A Morrison James C O Connell Mark Peterson Marshall Pontrelli Gayle Sawtelle Nancy S Seasholes Reed Ueda Lawrence J Vale Jim Vrabel Sam Bass Warner Jay Wickersham and Susan Wilson

The Human Tradition in the Gilded Age and Progressive Era Ballard C. Campbell,2000 The period between 1870 and 1920 was one of the most dynamic in American history This era witnessed the

invention of the automobile the establishment of women s suffrage and the opening of the Panama Canal While a time of great advancement the Gilded Age and Progressive Era were also periods of uncertainty as Americans coped with corrupt politicians unchecked big business and a vast influx of immigrants SR Books offers a new approach to this time period in its book *The Human Tradition in the Gilded Age and Progressive Era* This volume looks at the experiences of 13 people who contributed to the shaping of American culture and thought during this period These concise accounts are written by leading historians and give students an intimate view of history This is an excellent text for courses in American studies

Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force Introduction

Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force Offers a diverse range of free eBooks across various genres. Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force, especially related to Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps

to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force books or magazines might include. Look for these in online stores or libraries. Remember that while Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force eBooks, including some popular titles.

FAQs About Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force Books

1. Where can I buy Railroads Triumphant The Growth Rejection And Rebirth Of A Vital American Force books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
