Canadian Geography Thomas A. Rumney, 2009-12-10 Canadian Geography A Scholarly Bibliography is a compendium of published works on geographical studies of Canada and its various provinces It includes works on geographical studies of Canada as a whole on multiple provinces and on individual provinces Works covered include books monographs atlases book chapters scholarly articles dissertations and theses The contents are organized first by region into main chapters and then each chapter is divided into sections General Studies Cultural and Social Geography Economic Geography Historical Geography Physical Geography Political Geography and Urban Geography Each section is further sub divided into specific topics within each main subject All known publications on the geographical studies of Canada in English French and other languages covering all types of geography are included in this bibliography It is an essential resource for all researchers students teachers and government officials needing information and references on the varied aspects of the environments and human geographies of Canada

State and Society in Transition J. Little, 1997-02-24 Using a variety of documentary sources including hundreds of petitions letters and reports to the government Little traces the complex relationship between community life and government regulation He reveals that at the same time development of responsible government was leading to increasingly centralized authority at the provincial level a persistent sense of localism was forcing the state to decentralize its new institutions at the community level The local population of this largely American settled corner of Quebec Little shows clearly exerted an important influence on the evolution of the education legal social welfare and municipal systems State and Society in Transition makes a major contribution to the study of state formation in the recently unified province of Canada by taking into account not only the dialectical process between the centre and periphery but also the impact of institutional reform on social and economic development in general

Fashioning the Canadian Landscape J.I. Little, 2018-01-01 In his book *Fashioning the Canadian Landscape* J I Little examines how Canada much like the United States came to be identified with its natural landscape Little argues that in contrast to America Canada s image was strongly influenced by the picturesque convention favoured by British travel writers

Railways of Southern Quebec John Derek Booth, 2008-08 Railways of Southern Quebec Volume II continues the study begun in Railways of Southern Quebec Volume I of various railway companies that operated in Quebec south of the St Lawrence River The featured railways illustrate the many diverse elements of 19th century railway construction Also covered are aspects of the railway network rationalization resulting from railways having lost their transportation primacy to cars and

trucks Volume I dealt with the earliest railways in southern Quebec including the St Lawrence and Atlantic later Canadian National's Grand Trunk New England line to Portland as well as railways lying west of the Richelieu River in southern Quebec Volume II focuses on the central Eastern Townships with the histories of the Waterloo and Magog Railway the Missisquoi and Black Rivers Valley Railway and the Orford Mountain Railway Also covered are other associated lines including the Canadian Pacific Railway's Short Line which continued from Megantic Quebec to Saint John New Brunswick through Maine There are overviews of several other railway companies all of which together formed the extensive network of railways that lay south of the St Lawrence River in Quebec Volume III examined the history of the Quebec Central Railway Operating in the eastern and northern margins of the Eastern Townships the QCR primarily a resource railway emerged as the largest regional carrier in Quebec by the beginning of the twentieth century *Railroad History*, 1997 **Summary**
