Olmec Art at Dumbarton Oaks Karl A. Taube, Dumbarton Oaks, 2004 Olmec Art at Dumbarton Oaks presents the Olmec portion of the Robert Woods Bliss Collection of Pre-Columbian Art It illustrates all thirty-nine Olmec art objects in color plates and includes many complementary and comparative black and white illustrations and drawings The body of Pre-Columbian art that Robert Bliss carefully assembled over a half century between 1912 and 1963 amplified only slightly since his death is a remarkably significant collection In addition to their aesthetic quality and artistic significance the objects hold much information regarding the social worlds and religious and symbolic views of the people who made and used them before the arrival of Europeans in the New World This volume is the second in a series of catalogues that will treat objects in the Bliss Pre-Columbian Collection The majority of the Olmec objects in the collection are made of jade the most precious material for the peoples of ancient Mesoamerica from early times through the sixteenth century Various items such as masks statuettes jewelry and replicas of weapons and tools were used for ceremonial purposes and served as offerings Karl Taube brings his expertise on the lifeways and beliefs of ancient Mesoamerican peoples to his study of the Olmec objects in the Bliss collection His understanding of jade covers a broad range of knowledge from chemical compositions to geological sources to craft technology to the symbolic power of the green stone Throughout the book the author emphasizes the role of jade as a powerful symbol of water fertility and particularly of the maize plant which was the fundamental source of life and sustenance for the Olmec The shiny green of the stone was analogous to the green growth of maize This fundamental concept was elaborated in specific religious beliefs many of which were continued and elaborated by later Mesoamerican peoples such as the Maya Karl Taube employs his substantial knowledge of Pre-Columbian cultures to explore and explicate Olmec symbolism in this catalogue

Odyssey of the Pueblo Indians William M. Eaton, 2002-06 The author William M. Eaton brings to his studies of Pueblo Indian culture a unique background He was commissioned as 2nd Lt in the USAAF with specialized training as a celestial navigator One day as he surveyed a petroglyph panel he was impressed with the fact that the Pueblo Indian shaman had imprinted several star panels namely Ursa Major and Ursa Minor into the petroglyph panel One set of obscure dots soon led to another and a remarkable source of astronomical data was developed including the utilization of Pleiades Orion and the star Capella This data some of which related to star panels announcing the summer and winter solstices was intended to initiate the annual schedules of a number of Pueblo Indian events such as the Niman Dance

in Summer Solstice the Soyal Winter Solsice Ceremony and the Momticit Warrior Initiation Rites in late December *God's Love of Love Songs* Donnie Ralph Rieser Jr.,2011-10-26 New classic religious rock songs that had never been sung Original work that had never been heard before The songs will go with all types of religions and denominational churches

Primitive Culture Edward Burnett Tylor,1889 **The Art of Urbanism** William Leonard Fash,Leonardo López Luján,2009 The Art of Urbanism explores how the royal courts of powerful Mesoamerican centers represented their kingdoms in architectural iconographic and cosmological terms Through an investigation of the ecological contexts and environmental opportunities of urban centers the contributors consider how ancient Mesoamerican cities defined themselves and reflected upon their physical eand metaphysical eplace via their built environment Themes in the volume include the ways in which a kingdom e tm s public monuments were fashioned to reflect geographic space patron gods and mythology and how the Olmec Maya Mexica Zapotecs and others sought to center their world through architectural monuments and public art This collection of papers addresses how communities leveraged their environment and built upon their cultural and historical roots as well as the ways that the performance of calendrical rituals and other public events tied individuals and communities to both urban centers and hinterlands Twenty three scholars from archaeology anthropology art history and religious studies contribute new data and new perspectives to the understanding of ancient Mesoamericans e tm own view of their spectacular urban and ritual centers Princess's Faithful Prince Mo Mo,2020-06-19 Tang Qiu Ling s work elite of the century inexplicably teleported to an unknown country not being loved by her husband and having no memory of him was not important what was important was how to return to the modern era But why Why did he get involved in an unexpected house fight and a palace fight How was he going to deal with all of this The 21st century workplace elites are very helpless **The Religious Nile** Terje Oestigaard,2018-07-30 The Nile is arguably the most famous river in the world For millennia the search for its source defeated emperors and explorers Yet the search for its source also contained a religious quest a search for the origin of its divine and life giving waters Terje Oestigaard reveals how the beliefs associated with the river have played a key role in the cultural development and make up of the societies and civilizations associated with it Drawing upon his personal experience and fieldwork in Africa including details of rites and ceremonies now fast disappearing the author brings out in rich detail the religious and spiritual meanings attached to the life giving waters by those whose lives are so bound to the river Part religious quest part exploration narrative the author shows how this mighty river is a powerful source for a greater understanding of human nature society and religion **The Fugitive Race** Stephen P. Knadler,2007-06 Denying its formative dialogues with minorities the white race Stephen P Knadler contends has been a fugitive race While the white question like the Negro question and the woman question a century earlier has garnered considerable critical attention among scholars looking to find new anti race strategies these investigations need to highlight not just the exclusion of people of color but also examine minority writers resistance to and disruption of this privileged racial category Highly

original wonderfully detailed and thought provoking says Professor Candace Waid of Knadler s intellectually challenging book Although excluded people of color looked back in anger laughter and wisdom to challenge the unexamined lie of a self evident whiteness Looking at fictional and nonfictional texts written between 1850 and 1984 The Fugitive Race traces a long cultural and literary history of the ways African Americans Asian Americans Jewish Americans Chicanos gays and lesbians have challenged the shape and meaning of so called white identities From the antebellum period to the 1980s the belief in a white racial superiority or simply a white difference has denied that people of color might and do have an influence on the supposedly pure or protected character of whiteness In contrast this book attempts to define a new way of analyzing minority literature that questions this segregated color line In addition to creating a new racial awareness many writers of color tried to interfere in the historical formulation of whiteness They created unsettling moments when white readers had to see themselves for the first time from the outside in or from the critical perspective of non white writers These writers including William Wells Brown Pauline Hopkins Abraham Cahan Young hill Kang Zora Neale Hurston and Arturo Islas did not simply resist assimilation They sought to dismantle the white identities that lay as the foundation of the master s house

Radha-Krsna Ashim K. Bhattacharyya,2007-07 In his book R dh Krsna Sunil Gangopadhyay did not treat Krsna and R dh as god and goddess He described them as common ordinary human just like us His description of the love between R dh and Krsna therefore had sensual connotations following the custom of many literary publications of the past like Jayadeva s Gitagovinda and many Pad bali Kirtanas However we have to remember that Krsna is the Param Brahma that is the Supreme Spirit as defined in the Hindu Dharma Sh stras Shrimati R dh is his consort or his Shakti that is power The Prema that is love between them is devotional and spiritual love Krsna and R dh s devotional love plays are the R sa Lil of Bhagav n Shri Krsna and his Shakti R dh
