**Beyond Valor** Jon Erwin, William Doyle, 2020-08-18 On April 12 1945 a fleet of American B 29 bombers flew toward Japan Their mission was simple Stop World War II by burning the cities factories and military bases of the Japanese empire thereby forcing an unconditional surrender But it didn't go as planned Beyond Valor is one soldier's extraordinary tale of bravery faith and devotion Onboard one of the B 29s the City of Los Angeles a phosphorus bomb detonated inside the plane Staff Sergeant Henry E. Red Erwin absorbed the blast of burning phosphorus and managed to throw the still flaming bomb overboard before collapsing from the third degree burns that covered his body Breaking protocol the plane diverted to a military hospital at Iwo Jima President Truman quickly ordered that Erwin be awarded the Medal of Honor the highest honor of the American military Drawn from in depth interviews with eyewitnesses and deep archival research Beyond Valor tells the gripping story of Erwin's life from his upbringing in the suburbs of Birmingham Alabama to his enduring commitment to supporting veterans Beyond Valor gives you a front row seat to Erwin's amazing life and legacy Along the way you'll learn How Erwin's childhood in Birmingham shaped his faith and his family How a split second decision changed the course of his life The countless ways that Erwin chose to give back to his fellow veterans after he returned home Beyond Valor is about more than that fateful day in April 1945 It's a story of one man's journey from the ultimate despair to a place beyond service beyond honor and beyond valor a life illuminated by the light of God's love      **The Heroes We Needed** Trevor B

McIntyre, 2024-10-31 McIntyre recounts the stories of many airmen who did not return which are undeniably touching as are the photographs he includes Because of their size the B 29s were able to drop the atomic bombs that ended the war But it is the human stories that resonate the most A heartfelt account of the men who flew the combat airplane known as the Superfortress Kirkus Reviews During World War II there were many ways that a B 29er could be killed a ruthless enemy an unforgiving ocean that stretched for thousands of miles or the faulty engines of their own airplanes But they all volunteered for it and they continued flying and dying until they brought the war to an early end and saved hundreds of thousands of American lives They were The Heroes We Needed In this riveting saga of sacrifice and salvation Trevor McIntyre brings to life the courageous American airmen who brought the Japanese Empire to its knees and ended World War II with the greatest bombers the world had ever seen the Boeing B 29 Superfortress and his fight 70 years later to save their stories from being forgotten      **Black Snow** James M. **Pain and Purpose in the Pacific** Richard Carl Bright, 2014-01-24 What follows here just a brief insight into Pain and Purpose in the Pacific This book did not begin with the idea of a chronology of the battles of the Pacific War although an overview is included But instead it was intended to be a brief account of the battles on Saipan Tinian and Okinawa as I retrace the travels of one Marine from the farmland of Minnesota to Japan and back Carl J Johnson spent 30 months in the Pacific Four of those months were in bitter combat on the islands of Saipan Tinian and Okinawa He is my uncle I have been blessed to travel also Belau which is Palau and includes Peleliu Included too in this book are Iwo Jima Corregidor and the Philippines In my travels beyond Hawaii and Pearl Harbor which was my introduction into the Pacific were Yap and Truk which is Chuuk and Pohnpei in the Carolines And Ive spent time in Japan During my time in the Pacific I have been presented with the opportunity to speak with several of the veterans of the Pacific War Doing so has in some cases allowed me in some small way to understand a sense of the hell they had to

suffer through Included in this report are a few of their stories as well as stories from some of the people of the islands who in one way or another were involved in the conflict It is with a depth of gratitude that I acknowledge the Military Historical Tours of Alexandria Virginia for allowing me to be a part of their tours to the islands of Iwo Jima and Okinawa as well as Guam Tinian and Saipan I appreciate this organization dedicated to preserving the memories of the war and to the honoring of the military personnel who were there at the time While living on either Guam or Saipan I also was able to visit on my own most of the islands mentioned on this page But it was the Military Historical Tours and its President USMC Colonel Warren Wiedhahn mht miltours com that made it possible for me to visit Iwo Jima They allowed me to join them once a year for 4 consecutive years I have since returned a 5th time in March of 2010 It was through this great organization that over a 7 year period while living on both Guam and Saipan in the Marianas Islands I was able to meet most of the WWII veterans mentioned here and these aging veterans of the War in the Pacific whom I have met have touched my heart In addition to my uncle this book is for them too

**Days of Steel Rain** Brent E. Jones, 2021-05-11 This intimate true account of Americans at war follows the epic drama of an unlikely group of men forced to work together in the face of an increasingly desperate enemy during the final year of World War II Sprawling across the Pacific this untold story follows the crew of the newly built vengeance ship USS Astoria named for her sunken predecessor lost earlier in the war At its center lies U S Navy Captain George Dyer who vowed to return to action after suffering a horrific wound He accepted the ship's command in 1944 knowing it would be his last chance to avenge his injuries and salvage his career Yet with the nation's resources and personnel stretched thin by the war he found that just getting the ship into action would prove to be a battle Tensions among the crew flared from the start Astoria's sailors and Marines were a collection of replacements retreads and older men Some were broken by previous traumatic combat most had no desire to be in the war yet all found themselves fighting an enemy more afraid of surrender than death The reluctant ship was called to respond to challenges that its men never could have anticipated From a typhoon where the ocean was enemy to daring rescue missions a gallant turn at Iwo Jima and the ultimate crucible against the Kamikaze at Okinawa they endured the worst of the final year of the war at sea Days of Steel Rain brings to life more than a decade of research and firsthand interviews depicting with unprecedented insight the singular drama of a captain grappling with an untested crew and men who had endured enough amidst some of the most brutal fighting of World War II Throughout Brent Jones fills the narrative with secret diaries memoirs letters interpersonal conflicts and the innermost thoughts of the Astoria men and more than 80 photographs that have never before been published Days of Steel Rain weaves an intimate unforgettable portrait of leadership heroism endurance and redemption *Airman*, 1995
