Rainbow I The Circus Comes To Town Rainbow:

The Rainbow Circus Comes to Town Joanne Ryder,1985 *Postcards from Rainbow's End* R. Buddy Murphy,2010-05
A captivating journey of life misadventures and survival through the eyes of Lane Webster The flashbacks are riveting and exciting the pages almost turn on their own It starts with a blast of demonic energy just keeps going and going until the last page has been turned A good and easy read that keeps you begging for more Lane Webster What a guy and the colourful characters he meets on the journey provide a tale that must be told and must be heard I dare you to try and put it down Go ahead Try Shelly's Song Jim Thornton,2015-10-28 Shelly is an amazing little girl who rode an alligator drove a blimp and refused to give up her fight against cancer Her boundless energy and love for people endeared her to everyone who met her Strangers had pictures taken with her wanted to buy her ice cream and gave her gifts She would give hugs and draw smiles to everyone she met You will come to love Shelly as many people have following the authors blog The Boot of Destiny E. Christopher Clark,2020-02-18 She loved him as a father When he breaks her heart she ll raise his darkest specters High school valedictorian Tracy Silver embraced her uncle as the dad she never had But her perfect image of him shattered when she caught the married man with a half naked stripper Now he s back in town and she s determined to render justice with a magical potion With the supernatural elixir running through the man s veins Tracy presents his memories as evidence in a mystical courtroom But though she defies him to confirm he s not like every other man her righteousness is shaken with the revelation of his dark and shocking secrets Can Tracy prove her uncle s betrayal was real or will she uncover a deeper truth The Boot of Destiny is the second book in the intriguing Stains of Time family saga series If you like nuanced characters deep moral quandaries and a touch of metaphysical mystery then you ll love E Christopher Clark s coming of age tale Buy The Boot of Destiny to rewind the facts today *Blame It on Anna* Clarice Tilchen,Mark Tilchen,Charon Tilchen Balaban,2012-04-24 A Jewish mother s true story of tragedy and triumph Blame it on Anna was written by Clarice Tilchen along with her children Mark and Sharon who explore the meaning of life through their mother as they ponder whether a person s life story can truly be summed up in a few chapters of a book The story mixes dreams with realities as this simple Jewish woman dances with famous Hollywood personalities as she travels the world Is it real or fantasy True or not Clarice s life is tied to numerous stars of the 1940 s and 1950 s Clint Eastwood Barbra Streisand Tony Curtis Dorothy Malone Rock Hudson and many others are among those who play a role in this true tale of one person s search for life s joy and happiness This book is a love story between two sisters on a journey of often unimaginable events What greater accomplishment than having given everything you have within yourself never expecting anything in return Not a thank you a kiss or even a hug but rather simply the knowledge you have given with love A Russian immigrant family comes to America in 1905 and amid much success tragedy follows the failure of an arranged marriage An attempted murder suicide fire orphans cancer can things get any worse or is there a story of overcoming adversity somewhere in this tangled mess Rainbow's End: A Swamp Yankee
