man Looking on what I have done with my life today I believe I have probably raised a premeditated exaltation to the perennial cause of joy something which has made me feel humble as and when it possessed and overpowered me The poetess speaks of love wondrous love and looks upon spring as the divine manifestation and is an eternal naysayer to pessimism The war of emotions that the human heart is persistently engaged in and the gutless modern men lacking in passion and compassion reinforce her faith and hope for the second world Amen T S Anand editor Literary Voice Odyssey of Love is a pious and secular peregrination goaded by the disquieting magnetism and charisma of love Dr B L Chakoo professor emeritus
