Carson believes his former boyfriend Billy didn't commit suicide by jumping off a cliff and into the ocean. Billy's sweater and suicide note might've been found yet a body was never discovered. So Carson befriends and dates his classmate Dean on the possibility that Dean knows something about Billy's death. Dean and Billy both belonged to the same community service club Charity Now where Billy devoted his time to Clues soon unravel though. Like an eyewitness seeing members of Charity Now in the woods near the cliff before Billy's suicide a diary entry proving Billy lied about his father being homophobic and a hazing incident involving a student's death that Billy might or might not have been responsible for. However Carson doesn't only have to grapple with Billy's duplicity. Genuine romantic feelings for Dean emerge. Except Carson will have to finish his sleuthing if he wants closure about Billy's death. Even if that means choosing between stringing Dean along or being honest with him.
