Raintree County:

LIFE ,1947-09-08 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Final Drafts** Mark Seinfelt,1999-12 Some of the greatest writers in the history of the art Hart Crane Ernest Hemingway Jerzy Kosinski Sylvia Plath Anne Sexton and Virginia Woolf all chose to silence themselves by suicide leaving their families and friends with heartbreak and the world of literature with gaping holes Their reasons for killing themselves when known were varied and quite often unreasonable Some were plagued by depression or self doubt and others by frustration and helplessness in a world they could neither change nor tolerate Profoundly moving and morbidly attractive Final Drafts is a necessary historical record biographical treatment and psychological examination of the authors who left this cruel world by their own hands either instantly or over long periods of relentless self destructive behavior It is also a devoted examination of references to suicide in literature both by those who took their own lives and those who decided to live Mark Seinfelt has selected many well known mostly fiction writers from those whose work dates to over a century ago when the medical community was ill equipped to deal with substance abuse and depression to more recent writers such as Kosinski Michael Dorris and Eugene Izzi who have left a puzzled literary community with a sad legacy Seinfelt reveals that many authors contemplated ending their lives in their work were obsessed with destroying themselves were unable in the case of the Holocaust to live with the fact that their contemporaries had been killed believed death to be a freedom from the horrors that forced them to create and sometimes were simply unable to withstand rejection or criticism of their work Other noted authors discussed in this volume include John Berryman Ambrose Bierce Harry Crosby John Davidson William Inge Randall Jarrell Arthur Koestler T E Lawrence Primo Levi Jack London Jay Anthony Lukas Tom McHale Yukio Mishima Henry de Montherlant Seth Morgan George Sterling Sara Teasdale Ernst Toller John Kennedy Toole Sergey Yesenin and many others

Screen Saviors Hernán Vera,Andrew M. Gordon,2003-01-21 Screen Saviors studies how the self of whites is imagined in Hollywood movies by white directors featuring white protagonists interacting with people of another color This collaboration by a sociologist and a film critic using the new perspective of critical white studies offers a bold and sweeping critique of almost a century s worth of American film from Birth of Nation 1915 through Black Hawk Down 2001 Screen Saviors studies the way in which the social relations that we call race are fictionalized and pictured in the movies It argues that films are part of broader projects that lead us to ignore or deny the nature of the racial divide in which Americans live Even as the images of racial and ethnic minorities change across the twentieth century Hollywood keeps portraying the ideal white American self as good looking powerful brave cordial kind firm and generous a natural born leader worthy of the loyalty of those of another color The book invites readers to conduct their own analyses of films by showing how this can be done in

over 50 Hollywood movies Among these are some films about the Civil War Birth of a Nation Gone with the Wind and Glory some about white messiahs who rescue people of another color Stargate To Kill a Mockingbird Mississippi Burning Three Kings and The Matrix the three versions of Mutiny on the Bounty 1935 1962 and 1984 and interracial romance Guess Who s Coming to Dinner Forty years of Hollywood fantasies of interracial harmony from The Defiant Ones and In the Heat of the Night through the Lethal Weapon series and Men in Black are examined This work in the sociology of knowledge and cultural studies relates the movies of Hollywood to the large political agendas on race relation in the United States Screen Savors appeals to the general reader interested in the movies or in race and ethnicity as well as to students of communication American studies critical white studies American film cultural studies and the sociology of race relations *On Elizabeth Taylor* Matthew Kennedy,2024 *On Elizabeth Taylor An Opinionated Guide* is a comprehensive overview of the film television and theatrical career of Elizabeth Taylor 1932 2011 Including an introduction biographical chronology and guide to her entire career Matthew Kennedy gives a critical assessment of each film and performance This Opinionated Guide gives direction to anyone unfamiliar with Miss Taylor s work as an actress and elegantly guides readers who desire to explore her career and her impact on twentieth century popular culture **American Popular Song Composers** Michael Whorf,2014-01-10 In this volume 39 of the legendary composers from Tin Pan Alley Hollywood and Broadway of the 1920s through the 1950s discuss their careers and share the stories of creating many of the most beloved songs in American music Interviewed for radio in the mid 1970s they include such giants as Harold Arlen Eubie Blake Cy Coleman George Dunning Sammy Fain Jerry Herman Bronislaw Kaper Henry Mancini David Rose Arthur Schwartz Charles Strouse Jule Styne Jimmie Van Heusen Harry Warren Richard Whiting and Meredith Willson Photographs and rare sheet music reproductions accompany the interviews *American Small-Town Fiction, 1940-1960* Nathanael T. Booth,2019-01-10 In literature and popular culture small town America is often idealized as distilling the national spirit Does the myth of the small town conceal deep seated reactionary tendencies or does it contain the basis of a national re imagining During the period between 1940 and 1960 America underwent a great shift in self mythologizing that can be charted through representations of small towns Authors like Henry Bellamann and Grace Metalious continued the tradition of Sherwood Anderson in showing the small town by extension America itself profoundly warping the souls of its citizens Meanwhile Ray Bradbury Toshio Mori and Ross Lockridge Jr sought to identify the small town s potential for growth away from the shadows cast by World War II toward a more inclusive democratic future Examined together these works are key to understanding how mid 20th century America refashioned itself in light of a new postwar order and how the literary small town both obscures and reveals contradictions at the heart of the American experience William Lloyd Garrison and American Abolitionism in Literature and Memory Brian Allen Santana,2016-03-11 For nearly 150 years William Lloyd Garrison founder of the famed antislavery newspaper The Liberator has been represented by scholars educators politicians and authors as the founder of the American abolitionist

movement Yet the idea that Garrison was the leader of a coherent movement was strongly contested during his lifetime Drawing on private letters diaries newspapers novels memoirs eulogies late 19th century textbooks poetry and monuments this study reveals the dramatic social and political forces of the postwar period which transformed our perceptions of Garrison the abolitionist movement and the first histories of the Civil War *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Internal Revenue Service,2001 *Raintree County* Ross Lockridge,1949 Told in a series of flashbacks this is the story of John Wickliff Shawnessy who grows up to be the epitome of Civil War era America Originally published in 1948 *The Booklover's Guide to the Midwest* Greg Holden,2011-04 With its rich literary tradition the Midwest provides a wealth of opportunities for bibliophiles to retrace the steps of their favorite writers and characters The Booklover s Guide to the Midwest is a treasure map in book form pointing the way to the heartland s most interesting literary sites Walk down the actual Main Street that Sinclair Lewis described in his classic novel or among the gravestones that inspired Edgar Lee Masters Spoon River Anthology See Laura Ingalls Wilder s little House in the Big Woods and get lost in the very same cave that Tom Sawyer and Huck Finn explored Visit Petoskey Michigan the setting of Hemingway s Nick Adams stories Other poets and writers put readers in touch with pond life sand dune architecture Native Americans and the great expanse of the prairie Descriptions of each states sites are arranged so that travelers can drive or walk from place to place with ease **Lee Marvin** Robert J. Lentz,2015-09-15 Lee Marvin did not receive his first starring film role until he was 40 but in three short years following the successes of Cat Ballou for which he won the Academy Award as Best Actor The Professionals and especially The Dirty Dozen he was the most popular film actor in America Marvin was a fascinating man a loving husband and father and one of the most natural effective actors of his time This is a comprehensive reference of the Oscar winning actor s work It includes biographical information on Marvin an analysis of each of his 64 movies chapters on his two television shows M Squad and Lawbreaker a listing of his television appearances and a complete filmography which includes video availability The work is supplemented with dozens of photographs and film stills **Elizabeth and Monty** Charles Casillo,2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era s defining movies including Cat on a Hot Tin Roof The Misfits Suddenly Last Summer and Cleopatra Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in A Place in the Sun he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That s when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a

wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty's accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in *Reflections in a Golden Eye* His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in *The New York Times* In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared *People Magazine* Elizabeth Taylor Gloria Shin, 2022-12-13 In *Elizabeth Taylor Icon of American Empire* Gloria Shin contends that the eponymous movie star is a model of postcolonial whiteness as her tenure as the most beautiful and famous woman in the world coincides with the era of postcolonialism in the 1950s and 1960s Taylor is examined through a series of overlapping readings as the Mistress in a cycle of Hollywood plantation films in the 1950s via her extra cinematic image as an exoticized jet setting wanton seductress in the 1960s through her repatriation to the U S and the election of her pro military husband to the U S Senate in the 1970s and her evolution as a relentless AIDS activist in the 1980s Across these interpretative frames Taylor emerges as the figuration who performs the vast possibilities open to postcolonial whites for mobility pleasure and political agency while operating without the burdens of race that allows her stardom to be symbolic of American Empire at the apex of its power **Twentieth Century American Literature** Warren French, 1980-11-01 **Major Characters in American Fiction** Jack Salzman, Pamela Wilkinson, 2014-09-23 Major Characters in American Fiction is the perfect companion for everyone who loves literature students book group members and serious readers at every level Developed at Columbia University's Center for American Culture Studies Major Characters in American Fiction offers in depth essays on the lives of more than 1 500 characters figures as varied in ethnicity class sexual orientation age and experience as we are Inhabiting fictional works written from 1790 to 1991 the characters are presented in biographical essays that tell each one's life story They are drawn from novels and short stories that represent every era genre and style of American fiction writing Natty Bumppo of *The Leatherstocking Tales* Celie of *The Color Purple* and everyone in between **Montgomery Clift, Queer Star** Elisabetta Girelli, 2013-12-15 Scholars of gender and film

performance studies queer and sexuality studies and masculinity studies will appreciate this compelling study **Catalog of Copyright Entries** Library of Congress. Copyright Office,1958 The Sower and the Seer Joseph Hogan,Jon Lauck,Paul Murphy,Andrew Seal,Gleaves Whitney,2021-02-17 This collection of twenty two essays a product of recent revivals of interest in both Midwestern history and intellectual history argues for the contributions of interior thinkers and ideas in forming an American identity The Midwest has been characterized as a fertile seedbed for the germination of great thinkers but a wasteland for their further growth The Sower and the Seer reveals that representation to be false In fact the region has sustained many innovative minds and been the locus of extraordinary intellectualism It has also been the site of shifting interpretations to some a frontier to others a colonized space a breadbasket a crossroads a heartland As agrarian reformed and Michigander Liberty Hyde Bailey expressed in his 1916 poem Sower and Seer the Midwestern landscape has given rise to significant visionaries just as their knowledge has nourished and shaped the region The essays gathered for this collection examine individual thinkers writers and leaders as well as movements and ideas that shaped the Midwest including rural school consolidation women s literary societies Progressive era urban planning and Midwestern radical liberalism While disparate in subject and style these essays taken together establish the irrefutable significance of the intellectual history of the American Midwest raintree county ross lockridge,1948 American Novelists Since World War II.
