Elizabeth Taylor Gloria Shin,2022-12-13 In Elizabeth Taylor Icon of American Empire Gloria Shin contends that the eponymous movie star is a model of postcolonial whiteness as her tenure as the most beautiful and famous woman in the world coincides with the era of postcolonialism in the 1950s and 1960s Taylor is examined through a series of overlapping readings as the Mistress in a cycle of Hollywood plantation films in the 1950s via her extra cinematic image as an exoticized jet setting wanton seductress in the 1960s through her repatriation to the U S and the election of her pro military husband to the U S Senate in the 1970s and her evolution as a relentless AIDS activist in the 1980s Across these interpretative frames Taylor emerges as the figuration who performs the vast possibilities open to postcolonial whites for mobility pleasure and political agency while operating without the burdens of race that allows her stardom to be symbolic of American Empire at the apex of its power

Clark Gable David Bret,2008-10-22 From the acclaimed author of Joan Crawford comes a riveting and uncensored biography of Clark Gable The archetypal male of his era Gable was named King of Hollywood in 1938 But as David Bret reveals the star was not quite who he seemed One of Gable s best kept secrets was his bisexuality Bret recounts Gable s failed marriages to women who turned a blind eye toward his affairs with actors Earl Larimore and Rod La Rocque among other men Bret also reveals how a pseudo scandalous paternity suit and the actor s wartime accomplishments were no more than elaborate publicity stunts created by studio chief Louis B Mayer in order to exaggerate Gable s masculinity and heroism in the public eye With passion and accuracy Bret uncovers the truth behind one of Hollywood s biggest stars

Parables of Possibility Terence Martin,1995-01-05 Parables of Possibility The Film Cheat Murray Pomerance,2020-10-15 Murray Pomerance venerated film scholar is the first to take on the cheat in film where cheating constitutes a collection of production performance and structuring maneuvers intended to foster the impression of a screen reality that does not exist as presented This usually calls for a suspension of disbelief in the viewer but that rests on the assumption that disbelief is problematic for viewership and that we must find some way to suspend or disconnect it in order to allow for the entertainment of the fiction in its own terms The Film Cheat explores forty five aspects of the cheat analyzing classic films such as Singin in the Rain and Chinatown to more contemporary films like The Revenant and Baby Driver with Pomerance engaging his encyclopedic knowledge of film history to point out numerous instances of suspensions of disbeliefs Whether or not Gene Kelly is actually dancin in the rain or if Elliott is really flying on his bicycle carrying E T these cheats are what make movie magic Elegantly weaving the narrative for one to dip into at random or to read from cover to cover Pomerance turns things upside down so that the audience actually finds pleasure in the cheat itself pleasure in the disbelief To see the elegant fake the supremely accomplished simulacrum is a pleasure in its own right indeed one of the fundamental

pleasures of cinema *Elizabeth* Alexander Walker,2001 Elizabeth Taylor is one of our last great movie stars An Oscar winning actress she has lived her entire life in front of the spotlights and her glamour and smouldering sensual charisma are the stuff of legend In *Elizabeth* Alexander Walker presents the story of a life that was lived on and off camera with a passion rarely matched by even today s outspoken celebrities From her privileged childhood the influence of her strong willed mother and her rise to stardom in films like *National Velvet* *A Place in the Sun* and *Cleopatra* to her husbands her obsession with jewelry and her amazing resilience in the face of public scandal and personal tragedy Walker shows us the real Elizabeth as an actress and as a person determined to live on her own terms Catalog of Copyright Entries Library of Congress.
